CASE NO. 19CECG03480

[Assigned for All Purposes to The
Honorable D. Tyler Tharpe, Dept. 501]

vs.

GREYHOUND LINES, INC.;
ASHTON RENNICK CASTILLO
and DOES 1 to 100, inclusive,
Defendants

**NOTIFICATION OF NON-
ATTENDANCE AT May 25, 2021
HEARING and GOOD-FAITH
REQUEST FO REMOVAL OF
May 25, 2021 HEARING and June
21, 2021 TRIAL FROM COURT'S
CALENDAR¹**

Date: May 19, 2021
Proposed Trial Date: June 21, 2021

**PLEASE TAKE NOTICE THAT WITHOUT WAVING THE JURISDICTIONAL
and DIVERSITY ISSUES, etc.** present in this matter *in the preservation of any and all claims
asserted and/or may be asserted*, by Pedro Alonso-Ifil ("Alonso-Ifil"), he does hereby NOTIFY
this Court of his NON-ATTENDANCE at the upcoming **May 25, 2021, Hearing** that has been set
in the above-styled matter and is in *GOOD FAITH REQUESTING THE REMOVAL* of said
Hearing and *proposed Trial Date of June 21, 2021, from the Calendar of this Court.*

¹ Boldface, Italics, Underline, and ALL Caps, etc. have been added to denote emphasis.

In support of Alonso-Ifil's good-faith requests, he states the following – i.e. however, not limited to this listing alone:

1. This instant filing is submitted in good faith and *is not* being submitted for ill intent – i.e. as to increase the cost of litigation, threaten, intimidate, harass, nor unduly burden Defendant Greyhound Lines, Inc. (“Greyhound”) and/or its Counsel, etc.

2. Greyhound will in no way suffer prejudice as a result of Alonso-Ifil's good-faith requests *for removal* of May 25, 2021 Hearing set **and** June 21, 2021 Trial set on this Court's Calendar; moreover, from said Court's taking action and granting the request *for removal* of Calendared items noted.

3. At anytime PRIOR to and/or during Trial, either Party to the action may raise *Jurisdictional* defense pursuant to Rule 12 of the Rules of Civil Procedure and/or the applicable Statutes/Laws governing said defense. Alonso-Ifil does *not waive* his Jurisdictional defenses and neither can it be asserted as being waived by the above-styled lawsuit being filed. Alonso-Ifil moved to fire his Lawyers/Attorneys at Accident Attorneys out of concerns of criminal acts, fraud being committed upon this Court and other unethical practices, etc. being carried out against him *under the guise* of the above-styled case. Thus, piercing veil of the integrity, etc. of this Court.

4. There is a valid *Diversity Jurisdiction* issue present in the above-styled case *precluding* this Court from taking up the lawsuit brought *as it relates to Pedro Alonso-Ifil who appears to have been listed as a Plaintiff*; moreover, there appears to be a separate Trial set from that of other Plaintiffs in the above-styled case.

5. UNDISPUTED FACT: Pedro Alonso-Ifil **is not** a Citizen of the United States of America. **He is a Panama National** and/or **Native**.

6. UNDISPUTED FACT: Pedro Alonso-Ifil is **not** a Resident of the State of California – i.e. **Neither PRIOR** to the March 24, 2019, Greyhound Bus Accident at issue in the above-styled case, nor **AFTER**, and is **NOT currently** residing in the State of California. Information that was revealed during an August 28, 2020 Video Deposition Alonso-Ifil attended. Moreover, **further** discovery *will also reveal* Greyhound's and its Counsel's **knowledge** of such information that is *crucial/vital* in resolving the legal disputes and matters surrounding said accident.

7. UNDISPUTED FACT: On **March 24, 2019**, Pedro Alonso-Ifil was **a passenger** on Greyhound Bus No. 60590 (*that crashed*) at the time of the Accident *publicly* and nationally reported.

9. UNDISPUTED FACT: Greyhound Bus Driver **Ashton Rennick Castillo** has pled "GUILTY" to "Driving under the influence..."

10. Alonso-Ifil has *timely* contacted this Court to obtain information on “**how**” to get document(s) filed.

11. **UNDISPUTED FACT:** The Docket of this Court will support on or about **April 5, 2021**, Alonso-Ifil followed up with Court to determine whether his March 31, 2021, document entitled, “***NOTICE TO COURT OF INABILITY TO OBTAIN AUGUST 28, 2020, DEPOSITION TRANSCRIPT FROM ATKINSONBAKER***” was received, and, was advised, of options available to him for submitting document(s) to be filed with the Court.

