**Isaiah 56:**

<sup>10</sup> His watchmen are blind: they are **all ignorant**, they are **all dumb dogs**, they cannot bark; sleeping, lying down, loving to slumber.

<sup>11</sup> Yea, they are **greedy dogs** which can never have enough, and they are shepherds **that cannot understand**: they all look to their own way, every one for his gain, from his quarter.

<sup>12</sup> Come ye, say they, **I will fetch wine**, and we will **fill ourselves with strong drink**; and to morrow shall be as this day, and much more abundant.

Social critic and academic Noam Chomsky has described the Trilateral Commission's goals in less-than-glowing terms. He criticizes the commission as undemocratic in pointing to its publication *The Crisis of Democracy*, in which the authors describe the strong involvement of the US population in the political process during the seventies as an "excess of democracy".<sup>[12]</sup>

Essentially liberal internationalists from Europe, Japan and the United States, the liberal wing of the intellectual elite. That's where Jimmy Carter's whole government came from. [...] [The Trilateral Commission] was concerned with trying to induce what they called "more moderation in democracy"—turn people back to passivity and obedience so they don't put so many constraints on state power and so on. In particular they were worried about young people. They were concerned about the institutions responsible for the indoctrination of the young (that's their phrase), meaning schools, universities, church and so on—they're not doing their job, [the young are] not being sufficiently indoctrinated. They're too free to pursue their own initiatives and concerns and you've got to control them better.<sup>[13]</sup>

**Other**

While the Trilateral Commission is only one of many think tanks on the political left and right, conspiracy theorists believe the organization to be a central plotter of a world government or synarchy. As documented by journalist Jonathan Kay, Luke Rudkowski interrupted a lecture by former Trilateral Commission director Zbigniew Brzezinski in April 2007 and **accused the organization and a few others of having orchestrated the attacks of September 11 to initiate a new world order.**<sup>[14]</sup>

**RATHER THAN INVEST IN THEIR COMMUNITIES, THE GOATS GIVE TITHES TO DUMB DOGS!**  
**TITHING IS NOT REQUIRED – Read Hebrews 7:**

<sup>4</sup> Now consider how great this man was, unto whom even the patriarch Abraham gave the tenth of the spoils.  
<sup>5</sup> And verily they that are of the sons of Levi, who receive the office of the priesthood, have a commandment to take tithes of the people according to the law, that is, of their brethren, though they come out of the loins of Abraham:  
<sup>6</sup> But he whose descent is not counted from them received tithes of Abraham, and blessed him that had the promises.  
<sup>7</sup> And without all contradiction the less is blessed of the better.

<sup>8</sup> And here men that die receive tithes; but there he receiveth them, of whom it is witnessed that he liveth.  
<sup>9</sup> And as I may so say, Levi also, who receiveth tithes, payed tithes in Abraham.

<sup>10</sup> For he was yet in the loins of his father, when Melchisedec met him.

<sup>11</sup> If therefore perfection were by the Levitical priesthood, (for under it the people received the law,) what further need was there that another priest should rise after the order of Melchisedec, and not be called after the order of Aaron?

<sup>12</sup> For the priesthood being changed, there is made of necessity a change also of the law.
