as well as the subsequent filings of each of the above.

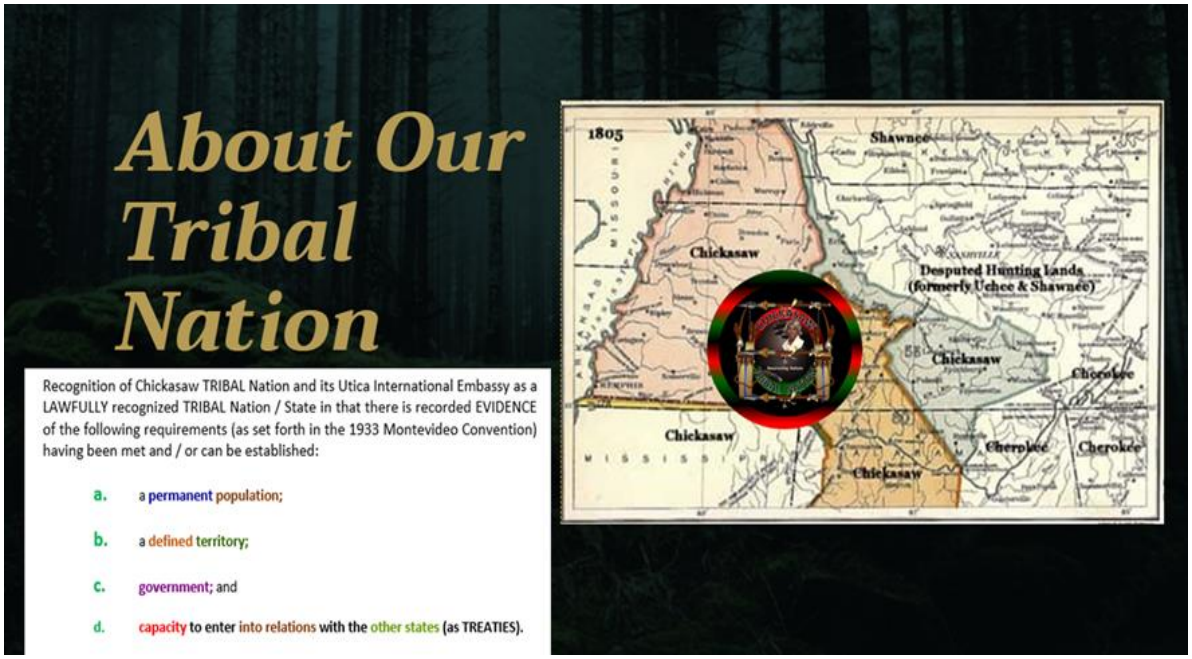

PLEASE BE ADVISED that the Chickasaw Tribal Nation is ready to move forward regarding SELF-Government and SEPARATION from the United States of America's / United States' (USA) fraudulent and criminal Organization / Empire!

> "And I heard another voice from heaven, saying, Come out of her [SEPARATE], my people, that ye be not partakers [complicit / co-conspirator] of her sins [evil deeds / wickedness / war crimes], and that ye receive not of her plagues [punishment]." Revelation 18:4 (Holy Bible – King James Version)

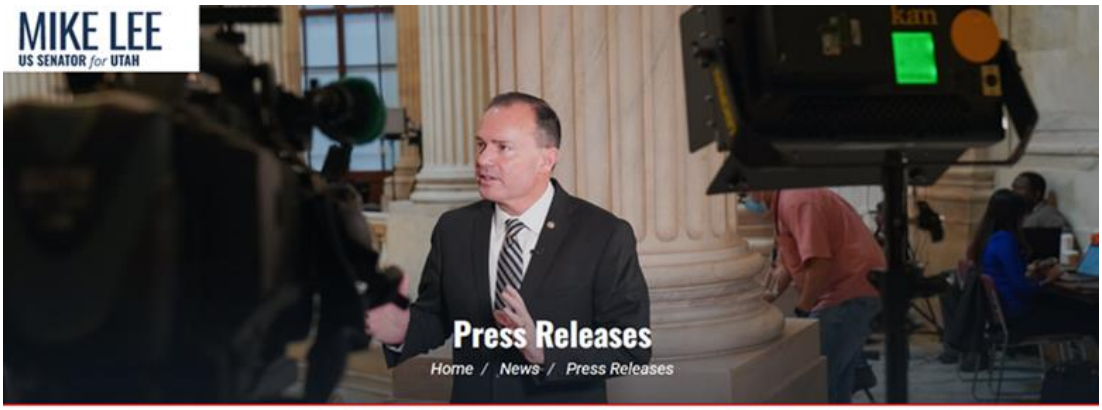

Said Tribal Nation seeks assistance with having their "MESSENGER" in place at the United Nations **by 27 NOVEMBER 2026** and / or **NO LATER than 4 DECEMBER 2026** to serve as ***"Liaison"*** **between the** Chickasaw Tribal Nation as well as its Utica International Embassy (through which many Black Indians and / or other Black Tribal Nations utilize Services) **and the** United Nations and / or its Member States with getting the following matters resolved beginning with – i.e. however, not limited to the following in that we must begin somewhere:

(1) Getting an Office set up for the Chickasaw Tribal Nation (CTN) at the United Nations in an **"OBSERVER"** capacity **(by 27 NOVEMBER 2026 and / or NO LATER than 4 DECEMBER 2026)** through **TRANSITION Phase** into **SELF-Government** as well as to provide Office for their **"MESSENGER"** who will be serving as an ***ON-SITE Liaison*** **between** the CTN **and the** United Nations and / or Member States;

Identified NATIONALITY - Chickasaw

NOT only are there reports that the United States of America (a PRIVATELY Held Company) Officials **have drafted Legislation to WITHDRAW from the United Nations** – i.e. wherein, PRIVATELY held companies **CANNOT** be Members of the United Nations – said DRAFT Legislation **further supports the EXPULSION** of the USA, **DECLARING USA Membership in the United Nations UNLAWFUL** and supporting the **DISSOLVING** of the USA Corporation Empire! Moreover, allowing for the Chickasaw Tribal "MESSENGER" to assume the Seat of the United States of America in the INTERIM through the TRANSITION Phase UNTIL such EXCEPTIONAL and EXTRAORDINARY matters may be resolved!

Lee introduces DEFUND Act to Pull USA from UN

February 20, 2025

WASHINGTON – Sen. Mike Lee (R-UT) has introduced the Disengaging Entirely from the United Nations Debacle (DEFUND) Act, which calls for the United States' complete withdrawal from the United Nations (UN). This legislation addresses grave issues of national sovereignty and fiscal accountability which have plagued US involvement in the UN. The DEFUND Act is co-sponsored in the Senate by Sens. Marsha Blackburn (R-TN) and Rick Scott (R-FL) . House Armed Services Committee Chairman Mike Rogers (R-MI) and Representative Chip Roy (R-TX) are introducing the companion bill in the House of Representatives.

"No more blank checks for the United Nations. Americans' hard-earned dollars have been funneled into initiatives that fly in the face of our values, enabling tyrants, betraying allies, and spreading bigotry," **said Sen. Mike Lee.** *"With the DEFUND Act, we're stepping away from this debacle. If we engage with the UN in the future, it will be on our terms, with the full backing of the Senate and an iron-clad escape clause."*

(2) Having a Person (Human Body) in place to assist with issues as Prime Minister Newsome's regarding:

* **"INTERNAL DISPLACEMENT / WHITECAPPING"** Matter

* USA's Theft / Embezzlement of ***BENEFICIARY Benefits*** (i.e. in that she is also seeking to have the United States of America AUDITED for purposes of determining STATUS of BLACK Indians "TRUST Accounts" as well as what appears to be THEFT / EMBEZZLEMENT of Monies for purposes of BUILDING UP Nazis' / White Supremacists' / Jewish / Zionists' . . . Operations – i.e. their Cities, Communities, Colleges and MUCH more. . .as well);

* **CARVE OUT Demand** presented and to assist with moving forward on the **"EMERGENCY 60-Days VETO-Proof PROCEDURAL Agenda"** [i.e. in that it appears that the United Nations *may not* be familiar with such LAWFUL requests coming from the OUTSIDE (NON-Member States / Nations) and, therefore, the CTN being willing to guide through the process]