CASE NO. 19CECG03480

16. The record evidence will support Defendant Greyhound’s **refusal to update its records** with *correct contact information* for Pedro Alonso-Ifil. At best, it is Alonso-Ifil’s duty and obligation to not only notify this *Court of fraudulent and criminal acts, etc. being carried out through said Defendant, but also that of its Legal Counsel Lewis Brisbois Bisgaard & Smith LLP*, in their efforts **of obtaining an undue advantage** in this matter due to their incompetence and/or inability to successfully defend against any and/or all claims that may be brought by Alonso-Ifil for the injuries/harm he sustained as a direct and proximate result of the *negligence...* of Defendant Greyhound and its Employee - ***Ashton Rennick Castillo*** [Greyhound Bus Driver] , etc. - who appear (from the Docket in this instant action), to also be a named Defendant.

17. There is a doctrine known as, ***“unclean hands!”*** This is exactly, *an accurate description of how* Defendant Greyhound and its Legal Counsel are before this Court in the above-styled case – i.e. with ***unclean hands!*** Thus, may warrant *investigations* regarding what appears to be said Defendant’s criminal acts being engaged in, in *desperate efforts to obtain* an *undue advantage!*

The doctrine is often stated as “*those seeking equity must do equity*” or “*equity must come with clean hands*”. This is a matter of protocol, characterized by A. P. Herbert in *Uncommon Law* by his fictional Judge Mildew saying (as Herbert says, “less elegantly”), “***A dirty dog will not have justice by the court***”. – As of 05/19/2021, cut and pasted from:

BRIEFING ROOM

FACT SHEET: President Biden to Sign Presidential Memorandum to Expand Access to Legal Representation and the Courts

MAY 18, 2021 • STATEMENTS AND RELEASES

Today, President Biden will sign a Presidential Memorandum to expand access to legal representation and the courts. As President Biden knows from his experience as a public defender, timely and affordable access to the legal system can make all the difference in a person's life—including by keeping an individual out of poverty, keeping an individual in his or her home, helping an unaccompanied child seek asylum, helping someone fight a consumer scam, or ensuring that an individual charged with a crime can mount a strong defense and receive a fair trial. But low-income people have long struggled to secure quality access to the legal system. Those challenges have only increased during the public health and economic crises caused by the COVID-19 pandemic. At the same time, civil legal aid providers and public defenders have been under-resourced, understaffed, and unable to reach some of the people in greatest need of their services.

Addressing the *adverse* impact of the United States' *legal system on indigenous people* – i.e. such as Alonso-Ifil. Furthermore, the *adverse impact* of Covid-19 on their lives **in correlation to the legal system!** (EMPHASIS ADDED) – i.e. The 08/28/2020, Deposition appears to provide Testimony advising how Covid-19 has adversely impacted Alonso-Ifil; moreover, Greyhound's Legal Counsel appears to be *making a mockery of the Deposition the pain Alonso-Ifil was enduring as a direct and proximate result of the March 24, 2019, Greyhound Bus Accident!*

19. Alonso-Ifil believes *an investigation* will support his good-faith efforts in retaining Counsel to represent him in legal and/or lawful actions against Defendant Greyhound and/or other applicable Parties responsible for the liability from injuries/harm sustained as a direct and proximate result of the March 24, 2020, Greyhound Bus Accident [Bus No. 60590] involving Bus Driver **Ashton Rennick Castillo**. Furthermore, the United States Congress passing House Report No. 92-238, addressing claimants' (as Alonso-Ifil) **inability** to take advantage of federal remedies available (i.e. as in this matter – INTERNATIONAL Remedies due to Alonso-Ifil's Panama Nationality...) without the appointment of counsel:

The United States Constitution as well as laws passed by the United States Congress will further support the need for the passing of **House Report No. 92-238**. Congress demonstrated its awareness that claimants might not be able to take advantage of the federal remedy without appointment of counsel. As explained in House Report No. 92-238:

By including this provision in the bill, the **committee emphasizes** *that the nature of . . . actions more often than not pits parties of unequal strength and resources against each other. The **complainant**, who is **usually a member of the disadvantaged class**, is opposed by an employer who . . . **has at his disposal a vast of resources and legal talent***

H.R. Rep. No. 238, 92nd Cong., 2d Sess., reprinted in 1972 U.S.C.C.A.N. 2137, 2148.

