JACKSON, Miss. (WJTV) - Belhaven Heights neighbors found KKK flyers in their front yards Sunday morning.

On the sign, it reads "Loyal White Knights Neighborhood Watch." Also on the flyer, "the law abiding citizens in your community can sleep in peace knowing the klan is awake."

WJTV talked to neighbors in that area; one said she did not feel safer after seeing the rolled up flyer in her front yard.

President-elect Barack Obama's apparent decision to tap former Senate Majority Leader Tom Daschle as secretary of health and human services may have already affected his wife's lobbying career.

Linda Daschle, one of Washington's most prominent aviation lobbyists, said Wednesday that she's leaving Baker Donelson as a senior policy adviser at the end of this year to open her own shop.

Under U.S. President Ronald Reagan **CREATED** and **TRAINED** Terrorists and **PLANNED** Terrorist Attacks
Under U.S. President William "Bill" Clinton **ORCHESTRATED** Terrorist Attacks

BAKER DONELSON'S EMPLOYEE/ATTORNEY PRESENCE IN THE UNITED STATES WHITE HOUSE DURING PRESIDENT RONALD REAGAN'S and PRESIDENT GEORGE W. BUSH'S ADMINISTRATIONS!

Addington was also a special assistant for legislative affairs to President Ronald Reagan for one year in 1987, before becoming Reagan's deputy assistant. From 1989 to 1992, Addington served as special assistant to Cheney who was then the Secretary of Defense, before being appointed by President George H. W. Bush and confirmed by the Senate as the Department of Defense's general counsel in 1992.^[17] In 1993 and 1994, Addington was the Republican staff director of the Senate Intelligence Committee. In 1994 and 1995, he headed a political action committee, the Alliance for American Leadership, set up to support Republican candidates for public office, with a principal focus on being a Presidential exploratory committee for Cheney, as the former Defense Secretary contemplated running for the 1996 Republican Presidential nomination.^[18]

From 1995 to 2001, he worked in private practice, for law firms Baker, Donelson, Bearman, Caldwell & Berkowitz and Holland & Knight, and the American Trucking Associations.^[19] He also provided extensive assistance to Dick Cheney when the latter was chief executive officer of Halliburton Corporation and was in charge of vetting potential Presidential running mates for Texas governor George W. Bush, before he was officially his party's nominee for the White House and surprised many political observers by choosing Cheney himself to be his running mate.^[20]

David Addington

From Wikipedia, the free encyclopedia

David Spears Addington (born January 22, 1957) was legal counsel (2001–2005) and chief of staff (2005–2009) to former Vice President Dick Cheney,^[1] and is now vice president of domestic and economic policy studies at The Heritage Foundation.^{[2][3][4][5]}

During 21 years of federal service, Addington worked at the CIA, the Reagan White House, the Department of Defense, four congressional committees, and the Cheney Office of the Vice President.^[6] He was appointed to replace I. Lewis "Scooter" Libby Jr. as Cheney's chief of staff upon Libby's resignation when Libby was indicted on charges of perjury and obstruction of justice on October 28, 2005.^[7] Addington was described by *U.S. News & World Report* as "the most powerful man you've never heard of" in May 2006.^[8]

DIRECTOR of Administrative Office of the United States Courts
(RESIGNED September 15, 2011) – i.e. **APPOINTED** by United States Supreme Court's Chief Justice John Roberts; Administrative Assistant (now **COUNSELOR to Chief Justice**) to United States Supreme Court's Chief Justice William H. Rehnquist (i.e. assisting Rehnquist in his roles as Chair of the Judicial Conference of the United States and the Federal Judicial Center Board and **as Presiding Officer of the United States Senate's 1999 PRESIDENTIAL "IMPEACHMENT" Trial of United States President William "Bill" Clinton;** and Aide of United States Supreme Court's Chief Justice Warren E. Burger. *It appears that Duff has served on and off in positions with associated with United States Supreme Court Justices since 1975 (i.e. approximately 36 Years).* So when Baker Donelson employed him, he would prove to be the **"GOLDEN BOY"** in the role he would play in the **CONSPIRACIES** leveled against Newsome *as well as the FALSE, MALICIOUS and MISLEADING information placed on the INTERNET in regards to Newsome's Legal Actions (JUDICIAL and ADMINISTRATIVE proceedings).* In between assignments associated with United States Supreme Court Justices, it appears **Duff served as MANAGING PARTNER with Baker Donelson Bearman Caldwell & Berkowitz – i.e. the Law Firm that provides LEGAL COUNSEL and ADVICE to United States Presidents (i.e. which is presently Barack Obama).**

