RE: Utica International Embassy Delegation's Travels To The United Nations

Greetings!

We come to each of you in Love, Truth, Peace, Freedom and Justice!

Please be advised, that we are sending *a Delegation* to the United Nations in New York as we move forward *in the healing and restoration processes* of our Native Nations (i.e. that have been labeled as Nations of Color). In doing this, we are working through *unified and collective* measures in accomplishing these *Historical Missions* and pray for your Nation's / Government's support (*via moral and financial*, etc.) in that the monies set aside for the Chickasaw Tribal Nation have been outlined through provisions of the Treaties and were required to be set up in Trust Accounts!

IMPORTANT TO NOTE: We are a **LAWFULLY** recognized Nation (Chickasaw Tribal Nation) with a Government Embassy (Utica International Embassy ["UIE"]). We are **NOT** a Terrorist Organization and neither are we on any Terrorist Listings. Furthermore, we are **NOT** an Organization **NOR** Corporation (as that of the United States of America / United States). Neither are we required to register our lawful Nation under the United States' Corporation Empire! With that being said, we are moving forward in accordance with our April 16, 2021,

United Nations **Request for a** “*Special International Task Force*” as well as our May 4, 2021, “*Worldwide Press Release.*” We have an UIE Delegation of approximately Four (4) to Six (6) People coming to the United Nations as we continue forward in bringing legal and / or lawful solutions to resolve the adverse situations that are plaguing / afflicting Native Nations *as a direct and proximate result of the illegal and / or unlawful SANCTIONS of the United State and its Co-Conspirators!*

At the present time, we *are requesting* **financial assistance** associated with our United Nations Trip in the amount of approximately \$4,000 (U.S. Dollars) – i.e. to cover Travel & Hotel expenses at this time. An Itinerary – addressing the topics to be discussed during this trip:

- ✓ *Security Protocols and Travel Documentation... for CTN/UIE Officials and /or those using Services through our Embassy*
- ✓ *Assistance With Preparation Of Warrants For Arrests, Extraditions and Prosecution*
- ✓ *Setup Of Special Court(s) To Handle “Nazi And Zionist International” Trials*
- ✓ *Assistance With Investigation(s) and Prosecution(s)...*
- ✓ *Lifting Of “ALL” United States Sanctions Against Sovereign Nations and Their Officials/Citizens*

has been drafted and will be made available *prior to or shortly after* our arrival.

Due to **the CONSTANT** threats on my life *and others*, we will also be requesting assistance in UIE Embassy Office setup(s) – here within what is presently known as the United States of America and abroad - ***in good-faith efforts to deter further interference*** by the United States’ War Crimes Enforcers (i.e. disguised as Law Enforcement, Police Department, Sheriff’s Department, Federal Bureau of Investigation, Central Intelligence Agency...) ***to obstruct our progress...!***

The United States of America's / United States' Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz' *inability to beat us in a Court of Law* has resulted in their Lawyers / Attorneys holding "SECRET" *conspiracy* meetings and using their "Kangaroo Courts" to engage in War Crimes and other Criminal Acts to have me Kidnapped and Assassination attempts on my life in their *failed* efforts to prohibit the CTN/UIE from filing the applicable International Tribunal actions and documents. Therefore, in accordance with the Treaties as well as International Laws governing such matters, we are *legally* and / or *lawfully* **entitled to seek recourse** through International / **Foreign** Nation Tribunals (*as Venezuela's...*) to assist us in our matters *until we are able to get our Courts and Judicial System completed!*

We thank *the Bolivarian Republic of Venezuela, its President Nicolas Maduro / Vice President Delcy Rodriguez and other Officials as well as their Citizens / People in understanding such critical / crucial issues and the Historical achievements (through unification) we are bringing. Please understand, we have the same ADVERSARIES / OPPRESSORS! Therefore, let up please move beyond petty differences and UNIFY on matters that are important to FREE our Native Nations from the EVILS / WICKEDNESS of the White Man / European Nations and their "NEW" World Order Agenda for GLOBAL White Supremacy over "ALL" Nations of Color by any means necessary... as they continue to seek to FINANCIALLY benefit from the resources that our Lands / Territories... bring as Native Nations and their Citizens / People suffer...!*

It does not seem as through Venezuela's Office at the United Nations is open – i.e. perhaps due to the United States' Nazi and Zionist Officials' and their Legal Counsel's THREATS made against Venezuelan Officials... Therefore, we will continue to try and reach out *through Venezuela's Foreign Embassies / Consulates Worldwide* as well as through "Twitter" Tweets regarding this matter.

Please be advised that *the processes we are using are lawful* and not in violation of International Laws governing these matters. Moreover, *are similar to the processes used to bring Nazi Germany's Adolf Hitler and his Third Reich Regime Officials... to JUSTICE!*

By copy of this letter, we are also notifying the following Nations of our upcoming United Nations visit – i.e. requesting unified / collective support from them as well:

Socialist Republic of Vietnam – Through *Permanent Representative of Viet Nam* to the United Nations (New York)

Federal Democratic Republic of Ethiopia – Through *Permanent Mission of Ethiopia* to the United Nations (New York)

Republic of Panama - *Permanent Mission of the Republic of Panama* to the United Nations (New York)

Should either of you (and those receiving a copy of this correspondence) have any questions, please do not hesitate to contact us at (888) 700-5056 **and** email (using our two-step process to assure our knowledge of your contact efforts):