While the above may relate to an employment matter, Alonso-Ifil believes it *is relevant* and is provided ***in the context*** of this this instant matter to support the United States' President Biden's concerns about the ***adverse impact*** of the legal system on indigenous people ***when pitted*** against **"HUGE" Corporations (as Defendant Greyhound) who take advantage of the disposal of vast resources and ARSENAL of legal talent available to them!** Nevertheless, even in such cases (as this instant matter), Defendant Greyhound and its Legal Counsel come before this Court *with dirty hands* **and criminal motives/intent**, etc. in their ***desperate efforts of gaining an undue advantage out of fear of their inability to defend against claims brought and/or to be brought by Pedro Alonso-Ifil.***

20. Before this Court Defendant Greyhound may be asserting frivolous claims regarding Discovery; however, it is important to note that Alonso-Ifil is entitled to receiving "all" discovery material that may be alleged to have been served on him to answer; however, this **has NOT** been the case.

21. During an August 28, 2020, Deposition, Greyhound's Counsel (Gary A. Cerio ["Cerio"]) presented Exhibits that Pedro Alonso-Ifil **was NOT** familiar with and **had NOT** seen **prior** to said Deposition.

CASE NO.: 19CECG03480

**PLAINTIFF PEDRO ALONSO-IFIL'S
RESPONSES TO FORM
INTERROGATORY, SET ONE**

Complaint Filed: May 28, 2019
CMC Date: June 1, 2020

Neither Greyhound ***nor*** its Legal Counsel will suffer prejudice *from an investigation* into the handling of their allege Discovery Requests on Pedro Alonso-Ifil. Alonso-Ifil **NEVER** received any Discovery from his previous Attorneys (Accident Attorneys) *to answer*. Nevertheless, there appears to be ***a compromised*** signature on a Discovery request presented at the August 28, 2020 Deposition. Furthermore, there is evidence in said Deposition that appears *to support that Cerio having KNOWLEDGE* (as well as Testimony from Alonso-Ifil) *which seems to question the authenticity of a signature inserted in a VERIFICATION "FORM!"* A *Verification Form* which is clearly **NOT** of the initial "*Interrogatory, Set One*" that it appears to accompany; however, was **INSERTED with willful, false and malicious intent** to cause Alonso-Ifil *further injuries/harm, etc.* as that evidenced through this instant Notification in the above styled case.

VERIFICATION

FORM No. 2

Verification of Pleading (Code Civ. Proc., § 446)
Declaration under Penalty of Perjury Form (Code Civ. Proc., §§ 446, 2015.5)

by Party

CASE TITLE Mays, Alonso-Ifil, et al. v. Greyhound Lines, Inc., et al.

I, Pedro Alonso-Ifil, declare:
(Name)

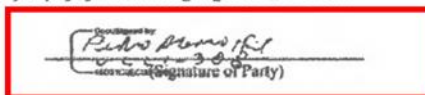

I am the Plaintiff in the above-entitled matter.

I have read the foregoing Responses to Form Interrogatory (Set One)
(pleading, e.g., complaint) and know the contents thereof.

The same is true of my own knowledge, except as to those matters which are
therein stated on information and belief, and, as to those matters, I believe it to be true.

Executed on May 15, 2020 at Los Angeles
County, California.

I declare (or certify) under penalty of perjury that the foregoing is true and correct.

Signature of Party

22. It is due to what Alonso-Ifil believed to be UNETHICAL practices that **adversely** impacted the above-styled lawsuit, which resulted in the JUSTIFIED FIRING of Accident Attorneys and its Attorneys in representing him before *any* Court of LAW (should it become necessary to take matter to Trial)!

§ 4 ATTORNEY & CLIENT

7 C. J. S.

→ His first duty is to the courts and the public, not to the client,⁵⁵ and wherever the duties to his client conflict with those he owes as an officer of the court in the administration of justice, the former must yield to the latter.⁵⁶

The office of attorney is indispensable to the administration of justice and is intimate and

peculiar in its relation to, and vital to the well-being of, the court.⁵⁷ An attorney has a duty to aid the court in seeing that actions and proceedings in which he is engaged as counsel are conducted in a dignified and orderly manner, free from passion and personal animosities, and that all causes brought to an issue are tried and decided on their merits only;⁵⁸ to aid the court

*“His **first** duty is to the courts **and** the public, **not** to the client, and wherever the duties to his client conflict with those he owes as an officer of the court in the administration of justice, the former must yield to the latter.” - - 7 C.J.S. § 4 ATTORNEY & CLIENT.*

Thus, if such a conclusion is worth the paper it is written on, it is a good thing that Alonso-Ifil **“FIRED”** Accident Attorneys from representing him, and, said finding, sustain valid concerns of his *inability* to retain TRUSTWORTHY Legal Counsel to represent him **PRIOR to reaching out to the Utica International Embassy** and sharing his Testimony of what transpired that resulted him winding up in the “PRO SE” status – i.e. after having been *previously* scammed/duped by Accident Attorney and/or its Attorneys in the above-styled matter.