In September 2005, Duff was a pallbearer at Rehnquist's funeral,^{[1][8]} alongside seven of Rehnquist's former law clerks. Duff authored a tribute to Chief Justice Rehnquist in the November 2005 edition of the Harvard Law Review^[9] and spoke at the unveiling Ceremony for the William H. Rehnquist bust in the Great Hall of the Supreme Court in December 2009.

From July 2006 through September 15, 2011, Duff served as Director of the Administrative Office of the United States Courts. He was appointed in April 2006 by United States Chief Justice John Roberts.^[10] On May 31, 2011, Duff announced^[11] that he was stepping down to assume his current position at Freedom Forum.

BARRY JENNINGS
EMPHASIS: "ABC" Photo

BARRY JENNINGS: New York Housing Authority Emergency Coordinator - Reports and INTERVIEWS state that Jennings was a WITNESS of the September 11, 2001 attacks on the World Trade Centers where he says he and Corporation Counsel for New York City (Michael Hess) were in World Trade Center 7 **when they kept hearing "EXPLOSIONS" going off in their building.** *Appears Jennings was MURDERED approximately two (2) days (August 19, 2008) BEFORE the release of the National Institute of Standards and Technology (NIST) draft REPORT. To date NO "Cause of Death" is known for Jennings DEATH/MURDER on August 19, 2008.*

ABOUT TWELVE (12) DAYS LATER

Kenneth Johanneman: Janitor at World Trade Center. Pulled a burning victim from the building. *Reported seeing EXPLOSIONS in the basement and upper floors of one of the Twin Towers.* It is alleged he committed **SUICIDE** as a **result of receiving an EVICTION Notice.** Family Members/Friends **CONTRADICT** and are **SUSPICIOUS** of suicide allegations claimed because **they made themselves available to Johanneman if he needed anything.** **FOUND** at the **"SCENE OF THE CRIME"** was a **"White House Letter"** to **Kenny Johanneman.** Johanneman appears *to have been MURDERED* on or about **August 31, 2008,** approximately 13 days from the **MYSTERIOUS** death of Barry Jennings.

IMPORTANT TO NOTE: The **"EVICTION"** process – i.e. **SIMILAR** methods of those **REPEATEDLY** used on Newsome to **UNLAWFULLY/ILLEGALLY** gain access to her and her property. Moreover, providing Government Officials with **MEANS, MOTIVES** and **OPPORTUNITIES** to commit **MURDERS/ KILLINGS** on those they seek to **SILENCE!**

ABOUT SIX (6) MONTHS LATER

BEVERLY ECKERT: Lost her husband (Sean Rooney) in the DOMESTIC Terrorist acts carried out by the United States on or about September 11, 2001. She was *an ACTIVIST and advocate for the creation of the 9/11 Commission to INVESTIGATE 9/11.* Advocate **PUSHING for the TRUTH** behind the 9/11 Attacks. Reports allege that *Eckert was OFFERED money to keep SILENT but REFUSED!* She died in a commuter aircraft accident. She met with United States President Barack Obama as an advocate of those affected by 9/11 **"LESS THAN A WEEK"** before her DEATH/MURDER on **February 12, 2009.**

<http://www.slideshare.net/VogelDenise/beverlyeckert-wife-of-911-victim-wikipedia-info>

According to reports, *there are QUESTIONS/SUSPICIONS surrounding the plane crash* – i.e. keep in mind that to the United States Government Officials that are involved in CONSPIRACIES with Baker Donelson and others, *it appears their mentality is that it may be better to take out a few people than to allow the TRUTH to come out about the United States Government's DOMESTIC TERRORISTS acts which will take DOWN a Nation!*

MICHAEL H. DORAN: *Attorney who volunteered his services to help VICTIMS of the September 11, 2001 attacks receive compensation.* It appears Doran and a law firm associate (Matthew Schnirel) were killed/murdered in a plane crash near Cleveland. Reports have it that the National Transportation Safety Board is trying to figure out the cause of the plane crash. There are alleged reports that **the Cirrus SR-22** (i.e. type of plane Doran was piloting) **has a BUILT-IN PARACHUTE.** "The aircraft is perhaps known for being equipped with the Cirrus Aircraft Parachute System (CAPS), **an EMERGENCY Parachute CAPABLE of LOWERING the ENTIRE AIRCRAFT (and OCCUPANTS) to the GROUND in an EMERGENCY.**" The pilot can reach overhead in the cockpit and pull a red handle that deploys a fuel rocket that pulls the parachute from the back of the plane.