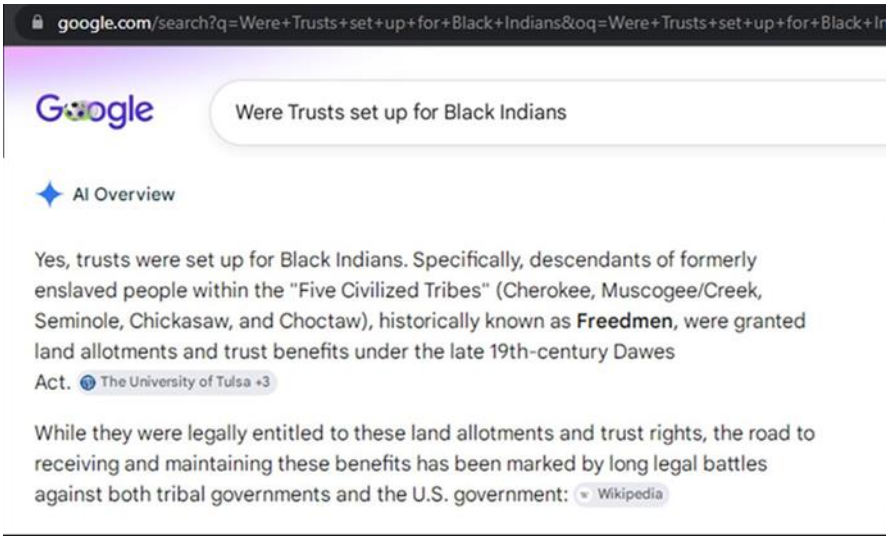

IMPORTANT TO NOTE: Other BLACK Indians have reached out through the CTN's Utica International Embassy requesting assistance with filing claims (i.e. involving ***Wrongful Death, Kidnapping and False Imprisonment*** **[being subjected to TORTURE], Foreclosure / Probate Scams, Unlawful EVICTION Scams / WHITECAPPING Operations resulting in INTERNAL Displacement,** Victims of ***Ku Klux Klan Traffic Stops / Operations*** . . . as well as being Victims of:

WAR Crimes, Crimes Against Humanity, Violation(s) of Geneva Convention on the Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, Violation(s) of Chemical Weapons Convention (1997), Violation(s) *Convention Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment* (Torture Convention), Violation(s) of *Convention on the Prevention and Punishment of the Crime of Genocide* (Genocide Convention) and other Atrocities. . .

and **wanting to file for RESTITUTION and / or REPARATION Relief, etc.); and**

(3) Work on getting the IMMEDIATE Release of Venezuela's President Nicolas Maduro and his wife (Cilia).

PLEASE BE ADVISED, while there may be concerns regarding the **FINANCING** of such Lawful and Historical Operations, please be advised that **TRUST Accounts** for our Tribal Nation, its Citizens / People as well as other BLACK Indians – i.e. LABELED "Freeman. . ." – were established!

Therefore, the Chickasaw Tribal Nation seek the use of said funds from said **TRUST Accounts** to get matters moving. **IF** the United States and / or United Nations **may want to assert funding / monies NOT being available at either or both, please provide reason(s) for WHY NOT!**

Through this instant communication, the CTN further seeks the providing of a **"CONTACT Person"** (with Phone and Email information) **for each NON-Permanent Member State presently serving on the United Nations Security Council** ***for purposes of providing us with a direct line of communication while addressing*** said matters and / or other related issues. We ask that said Contact Person(s) provide direct phone number [in that many of the United Nations phone number for many of its Member States seem to be "BAD" and / or "NON-WORKING number] **and** email(s). Then follow up with a Phone call to verify receipt due to the United States of America's Officials', their Legal Counsel's (Baker Donelson Bearman Caldwell & Berkowitz) and / or Co-Conspirators' **KNOWN attacks on my LIFE as well as our Officials' LIVES** – i.e. further supporting good-faith efforts on Member States behalf.

PLEASE BE ADVISED: Through this instant communication, the Chickasaw Tribal Nation advising of concerns of **MALICIOUS DILATORY acts** by the ***United Nations Human Rights Office of the High Commissioner*** in the handling of **UNCONTESTED 22 JUNE 2024 Complaint** and subsequent Filings appear being ***due to efforts of aiding and abetting*** the United States of America's President Donald John Trump, his Administration and Congressional Members, their Legal Counsel (Baker Donelson) and CO-Conspirators in ***"buying time"*** **as they seek to locate me** (Prime Minister Vogel Denise Newsome) – i.e. in that such LAWFUL Filings / Moves **have UPENDED** their NAZIS' / WHITE Supremacists' / Ku Klux Klan's / Jewish / Zionists' . . . **"NAZISM" / "NEW Order" / "Beer Hall Putsch" / "For WORLD-Union of WHITE Races"** . . . Operations for GLOBAL White Supremacy **OVER "ALL" Native Nations!** Moreover, upended their WORLD WAR III / World War 3 Hoax which was **to be used to COVERUP** such War Crimes . . . Operations! **PLAYING Native Nations for being "DUMB" to such DILATORY schemes / operations!**

Should there be any questions and / or concerns, please do not hesitate to reach out to us as well by email **and** phone.

With Warmest Regards,