23. It appears that Defendant Greyhound and its Legal Counsel Lewis Brisbois has KNOWLEDGE of this Court's LACK OF JURISDICTION, and, therefore, are in denial and refusing to update their records and/or contact information for Alonso-Ifil.

24. Alonso-Ifil believes that *Rule 11 Sanctions* are applicable of and against Defendant Greyhound and its Legal Counsel in that any such documents/pleadings filed in the above-styled case *alleged* to be against him, are merely being submitted with *willful, malicious and vexatious intent*; moreover in bad faith to *increase the costs of litigation*, intimidation, harassment, threats, blackmail, extortion and subject him to further injuries/harm as well as *for other reasons known* to said named Defendant.

25. From the evidence provided in this instant Notification, this Court can see that good-faith discovery is underway; moreover, DISCOVERY evidence as: (a) documentation [i.e. Request for Admissions, Interrogatories, Request for Production, etc.]; (b) *Video from the video camera* on Greyhound Bus Number 60590 that was involved in the March 24, 2019 Accident in question and/or that is at *the crux* of legal matters brought by Pedro Alonso-Ifil; (c) Video from August 8, 2020 "VIDEO" Deposition – i.e. in that there appears to be Testimony regarding EVIDENCE to support the life-threatening and unwarranted trauma/injuries/harm, etc. he sustained while being thrown around during this *horrific accident* from which Alonso-Ifil (**to date**) continues to suffer from as a direct and proximate result of Defendant Greyhound's NEGLIGENCE, etc.

26. Alonso-Ifil believes that INVESTIGATIONS may be warranted into (what appears to be) Greyhound and/or its Lawyer's (Lewis Brisbois) engagement in fraudulent and criminal practices, etc. before this Court as it relates to the above-styled case.

WHEREFORE PREMISE CONSIDERED, for the reasons set forth in this instant:

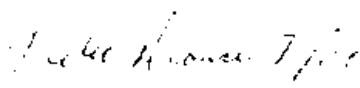

NOTIFICATION OF NON-ATTENDANCE AT May 25, 2021 HEARING and GOOD-FAITH REQUEST FOR REMOVAL OF May 25, 2021 HEARING and June 21, 2021 TRIAL FROM COURT'S CALENDAR

Pedro Alonso-Ifil **will NOT** be attending the May 25, 2021, Hearing and request that it **be REMOVED from this Court's Calendar.** Moreover, that the proposed Trial for June 21, 2021, **also be REMOVED** *from this Court's Calendar in the interest of Justice* and other reasons known to this Court to deter the fraudulent and criminal acts, etc. of Defendant Greyhound and its Legal Counsel (Lewis Brisbois)!

PLEASE BE ADVISED: Pedro Alonso-Ifil reserves the right to amend this instant Notification should it become necessary and or may be deemed necessary to do so.

RESPECTFULLY SUBMITTED, this 20th day of May 2021.

Upon conducting research to find a **working** Facsimile Number for Lewis Brisbois Bisgaard & Smith LLP, Alonso-Ifil found two [(415) 434-0882 and (213) 250-7900] that provided positive results and are being used should the reported (925) 478-3260 FAIL! Greetings!

My name is Vogel Denise Newsome and I am presently serving as the Prime Minister for the Chickasaw Tribal Nation ("CTN") and Utica International Embassy ("UIE"). This is to advise that Pedro Alonso-Ifil ("Alonso") has reached out to the Utica International Embassy and/or its Official(s) requesting *assistance* in the above referenced matter.

It appears that Legal Counsel involved in this referenced lawsuit may be aware that Alonso *is NOT a Citizen* of the United States of America **NOR** *a resident* of the State of California! Alonso is a National/Citizen of the Republic of Panama. Therefore, in accordance with the Statutes/Laws governing such matters, we are notifying the Republic of Panama Officials (i.e. through their Permanent Mission of Panama to the United Nations [New York]) of the above referenced lawsuit involving a Panama National (Alonso).