Concerns as to whether an EXPERIENCED and FAA Certified Pilot as Michael Doran TRIED to use this SAFETY/EMERGENCY feature. "Eyewitness accounts, according to published reports, said Mr. Doran directed the plane away from neighboring houses, and he was hailed as a hero." So it appears from reports that Doran took the necessary precautions to avoid casualties on the ground BUT DIDN'T TRY THE EMERGENCY BACK-UP PARACHUTE that is a SPECIAL FEATURE of the CIRRUS SR-22 he was piloting! Is it a COINCIDENT that Michael Doran represented some of the VICTIMS in the 9/11 attacks? Is it a COINCIDENT that Doran represented one of the VICTIMS in the Flight 3407 Airplane Crash on February 12, 2009? Is it a COINCIDENT that one of the VICTIMS on Flight 3407 was Beverly Eckert (wife of 9/11 Attacks Victim Sean Rooney) who just happened to meet with United States President Barack Obama less than a week before her life ended in a plane crash and then approximately TWO (2) MONTHS later, the lives of attorney Michael Doran and his associate are taken in a plane crash? DATE of DEATH/MURDER April 28, 2009.

DAVID F. WHERLEY: Major General. Was the Commanding General of Joint Force Headquarters, District of Columbia National Guard. Responsible for operational readiness and command and control of District of Columbia Army and Air National Guard units. *"Wherley was the officer who scrambled fighters into Washington's skies on the day of the Sept. 11, 2001 terrorist attacks."*

*"The general manager of the Metro system, John B. Catoe Jr., said one train had stopped near a platform and was waiting for permission to proceed when it was HIT FROM BEHIND by the second train. Mr. Catoe did not speculate on whether **SAFETY DEVICES** intended to **PREVENT** such crashes had **FAILED**. . ."*

*"A critical question for investigators will be why the rear train's computer system, which among other things controls the brakes, apparently did **not automatically engage** just before the crash. Ms. Hersman said that **the mushroom-shaped button the operator presses for emergency braking was found in the on position and that blue marks on the brake rotors suggested that the brake had activated. . .***

Metro crash in the system's **33-YEAR history**. . ." "Passengers said about **15 MINUTES PASSED BEFORE** officials showed up or any announcements were made."

"Metro, like all transit agencies, is **supposed to have NUMEROUS safety systems in place to PREVENT crashes, and it was NOT clear what caused yesterday's accident**. . . Although the investigation is just beginning, certain systems are **DESIGNED to PREVENT** an accident like yesterday's. During morning and afternoon rush hours, **all trains except longer eight-car trains typically operate in AUTOMATIC MODE, meaning their movements are CONTROLLED by COMPUTERIZED systems and the central Operations Control Center**. Both trains in yesterday's crash were six-car trains. But officials would not say whether the trains were in automatic mode or being operated manually. *Investigators will probably focus on a possible FAILURE of Metro's COMPUTERIZED signal system, which is DESIGNED to PREVENT trains from coming close enough to collide, as well as operator error, according to former Metro officials. . .*"

<http://www.slideshare.net/VogelDenise/davidwherley-general-and-911-witness-killed>

Major General David Wherley retired June 30, 2008 and appears may have been **KILLED/MURDERED on June 22, 2009** – i.e. approximately **TWO (2) months** from Doran's **DEATH/MURDER** and approximately **FOUR (4) months** from Eckert's **DEATH/MURDER** – because of the information/knowledge regarding the 9/11 Attacks!

PLEASE NOTE: The **"KILL LIST"** Murders did **NOT** stop here and they **CONTINUE** to date as well.