INTERNATIONAL LIAISON

IMPORTANT TO EMPHASIZE: The UIE **is NOT** a Movement! The UIE is a Legally and/or Lawfully formed Government Entity and **is NOT** affiliated **NOR** an Agency of the United States of America/United States DESPOTISM Corporate Empire and has been created and opened **to serve as a LIAISON between its Citizens and/or Supporters** (i.e. specifically Natives, Native Americans as well as those *who have been LABELED* Blacks/Negroes/African-Americans/People-Of-Color) of this NEW Government in FOREIGN/INTERNATIONAL matters as it relates to their SOVEREIGNTY, IMMUNITIES, PRIVILEGES and RIGHTS, etc. that are being INFRINGED upon through WAR Crimes – i.e. Crimes Against Peace, Crimes Against Humanity, War Crimes, etc. – by the USA/United States’ DESPOTISM Corporate Empire and the WHITE Jews/Zionists/Supremacists that CONTROL and RUN this Despot. –

Please be advised, for some of you in receipt of this correspondence, you may have never heard of the *Chickasaw Tribal Nation* and/or its *Utica International Embassy* (opened to provide certain *Legal/Lawful assistance to those who may not be of Chickasaw descent...* nor Citizens of the United States of America [as Alonso]). However, the United States of America’s President (Executive Branch), United States Congressional Members (Legislative Branch), and Supreme Court of the United States’ Justices (Judicial Branch) know who we are and *are going through great lengths and engaging in War Crimes and other criminal acts, etc. to keep the World and others* (such as those hearing of us for the first time through this instant correspondence) *from hearing and/or learning of us!* My Bio may be found at the following link on our Embassy’s website:

In fact, as early as **November 12, 2008**, the United States President-Elect Barack Obama was timely, properly and adequately notified of my *Mission and Purpose*; wherein, advising my addressing,

RE: UPDATE AND URGENT REQUEST REGARDING: Emergency Complaint and Request for
Legislature/Congress Intervention; Also Request for Investigations, Hearings and Finding

Dear President-Elect/Senator Obama:

CONGRATULATIONS on your November 4, 2008 **PRESIDENTIAL** Victory!!!! Truly history was made on this date and America spoke for CHANGE. Congratulations to you,

I believe you will find not only from my July 13, 2008 Complaint filed with the Legislature/Congress, but also with the FBI that I am definitely in the trenches fighting for the little people and have been doing so since leaving Florida A & M University ("FAMU"). However due to the systematic prejudices and injustices which has plagued African-Americans and/or people of color – justice has been delayed; however, now with the new administration, not denied and believe the laws will be applied equally, just and fair.

I take the fight for Civil Rights and many other protected rights very seriously and believe you will find from the documentation provided you and/or sent you that this is true. Not only that that I was fighting for such causes during the times you were working in the communities – just in different states. I am still fighting and will continue to fight; however, like you advised you are going to need us working with you as President in our communities. I am going to need you working for me as well as those on whose behalf I am fighting for while you are our President and believe this can be done (YES WE CAN!!!!). Therefore, please take the time to review the attached documents as well as the July 13, 2008 Complaint sent to your attention and advise or have your Aid(s) contact me regarding the status.

There is record evidence to support that on or about **January 10, 2012**, the United States' Nazi/Zionist Officials were timely, properly, and adequately notified that **"INTERNATIONAL Military Intervention May Be Necessary"** to assist the Natives and those who have been LABELED by the White Man as being: Niggers, Blacks, Negroes and African-Americans...should to United States FAIL to remedy the War Crimes, Criminal and Civil violations, etc. reported! Said correspondence, provided the United States **sufficient time** to CLEAN UP their Corporation's criminal acts and other War Crimes... being carried out against the Civilian Population – i.e. which specifically target what have become known as **"protected class"** of people!

On or about January 6, 2021, the United States' Nazis and Zionists launched an INSURRECTION TERRORIST Assault on one of their Corporate Offices in Washington, D.C. as the World watched in HORROR...!

The United States' January 6, 2021, INSURRECTION Terrorist Assault was taken right out of Germany's Playbook and was a move Nazi/Third Reich Leader Adolf Hitler used during the **"Beer Hall Putsch;"** wherein, Munich was to be used as a *launching pad* against Germany's Weimar Republic government!

The January 6, 2021, Insurrection **DEBACLE** resulted in public exposure of a "GERMAN/NAZI" occupation within the lands/territories presently known as the United States of America!

While the United States' Nazi and Zionist Officials, their Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz and Co-Conspirators *thought the World and Native Nations were sleep and unable to see their SINISTER plans to accomplish their NEW World Order Agenda, the World and Native Nations*

are fully AWAKE! Moreover, the CTN through its UIE is moving forward in bringing the United States' Nazi and Zionist Officials, etc. to justice! This POWER move is not unprecedented! **AFTER** World War II, the World said, **"NEVER AGAIN!"** Nevertheless, here the World is **AGAIN** and there **is** recorded evidence that Germany and Great Britain... dumped **their TRASH** (through covert paramilitary operations as **"Operation Paperclip"**) here on our SOIL (disguised as Refugees/Immigrants) and **have ALLOWED** them to **CONTINUE** the work **and NEW World Order Agenda of Adolf Hitler**, Germany, Great Britain and their United States Corporation/Company here within our Lands/Territories presently known as the United States of America!