Dear Senator Rand Paul:

My name is Vogel Denise Newsome (Newsome) and I am a constituent of yours (i.e. Kentucky Registered Voter). Because Newsome does not want you to think that she is an Ohio resident (i.e. because of the cell phone number and mailing address used), she has attached a copy of my Driver's License. Newsome is requesting an INVESTIGATION and if necessary the IMPEACHMENT and INDICTMENT of United States President Barack Obama, his Administration and others who are found to have engaged in the criminal/civil wrongs reported. From News reports, Newsome believes that Representative Darrell Issa may be handling the initiation of INVESTIGATIONS against President Obama and his Administration. You may want to begin there to determine what the process is in getting my issues addressed in an **EXPEDITED** manner - i.e. considering that it appears President Obama's people are looking to cause IMMEDIATE harm within this week or very shortly against Newsome.

If this "Certificate of Live Birth" was taken from BOOK/VOLUME then there should be records of PRIOR and SUBSEQUENT entries to this Certificate.

Can see BORDER of document and how it was placed on source to match similar background of the "Certificate of Live Birth."

Is the "Local Reg" and the "Reg. General" the SAME person. Then why are their DATE stamps the SAME and from other forms received, the "Local Reg" date has been shown to be "TYPED" rather than "stamped" in and clearly are different from that provided by "Reg. General."

Just a COINCIDENT that this doctor is deceased.

Why are the dates "HANDWRITTEN" and NOT "Typed" as it appears may be the standard. Furthermore, it appears the dates (although different days) may be from the SAME hand.

Obama addresses the nation on the death of Osama bin Laden

Speech Transcript

Good evening. Tonight, I can report to the American people and to the world that the United States has conducted an operation that killed Osama bin Laden, the leader of al Qaeda, and a terrorist who's responsible for the murder of thousands of innocent men, women, and children.

It was nearly 10 years ago that a bright September day was darkened by the worst attack on the American people in our history. The images of 9/11 are seared into our national memory - hijacked planes cutting through a cloudless September sky; the Twin Towers collapsing to the ground; black smoke billowing up from the Pentagon; the wreckage of Flight 93 in Shanksville, Pennsylvania, where the actions of heroic citizens saved even more heartbreak and destruction.

Obama: All US troops out of Iraq by end of year

'Today I can say that troops in Iraq will be home for the holidays,' president says

NBC, msnbc.com and news services
updated 10/21/2011 6:58:45 PM ET

WASHINGTON — President Barack Obama on Friday declared an end to the Iraq war, one of the longest and most divisive conflicts in U.S. history, announcing that all U.S. troops would be withdrawn from the country by year's end.

Mohammed Ameen / Reuters
U.S. soldiers take a rest in the shade of armoured vehicles at a courtyard at Camp Liberty in Baghdad. U.S troops are scheduled to pull out of the country by the end of this year, according to President Barack Obama.

"As promised the rest of our troops in Iraq will come home by the end of the year. After nearly nine years, America's war in Iraq will be over," [Obama](#) said.

The withdrawal of American troops marks a major milestone in the war that started in 2003 and resulted in the removal of Saddam Hussein from power in Iraq.

Q. and A.: The 9/11 Adjuster

By [MIREYA NAVARRO](#)

Associated Press Firefighters making their way through the smoky ruins of the World Trade Center in October 2001.

In recent weeks, rescue and cleanup workers who sued the city over health damages they attribute to environmental hazards at the former World Trade Center site have been receiving letters explaining how much compensation they would receive under a recent settlement of their claims.

The [Garretson Firm Resolution Group](#), with offices in Cincinnati and Charlotte, N.C., is administering the claims, which involve more than 10,000 plaintiffs. (Ninety-five percent of the plaintiffs must approve the settlement by Sept. 8 for it to take effect.) We talked with Matt Garretson, the company's president and chief executive, about the ins and outs of 9/11 claims administration and calculating the individual settlement amounts. Following are our questions and his responses, edited for clarity and brevity.

IF YOU ARE BLACK (ESPECIALLY MALE) READ THIS!!

I am a law enforcement officer in New Orleans proper. The epidemic of murders of Black males around the country is systemic and real. A few days after Labor Day, and since there would be more outdoor activity, some officers in select divisions of law enforcement - regardless of race or gender - have been openly instructed to use DEADLY FORCE if deemed necessary as a FIRST RESORT against Black males who appear to be above the age of 18 in areas heavily populated with Black people. Not Lawful, but IF DEEMED "NECESSARY!" Friends in law enforcement in other cities with densely populated areas have informed me that they have received the same instructions, one of whom resigned soon after and is now being overtly harassed.