It has been a long-standing FACT of the “DANGERS” of MONOPOLIES to the Economy (Globally and/or Worldwide); nevertheless, such unlawful dangerous monopolies *were allowed* to flourish and today (as we look around the World), we can see the ECONOMIC CATASTROPHIC *impact!* PRIOR to the United States’ President Donald John Trump and his Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz having me KIDNAPPED on March 25, 2019, *timely notification* of the United States’ Nazi and Zionist Monopolies were made known and our moving forward in investigations and prosecution through “INTERNATIONAL” Tribunals, etc. A copy of our January 7, 2019, correspondence may be found at the following links:

After decades of uncertain if not turbulent times, stock market business boomed in the late 1950s. This spurred officials to find new, more suitable accommodation. The work on the new [Stock Exchange Tower](#) began in 1967. The Exchange's new 321 feet (96 metre) high building had 26 storeys with council and administration at the top, and middle floors let out to affiliate companies. [Queen Elizabeth II](#) opened the building on 8 November 1972; it was a new City landmark, with its 23,000 sq ft (2,100 m²) trading floor.

1973 marked a year of changes for the Stock Exchange. First, two trading prohibitions were abolished. A report from the [Monopolies and Mergers Commission](#) recommended the admittance of both women and foreign-born members on the floor. Second, in March the London Stock Exchange formally merged with the eleven British and Irish regional exchanges, including the [Scottish Stock Exchange](#).^[1] This expansion led to the creation of a new position of [Chief Executive Officer](#); after an extensive search this post was given to Robert Fell. There were more governance changes in 1991, when the governing Council of the Exchange was replaced by a [Board of Directors](#) drawn from the Exchange's executive, customer, and user base; and the trading name became "The London Stock Exchange".

[FTSE 100 Index](#) (pronounced "Footsie 100") was launched by a partnership of the [Financial Times](#) and the Stock Exchange on 3 January 1984. This turned out to be one of the most useful indices of all, and tracked the movements of the 100 leading companies listed on the Exchange.

Trafficking has turned into a big business: according to the [Congressional Research Service], trafficking in people represents the third largest source of profits for organized crime after drugs and guns, generating billions of dollars each year. Organized crime groups operating within and across borders often run trafficking networks. These networks are structured, organized, well-funded, and operated beyond the reach of law enforcement. Some traffickers are individuals or small groups that traffic people for specific purposes.

Out of courtesy (*although NOT required* because the United States is merely a “*privately held company*”) we have timely, properly and adequately notified the United States’ Nazi and Zionist Officials and their Legal Counsel Baker Donelson of our moving forward. Furthermore, are in the process of organizing a “**SPECIAL International Task Force**” to assist in the handling of Investigation(s) and Prosecutions of United States’ Nazi and Zionist Officials for War Crimes and other Criminal Act, etc. A copy of the April 16, 2021, correspondence regarding this historical mission may be found at the following links:

https://uticainternationalembassy.website/images/uie_PDF/041621_Special-Task-Force-REDACTED_Letter.pdf

Again, the World and Native Nations are finding themselves under *vicious and salvage* Terrorist Attacks by Germany’s, Great Britain’s/England’s and their United States Corporation’s Nazi and Zionist Officials who just *knew they were on their way in pulling off one of the most HIDEOUS War Crimes (Enslavement* of Native Nations and/or Nations of Color); however, they NEVER thought that Native Nations as the *Chickasaw Tribal Nation, Venezuela, Nicaragua, Panama, Iran and North Korea*, etc. would RESIST and/or CONTEST these **unlawful** practices! Instead, Native Nations **are RISING** and relying on some of the SAME processes (*as the Nuremberg Trials* used to prosecute Adolf Hitler and Third Reich Regime Officials...) to bring the United States’ Nazi and Zionist Officials and their Legal Counsel Baker Donelson as well as Co-Conspirators to JUSTICE!

AFTER World War II, the WORLD said, NEVER AGAIN!