And with MANY other words did he TESTIFY and EXHORT saying, SAVE YOURSELVES from this UNTOWARD generation - ACTS 2:40

U.S. v. Jimenez Recio, 123 S.Ct. 819 (2003) - Essence of a conspiracy is an agreement to commit an unlawful act.

Agreement to commit an unlawful act, which constitutes the essence of a conspiracy, is a ***distinct evil*** that may exist and be punished whether or not the substantive crime ensues. *Id.*

Conspiracy ***poses a threat to the public*** over and above the threat of the commission of the relevant substantive crime, both because ***the combination in crime makes more likely the commission of other crimes*** and because it **decreases the probability** that ***the individuals involved will depart from their path of criminality.*** *Id.*

Despotism

From Wikipedia, the free encyclopedia

Despotism is a form of **government** in which a single entity rules with absolute power. That entity may be an individual, as in an **autocracy**, or it may be a group,^[1] as in an **oligarchy**. The word *despotism* means to "rule in the fashion of a despot" and does not necessarily require a singular "despot", an individual.

Despot comes from the Greek *despotes*, which roughly means "master" or "one with power", and it has been used to translate a wide variety of titles and positions. It was used to describe the unlimited power and authority of the **Pharaohs** of Egypt, employed in the **Byzantine** court as a title of nobility, used by the rulers of Byzantine vassal states, and adopted as a title of the **Byzantine Emperors**. Thus, *despot* is found to have different meanings and interpretations at various times in history and cannot be described by a single definition. This is similar to the other Greek titles *basileus* and *autokrator*, which, along with *despot*, have been used at various times to describe everything from a local chieftain to a simple ruler, king or emperor.

Colloquially, *despot* has been applied pejoratively to a person, particularly a head of state or government, who abuses their power and authority to oppress their people, subjects or subordinates. In this sense, it is similar to the pejorative connotations that have likewise arisen with the term *tyrant*. *Dictator* has also developed nearly similar pejorative connotations.^[2]

A **REVOLUTION** is coming which will be **PEACEFUL** **IF** we are **WISE** enough, **SUCCESSFUL** **IF** we are **fortunate** enough – but a **REVOLUTION** which is **COMING** **whether** we **WILL** it or **NOT**. We **can** **affect** its **CHARACTER**. We **CANNOT** **alter** its **INEVITABILITY!** – *John F. Kennedy*

RIGHT TO REVOLUTION

This country, with its institutions, belongs to the people who inhabit it. Whenever they shall grow weary of the existing government, they can exercise their constitutional right of amending it, OR exercise their revolutionary right to overthrow it” – Abraham Lincoln

Nature of the right [\[edit\]](#)

17 USC § 107 (LIMITATIONS On EXCLUSIVE Rights - FAIR USE)

Individual or collective right [\[edit\]](#)

Although some explanations of the right of revolution leave open the possibility of its exercise as an individual right, it was clearly understood to be a collective right under English constitutional and political theory.^[8]

As [Pauline Maier](#) has noted in her study *From Resistance to Revolution*, “private individuals were forbidden to take force against their rulers either for malice or because of private injuries....”^[9] Instead, “not just a few individuals, but the ‘Body of the People’ had to feel concerned” before the right of revolution was justified and with most writers speaking of a “‘whole people who are the Publick,’ or the body of the people acting in their ‘public Authority,’ indicating a broad consensus involving all ranks of society.”^[10]

Right versus Duty [\[edit\]](#)

Some philosophers argue that it is not only the right of a people to overthrow an oppressive government but also their duty to do so. Howard Evans Kiefer opines, “It seems to me that the duty to rebel is much more understandable than that right to rebel, because the right to rebellion ruins the order of power, whereas the duty to rebel goes beyond and breaks it.”^[11]

[Morton White](#) writes of the American revolutionaries, “The notion that they had a duty to rebel is extremely important to stress, for it shows that they thought they were complying with the commands of natural law and of nature’s God when they threw off absolute despotism.”^[12] The U.S. Declaration of Independence states that “when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government!” (emphasis added). [Martin Luther King](#) likewise held that it is the duty of the people to resist unjust laws.