OPERATION GREYLORD

It was called **OPERATION GREYLORD**, named after the curly wigs worn by **British** judges. And in the end—through **undercover operations** that *used honest and very courageous judges and lawyers posing as crooked ones...* and with the strong assistance of the Cook County court and local **police—92 officials had been indicted**, including 17 judges, **48 lawyers**, eight policemen, 10 deputy sheriffs, eight court officials, and one state legislator. Nearly all were convicted, most of them pleading guilty (just a few are shown in our photo). It was an important **first step** to cleaning up the **administration of justice** in Cook County.

Investigations of Public Corruption Rooting Crookedness Out of Government

It was called **OPERATION GREYLORD**, named after the curly wigs worn by **British** judges. And in the end—through *undercover operations that used honest and very courageous judges and lawyers posing as crooked ones...* and with the strong assistance of the Cook County court and local police—**92 officials had been indicted**, including 17 judges, **48 lawyers**, eight policemen, 10 deputy sheriffs, eight court officials, and one state legislator. Nearly all were convicted, most of them pleading guilty (just a few are shown in our photo). It was an important first step to cleaning up the administration of justice in Cook County....

Who's investigated? Public servants: members of Congress and state legislatures; members of the Administration and governors' offices; judges and court staffs; all of law enforcement; all government agencies. Plus everyone who works with government and is willing to pay for "special favors": lobbyists, contractors, consultants, **lawyers**, U.S. businesses in foreign countries, you name it.

What kind of crimes? Bribery, kickbacks, and fraud. Vote buying, voter intimidation, impersonation. Political coercion. **Racketeering and obstruction of justice**. Trafficking of illegal drugs.

How serious of a problem is it? Last year the FBI investigated 850 cases; brought in 655 indictments/informations; and got 525 who were either convicted or chose to plead...

Last words: Straight from Teddy Roosevelt: "***Unless a man is honest** we have no right to keep him in public life, it matters not how brilliant his capacity, it hardly matters how great his power of doing good service on certain lines may be...**No man who is corrupt, no man who condones corruption in others, can possibly do his duty by the community.***" - - As of 04/26/2021:

HOW Did We Get Here?

Please find a copy of an August 28, 2020 Deposition regarding the above referenced matter at the following links:

From our understanding, *several good-faith efforts* have been made by Pedro Alonso-Ifil to resolve this matter; however, said efforts **have failed** resulting in him coming to the Utica International Embassy and advising us of what *he believes* to be his former lawyers **and** Defense Counsel engaging in criminal acts, conspiracies, corruption, harassment and other unlawful practices that *are* contributing to additional injuries/harm as well as are adversely impacting his safety, health, mental and physical wellbeing, etc.; thus, infringing upon his protected rights, privileges, freedoms, and liberties... guaranteed him under the applicable Statutes/Laws governing such matters.

Not only does the Superior Court Of The State Of California – County of Fresno – **LACK Jurisdiction** to handle matters involving Pedro Alonso-Ifil, we have serious concerns of lawyers/attorneys involved in the above referenced lawsuit *engaging* in criminal acts – i.e. as **fraud upon the Court** and more – as well as burdening Taxpayers with financing their Racketeering Schemes/Scams...!

When Alonso requested a copy of the August 8, 2020 Deposition, obstacles were put in place (through the conspiracies launched) **to obstruct** him from obtaining a copy for preservation purposes. Nevertheless, as evidenced above, we have been able to assist Alonso **in preserving** such critical and crucial evidence for his records! For instance, said Deposition supports **“KNOWLEDGE”** that Accident Attorneys

Nevertheless, said fraudulent response was presented (it appears) at an August 28, 2020, Deposition as **"EXHIBIT 4"** with lengthy questioning regarding the answers provided and signature thereon! Moreover, it appears from the review of the *Court's docket entries* in the above referenced matter, Greyhound's Lawyers/Attorneys **are using** such document(s) with **"KNOWLEDGE"** it **is fraudulent,** etc.

It appears that the Lawyers/Attorneys involved in this matter are determined to take this matter **to TRIAL** although (in accordance with statutes/laws governing such matters) they are mandatorily required to **mitigate** damages, injuries and/or further harm, etc. to Pedro Alonso-Ifil!

PLEASE BE ADVISED: Due to **the FACT** that the United States of America as well as its Courts... **are** “privately held companies,” that **if** the Defendants in the above referenced lawsuit as well as additional Defendants (i.e. *as FirstGroup, President of the United States, United States of America, and Queen Elizabeth II, etc.*) that may be added, **insist on bringing this matter to TRIAL**, that we will seek to have said Trial(s) through *the applicable* INTERNATIONAL Tribunal(s) **and NOT** through the United States’ fraudulent Judicial System **NOR** its and its Co-Conspirators’ “NEW” World Order Court[s] (i.e. known as the **International Criminal Court...**). For those who may not be aware, the United States’ Nazi and Zionist Officials as well as Great Britain Officials (i.e. as Queen Elizabeth II...) have been *timely, properly and adequately* **notified** of the “INTERNATIONAL” options **available to us** to remedy as well as provide legal and/or lawful *alternatives* to Native Nations and their Officials/Citizens/People to have their disputes heard, etc.

<https://uticainternationalembassy.website/icc-vs-irt>

We hope that each of you understand the **serious, critical and crucial...** nature of this matter and work with us to *amicably* resolve matters regarding the injuries/harm Pedro Alonso-Ifil sustained and continues to suffer from as a direct and proximate result of the March 24, 2019 Greyhound... Accident!

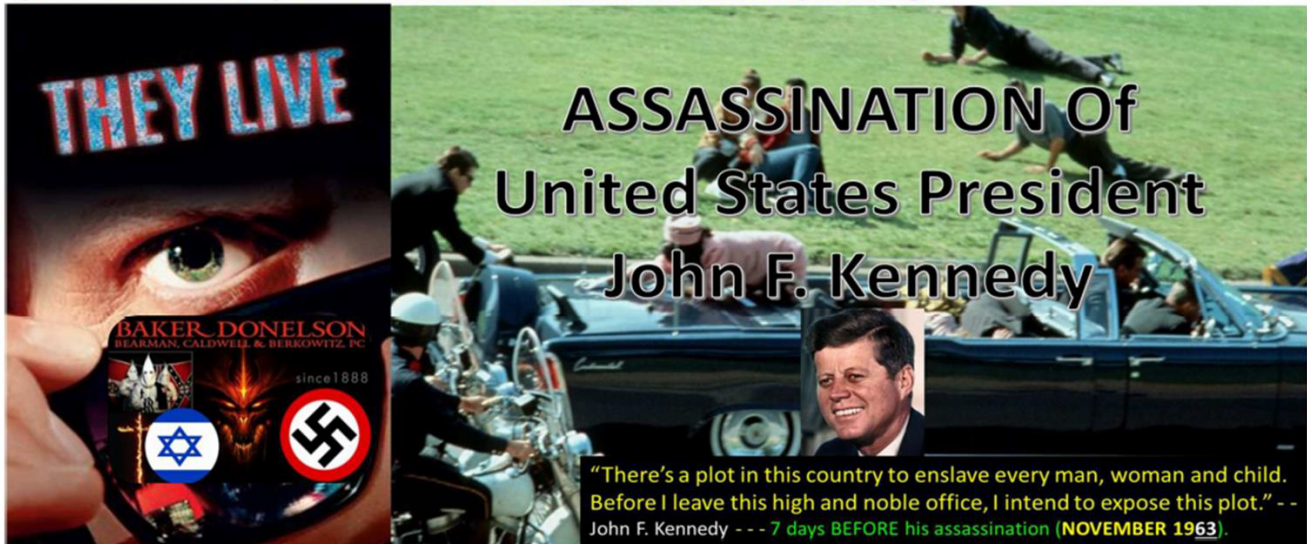

Through this instant correspondence, **The Republic of Panama’s** Officials are also being notified of the above referenced lawsuit involving one of their Nationals (Pedro Alonso-Ifil) as well as our concerns regarding Alonso’s **SAFETY and SECURITY**, etc. because of the United States’ Nazis’ and Zionists’... **well-established** track record of engaging in RETALIATORY practices (which involve Assassinations/ Murders and KIDNAPPINGS [i.e. *disguised as arrests...*]) to silence the voices of those exposing their: War Crimes, Criminal Acts, Corruption and other Atrocities against the Civilian/Human Population...!

With the United States' Courts *being closed* to the Chickasaw Tribal Nation as well as its Utica International Embassy Officials – i.e. **in VIOLATION** of “*Terms and Conditions...*” of the **TREATIES** and International Laws... - we are utilizing any/all lawful options available to us as we move forward. The so-called United States of America (as well as its States [as California]) encompasses Native Lands/Territories!

Thank each of you for your time and consideration regarding this matter. At this time, we are requesting that each of you please update your records *to provide* the Utica International Embassy (Official[s]) with a **copy** of **all** documents/pleadings submitted to the Court in the above referenced matter as well as provide us with a copy of **all** documents/pleadings submitted to Pedro Alonso-Ifil for his review and consideration, etc. regarding same to us at our mailing address **and** email (i.e. *as a two-step process to assure receipt of correspondence regarding the above referenced matter*) at:
