Dear Mr. Pedigo and Mr. Richardson...:

This is Community Activist Vogel Denise Newsome. I need no introduction to Baker Donelson Bearman Caldwell & Berkowitz and its Attorneys/Lawyers.

It has been brought to my attention that the WASHINGTON COUNTY, Mississippi SHERIFF'S DEPARTMENT has KIDNAPPED and are holding the above referenced HOSTAGES – Eugene Sanders, Jr. ("Sanders") and Roderick Payne ("Payne") – CAPTIVE against their will and using the **JUSTICE Court** of Washington County, Mississippi to DEMAND the following RANSOM Monies (masked as a BOND) for their releases under FRIVOLOUS and MALICIOUS Criminal Charge(s) as follows:

- For Sanders – CHARGE: **Capital Murder** – BOND: \$1 Million Dollars
See “**JUSTICE**” Court Documents attached at **EXHIBIT “A”** and incorporated herein by reference as if set forth in full herein.
- For Payne – CHARGE: **Capital Murder** - BOND: \$1 Million Dollars

PLEASE BE ADVISED of my outrage for such HIDEOUS, OUTLAWED and VICIOUS Crimes that have been leveled against Sanders and Payne under the United States’ DESPOTISM TERRORIST Government Regime’s Empire and its WHITE Jews/Zionists/Supremacists!

The screenshot shows a Facebook post from the page "Delta Democrat Times". The post text reads: "More than three months after Fredrick Formigoni was shot to death at his Metcalfe house, authorities have charged four people in his death. Eugene Sanders, 31, and Jessica Fryrear, 30, both of Greenville, have been arrested and charged with capital murder, said Washington County sheriff's deputy Billy Barber. 'We will be arresting Rodrick Payne and April Miller and charging them with capital murder, too,' Barber said. Payne, 36, is a Greenville resident, and Miller, 24, is in custody in Indianola for an unrelated crime. He said Washington County deputies were working to have her brought to Greenville to be charged." A link is provided: http://m.ddtonline.com/.../article_80329494-bf35-11e7-ad42-67...

Below the text is a small image of a steamship and a logo with the letters "DDT". To the right of the image is a section titled "Deputies charge 4 in July homicide" with a sub-headline: "More than three months after Fredrick Formigoni was shot to death at his Metcalfe house, authorities have charged four people in his death." Below this is the website address "DDTONLINE.COM".

Upon review of the following Affidavit, it appears that a "JUSTICE" Court Judge – Laverne Simpson - executed the "ACKNOWLEDGMENT" for said Affidavit. Justice Court is a "SMALL" Claims Court and does NOT have JURISDICTION over "CAPITAL MURDER" Cases! The following document was also executed by a "Laverne Simpson" and she IS NOT Licensed to practice Law – i.e. Lawyer/Attorney - and neither is she a member of the Mississippi Bar.

The following “WARRANT FOR ARREST” issued on “EUGENE SANDERS” – i.e. appears to be a “Strawman” used, is ALSO executed by a “JUSTICE” Court – Washington County, MS. – by a Laverne Carter – i.e. JUSTICE Court Judge. Said Warrant being issued for “CAPITAL MURDER” – 97-3-19(2)(e). The following document was also executed by a “Laverne Carter” and she **IS NOT** Licensed to practice Law – i.e. Lawyer/Attorney - and neither is she a member of the Mississippi Bar.

STATE OF MISSISSIPPI

Washington County

TO THE SHERIFF OF SAID COUNTY:

We command you to receive and safely keep in jail Eugene Sanders

_____ to answer the State of Mississippi on a charge of Capital Murder

committed in said County as appears by judgment of the undersigned, a Justice Court Judge of said County, on an examination thereof: unless the said _____

Eugene Sanders

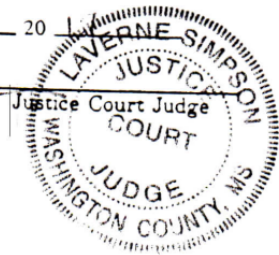

shall furnish bail, with sufficient sureties, to be approved by you, in the sum of 4 million

Dollars Bond Dollars, for his appearance before the Circuit Court of said

County to answer said charge, at its next term and thereafter, until discharged by law, whereupon you shall release him.

Witness my hand this 3rd day of November 20 19

Laverne Simpson

There is Record evidence that the CHARGE: CAPITAL MURDER is alleged to have been brought before the "CIRCUIT" Court of WASHINGTON; however, it is again EXECUTED by "Laverne Simpson" of the "JUSTICE" Court! Again, "Laverne Simpson" IS NOT Licensed to practice Law - i.e. Lawyer/Attorney - and neither is she a member of the Mississippi Bar.

CHARGE CAPITAL MURDER

DEFENDANT Eugene Sanders 1521 Genne Fairway Greenville MS 38701

Before this hearing begins, you are advised that the affidavit which has just been read to you charges you in Circuit court of WASHINGTON with a felony. This serious crime for which, if you are convicted, you may be sentenced to serve a term in jail or a penitentiary.

One purpose of this hearing is to determine whether there is sufficient evidence of guilt on the charge set forth in the affidavit for your case to be presented to the next Grand Jury that meets in Washington County, Mississippi and, if so, the amount of bond shall be required to post in order to remain free awaiting the outcome of the Grand Jury hearing.

This hearing is a very important stage, a critical stage, in the process of determining your guilt or innocence. Constitutions of the State of Mississippi and the United States of America guarantee to you important and absolute rights. Am these rights is the right to Assistance of Counsel for your defense and a Speedy, Public Hearing and Trial. You have the absol constitutional right to have a lawyer represent you here, now, and throughout the proceedings against you and this is true regardl of whether you have the means, money or credit with which to hire a lawyer. Representation by a lawyer in a court hearing is just important as having a doctor when you are undergoing surgery; the surgeon is trained and knows how to protect his patient's hea and lawyers are trained and know better than anyone else how to protect their client's in a court hearing. If you do not have means to hire a lawyer and you desire to have a lawyer represent you at any time, from now forward, one will be appointed for y before the case proceeds any further.

A preliminary hearing is a valuable right afforded to every defendant charged with a felonious crime. It grants to the defe dant and his lawyer one means of finding out the nature of the evidence and testimony the State has to present against him and al tests the State's ability to prove guilt. Although a defendant may waive a preliminary hearing and thus allow his case to go straig to the Grand Jury convened in this County, the waiving of a preliminary hearing constitutes the waiver of a valuable constitution right.

You have a right to remain silent and anything you say may be used against you in court. If you choose to remain silent at th hearing and not give any evidence, your silence cannot be used against you in any way. On the other hand, you have a right as a citi zen to testify if you desire to do so and desire to waive your valuable constitutional right to remain silent. You also have a right t have other witnesses called to testify in your behalf.

Please answer the following questions by placing a check mark beside the correct answer in order that your constitutiona rights may be protected in accordance with your own desires:

- Do you request a preliminary hearing on the charge or charges against you, or is it your desire to waive the preliminar hearing and have the court set the amount of your bond and permit your case to be presented directly to the Grand Jury?
 - request a preliminary hearing. (11/14/17)
 - I waive a preliminary hearing. ()
- Do you have means with which to hire a lawyer or do you desire to waive your absolute constitutional right to counsel or do you request that counsel be appointed for at the State's expense?
 - I have means to hire a lawyer and will obtain one to represent me. ()
 - I waive my right to counsel at this stage and hearing. ()
 - request that counsel be appointed for me at State's expense because I cannot hire one. (11/14/17)
- Do you request that this hearing be continued in order to obtain counsel to represent you?
 - I request that this hearing be continued until _____ in order to obtain counsel to represent me. ()
 - I do not request that this hearing be continued. I request that it be held now. (11/14/17)
- I request that this hearing be continued until _____ because: _____

ALL OF THE ABOVE has been read to me in the presence of Judge Laverne Simpson on this 3rd day of November, 2017; I understand it and I have answered questions numbered 1, 2, 3, 4 and signed the document.

STATE OF MISSISSIPPI
COUNTY OF WASHINGTON

This day before me, the undersigned and acting authority within and for said county and state, personally appeared Eugene Sanders, who first being duly sworn stated that he understands the above and foregoing document; that he answered and signed it as shown thereon; and that he did so of his own free will and for reasons of his own.

SWORN to and subscribed before me, this the 3rd day of November, 2017

By Commission 01/01/20

Justice Court Judge

When “Sanders” father – Eugene Sanders, Sr. checked with the Circuit Court on Monday, November 21, 2017, there was NO Court Records regarding “Sanders” on file as it relates to the “CAPITAL MURDER” alleged.

Attached at **EXHIBIT “B”** is the Affidavit of Ashley Shae Cornelius which provides information regarding who is alleged to be the TRUE Shooter (Donnie Williams) and/or Murderer of Fredrick Formigoni . Said Affidavit is incorporated by reference as if set forth in full herein.

From my understanding based on information provided me, Washington County, Mississippi’s Sheriff Deputy Billy Barber as well as some of the WHITES in the Greenville Communities, etc. have KNOWLEDGE of the White People (Donnie Williams and Christy Moore – sp?) who may have actually planned, orchestrated and carried out the murder of Frederick Fromigoni; however, are STILL AT LARGE!

In light of the recent Press Release by the International Criminal Court on yesterday (11/21/17), entitled, *“The Prosecutor of the International Criminal Court, Fatou Bensouda, requests judicial authorization to commence an Investigation Into the Situation in the Islamic Republic of Afghanistan.”*

<https://www.icc-cpi.int/Pages/item.aspx?name=171120-otp-stat-afgh>

The Prosecutor of the International Criminal Court, Fatou Bensouda, requests judicial authorisation to commence an investigation into the Situation in the Islamic Republic of Afghanistan

20 November 2017

As a result of its examination, the Office of the Prosecutor has determined that there is a reasonable basis to believe that the following categories of crimes within the Court’s jurisdiction have occurred:

- i. Crimes against humanity and war crimes by the Taliban and their affiliated Haqqani Network;
- ii. War crimes by the Afghan National Security Forces (“ANSF”), in particular, members of the National Directorate for Security (“NDS”) and the Afghan National Police (“ANP”), and
- iii. War crimes by members of the United States (“US”) armed forces on the territory of Afghanistan, and by members of the US Central Intelligence Agency (“CIA”) in secret detention facilities in Afghanistan and on the territory of other States Parties to the Rome Statute, principally in the period of 2003-2004.

The Office has carefully assessed available information on any relevant, genuine national proceedings in relation to the conduct of these identified groups. In light of the gravity of the acts committed - the details of which are outlined in the Request - and the absence of relevant national proceedings against those who appear to be most responsible for the most serious crimes within this Situation, the Prosecutor considers that the potential cases that she has identified and that would arise from an investigation in this Situation, would be admissible pursuant to article 53(1)(b) of the Statute.

The United States' DESPOTISM Terrorist Government/Organization Regime has a WELL-ESTABLISHED history for INHUMANE practices and the USE of Prisons for the purposes of INCARCERATING People-Of-Color and subjecting them to very HARSH, INHUMANE, DEGRADING and DEPLORABLE conditions prohibited under Mississippi State Laws/States, Federal Statutes/Laws and INTERNATIONAL Statutes/Laws! CHARGE CAPITAL MURDER

DEFENDANT Eugene Sanders 1521 Genne Fairway Greenville MS 38701

Before this hearing begins, you are advised that the affidavit which has just been read to you charges you in Circuit court of WASHINGTON with a felony. This serious crime for which, if you are convicted, you may be sentenced to serve a term in jail or a penitentiary.

One purpose of this hearing is to determine whether there is sufficient evidence of guilt on the charge set forth in the affidavit for your case to be presented to the next Grand Jury that meets in Washington County, Mississippi and, if so, the amount of bond shall be required to post in order to remain free awaiting the outcome of the Grand Jury hearing.

This hearing is a very important stage, a critical stage, in the process of determining your guilt or innocence. Constitutions of the State of Mississippi and the United States of America guarantee to you important and absolute rights. Among these rights is the right to Assistance of Counsel for your defense and a Speedy, Public Hearing and Trial. You have the absolute constitutional right to have a lawyer represent you here, now, and throughout the proceedings against you and this is true regardless of whether you have the means, money or credit with which to hire a lawyer. Representation by a lawyer in a court hearing is just as important as having a doctor when you are undergoing surgery; the surgeon is trained and knows how to protect his patient's health and lawyers are trained and know better than anyone else how to protect their client's in a court hearing. If you do not have a means to hire a lawyer and you desire to have a lawyer represent you at any time, from now forward, one will be appointed for you before the case proceeds any further.

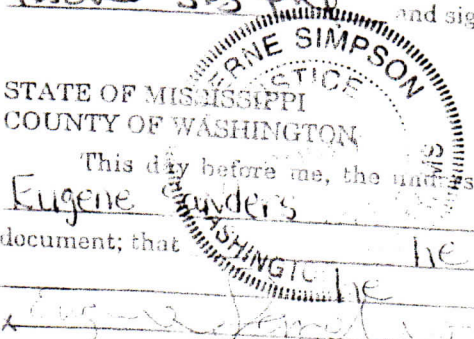

A preliminary hearing is a valuable right afforded to every defendant charged with a felonious crime. It grants to the defendant and his lawyer one means of finding out the nature of the evidence and testimony the State has to present against him and also tests the State's ability to prove guilt. Although a defendant may waive a preliminary hearing and thus allow his case to go straight to the Grand Jury convened in this County, the waiving of a preliminary hearing constitutes the waiver of a valuable constitutional right.

You have a right to remain silent and anything you say may be used against you in court. If you choose to remain silent at the hearing and not give any evidence, your silence cannot be used against you in any way. On the other hand, you have a right as a citizen to testify if you desire to do so and desire to waive your valuable constitutional right to remain silent. You also have a right to have other witnesses called to testify in your behalf.

Please answer the following questions by placing a check mark beside the correct answer in order that your constitutional rights may be protected in accordance with your own desires:

- Do you request a preliminary hearing on the charge or charges against you, or is it your desire to waive the preliminary hearing and have the court set the amount of your bond and permit your case to be presented directly to the Grand Jury?
 - request a preliminary hearing. (11/14/17)
 - I waive a preliminary hearing. ()
- Do you have means with which to hire a lawyer or do you desire to waive your absolute constitutional right to counsel or do you request that counsel be appointed for at the State's expense?
 - I have means to hire a lawyer and will obtain one to represent me. ()
 - I waive my right to counsel at this stage and hearing. ()
 - I request that counsel be appointed for me at State's expense because I cannot hire one. (11/14/17)
- Do you request that this hearing be continued in order to obtain counsel to represent you?
 - I request that this hearing be continued until _____ in order to obtain counsel to represent me. ()
 - I do not request that this hearing be continued. I request that it be held now. (11/14/17)
- I request that this hearing be continued until 11/14/17 because:

ALL OF THE ABOVE has been read to me in the presence of Judge Laverne Simpson on this 3rd day of November, 2017; I understand it and I have answered questions numbered 1A2C 3B 4D and signed the document.

Eugene Sanders
Defendant

This day before me, the undersigned and acting authority within and for said county and state, personally appeared Eugene Sanders, who first being duly sworn stated that he understands the above and foregoing document; that he answered and signed it as shown thereon; and that he did so of his own free will and for reasons of his own.

SWORN to and subscribed before me, this the 3rd day of November, 2017.

**AFFIDAVIT OF
ASHLEY SHEA CORNELIUS
REGARDING FREDRICK FORMIGONI MURDER**

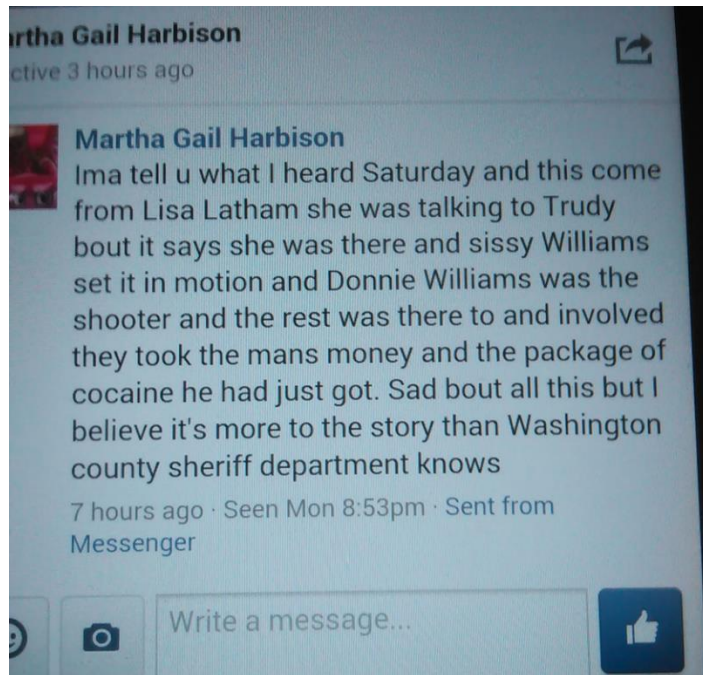

STATE OF MISSISSIPPI

COUNTY OF WASHINGTON

I, Ashley Shea Cornelius (“Cornelius”), being first duly sworn, deposes and states:

- 1) I am of legal age.
- 2) I am of sound mind.
- 3) I am providing my testimony freely and without fear, threats and/or intimidation, etc. and in the interest of justice.
- 4) I, therefore, have executed this Affidavit in support of the FACTS known to me as well as information obtained through my own inquiry and/or investigation regarding the allege murder of Fredrick Formigoni (“Formigoni”) and state the following:

- (a) I recovered a Messenger statement from Anthony Taylor’s – who is April Miller’s significant other – Cell Phone via photo from my Cell Phone, which states, *“Ima tell u what I heard Saturday and this come from Lisa Latham she was talking to Trudy bout it says she was there and sissy Williams set it in motion and Donnie Williams was the shooter and the rest was there to and involved they took the mans money and the package of cocaine he had just got. Sad bout all of this but I believe it’s more to the story than Washington county sheriff department knows.”*

Martha Gail Harbison (White) is a friend of Anthony Taylor. Harbison Message above was to Anthony Taylor's Cell Phone.

Lisa Latham (White) is friends of April Miller and Anthony Miller.

Trudy Ponder (White) is a friend of mine, April and Anthony. She is also the sister of Martha.

Sissy Williams (White) is Donnie William's sister and is Formigoni's girlfriend.

Donnie Williams (White) and from the above Text Message is alleged and/or implicated (in the above Message) to be the Shooter – i.e. although not mentioned, Shooter of Fredrick Formigoni!

- (b) I inquired about the Messenger Message that I just mentioned and was told, that Martha sent this to Anthony. I became upset and asked Anthony what was he doing keeping this from me. He said it slipped his mind.

- (c) I have personal knowledge that a 380 handgun was recovered from Anthony Taylor's possession and/or property.

Anthony Taylor (Bi-Racial) is the boyfriend of Mary and the significant other of April. April was living with Anthony and Mary prior shooting and/or alleged murder of Formigoni.

I was present when this handgun was retrieved by Detective Adams and Todd Weeks and provide a copy of my video of this recovery at the following LINK: <https://drive.google.com/open?id=1JOJ9wqtMy-18WEQuJ4LQsezsSTAiOWEu>

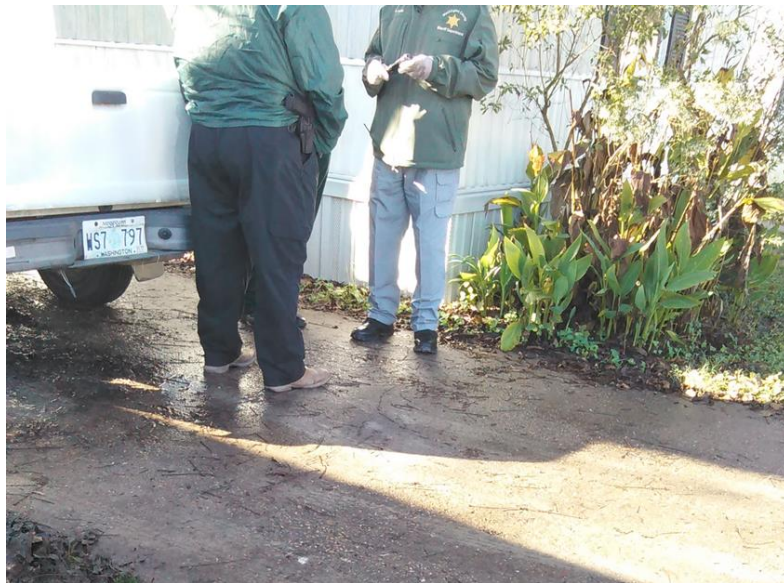

The following are also photos that I took during this recovery:

I am in the red jacket shown, Anthony Taylor is the male person closer to the tail of the truck and the other male person is Detective Adams.

In the above picture is Officer Todd Weeks and Detective Adams.

In the above picture is the handgun that was retrieved from the house Anthony Taylor where I was staying.

- (d) Another video that I recorded is of Mary Davis – Anthony Taylor’s baby’s mama – which states April Miller stole the 380 handgun while she (Mary) and her son (Anthony Jr.) were in the bed sleep. A copy of this recording may be located at the following LINK: <https://drive.google.com/open?id=1qdA2K1yLuWRZIJEdmqaOrDCKfhwjHkpR>

April Miller (Black/African-American) I believe is a Drug Addict and had knowledge as to where Anthony Taylor stored his gun because she lived at the same residence as Anthony and Mary.

- (e) I asked “G” (a/k/a Eugene Sanders, Jr.) if he committed the crime? His response was, “*No!*”
- (f) “G,” Marquez and April Miller were in Cleveland, Mississippi at the time of the murder. “G” has no knowledge and I don’t believe had any involvement in Formigoni’s murder. If I am not mistaken, this is what is known as an *Alibi!*

Marquez (Black/African-American) is “G’s” friend.

- (g) Cassie Smith (White) is Lisa Latham’s girlfriend had informed Rimmage of everything that went down on the night of the allege murder of Formigoni.

Christy Moore (White) is the girlfriend of Formigoni. It was brought to my attention by Cassie and Connie that Christy is the one that planned and orchestrated the murder of Formigoni and only began to freak out after the reality of the murder kicked in. It is a matter of PUBLIC knowledge that TWO (2) prior boyfriends of Christy have wound up dead and/or murdered. The word on the street is that Formigoni was abusive to Christy. I believe this is sufficient information which warrants an investigation of who actually know and/or may know who is actually involved in the allege murder of Formigoni.

It was also brought to my attention by Cameron Smith that Christy was asked to take a Polygraph in regards to the allege murder of Formigoni and failed! Cameron Smith also shared with that Christy told him, Ms. Betty, Christy Ivy and several others that “G” and “Base” (a/k/a Roderick Payne) were NOT the killers of Formigoni!

During my investigation, Cameron Smith also advised me, that one day they (Christy, Ms. Betty, “G,” Donnie and several others) were at his house. Christy was sitting on the couch next to “G” and had no clue who “G” was. Christy asked “G” to give her a ride to the store. This incident occurred approximately two (2) days AFTER the allege murder of Formigoni.

- (h) On Sunday, October 15, 2017, Detective Gerald Evans (“Evans”) came to my house with a Search Warrant issued on me to search my house.

Evans is a Detective with Washington County Sheriff’s Department.

My Grandfather signed the Warrant and Evans proceeded into the home **without** my knowledge and/or approval and proceeded (according to my Grandfather – age 72). My Grandfather **is not** authorized to sign a Search Warrants on my behalf!

I *would not* have authorized and/or *would have* contested the Search Warrant.

Evans proceeded to my bedroom where the door was **locked**. Then, according to my Grandfather, Evans used force and broke down the door – busted through the door – and entered my bedroom! I believe this is a criminal act called ***Breaking and Entering*** or something like that. These are the items I can recall ***being stolen*** (however, may be more) from my residence:

- (i) Acer Tablet
- (ii) Vehicle Titles/Registration – i.e. approximately 10
- (iii) 2 Cell Phones – Samsung Touchscreen

My family Rents a house on our property that is behind ours. This house is being rented by Lee and Jennifer (?).

According to Lee, Jennifer (?) and my uncle (Timothy Holdiness) the following items were stolen:

- (i) Some type of vehicle part that Evans was claiming to be stolen.
- (ii) A game camera out of the front yard that I had set up to catch intruders.
- (iii) I have ***“NO TRESPASSING”*** signs posted on our trees in our front yard and on our home.

Although these signs are in plain sight and viewable, Evans proceeded **to Trespass without** legal nor lawful justification!

Evans left. When I and “G” came home, “G” called Evans directly because he had his Cell Phone Number and asked Evans whether he had any issues or warrants and the reasons to search my home. Evans stated, ***“No issues with ‘G’ but sees he has a lot of tools and if I wanted my property back I can come get em.”***

“G” and I left to go and pick up my daughter Destiny. Then we went to the store in Arcola and picked up some items and took Destiny back to her friend’s house with her clothes for Monday because we did not want her around all of the drama going down.

We returned later that evening, ate and went to bed about 11:30 with my bedroom door locked.

I was awakened between 3:30 a.m. and 4:00 a.m. when Officer Callaghan woke me up with a **Warrant** for my *Arrest*; however, he **was not** able to provide me with the reasons for my arrest and/or charges for this arrest.

I did not consent to this arrest.

I was in fear of my life.

I was placed in handcuffs, KIDNAPPED, taken HOSTAGE and placed in the back of a vehicle disguised as a Washington County Sheriff's Department vehicle.

Based on my observation and while in handcuffs and taken hostage, I heard my Kidnappers (Callaghan and Evans) discussing how to handle me. From what I could hear, Evans was supposed to meet Callaghan at my house; however, he was on Highway 1 at Club 17 and was not going to be able to make it.

Evans asked Callaghan if "G" was there. Callaghan answered, "NO!"

For approximately THREE (3) Hours, I was held captive and never told by my Kidnappers why I was being taken hostage – i.e. again, a KIDNAPPING masked as an Arrest!

I was never read what is called "**Miranda Rights**" by my kidnappers claiming to be Officers of the Washington County Sheriff's Department!.

My Kidnappers had me taken downtown to the Washington County Sheriff's Department. It was at this time that my Captors masked this Kidnapping up under such *false pretense* accusing me of "*Delinquency of a Minor!*" The minor alleged being my daughter Destiny Cornelius – age 12 at the time.

- (i) My Kidnappers – disguised as Officers of the Law - Todd Weeks (“Weeks”) and Mitch Rimmage (“Rimmage” - a/k/a Ram Page) then subjected me to very hostile, threatening and intimidating, etc. *interrogation* tactics. Asking me questions about “G.” Wanting to know how long did I know “G.” I told them not long. Asked me if I ever saw “G” steal anything and I told them “No” and that “This was a damn lie!” They accused me of “Bullsh*tting them!” My response being that Washington County needed to get their Officers on a Treadmill because they sounded as though they were out of breath and was about to pass out!

Another one of my Captors/Kidnappers – disguised as Detective Adams – wanted to know whether I had any knowledge of the F*cking Murder? MY response was “NO!”

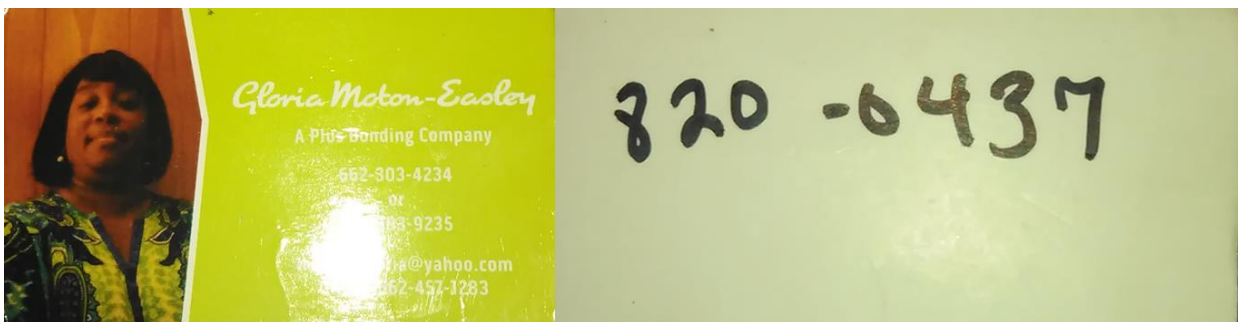

Detective Evans told me that my home was being considered a “TRAP HOUSE” because of my association with “G!”

One of my Captors/Kidnappers (Detective Evans) told me that he would check to see if they would release me on my own recognizance; however, this was only if I would help him “get ‘G’” and solve the Formigoni murder.

- (j) My Child (Destiny Cornelius) has also been KIDNAPPED and taken from me. In efforts to justify the kidnapping of my daughter (Destiny), I was told by Stephanie Narravo that I have been reported to Child Services for selling drugs, doing drugs and running a Prostitution Ring! Destiny has been taken out of my custody and placed with her Grandparents – i.e. my Dad and Stepmom.
- (k) RANSOM demands – masked under the guise of Bonds - have been asked of me and my family for us to retain our Freedoms or be subjected to another Kidnapping and held hostage at our Kidnappers’ above-ground

Facilities known as “Washington County Detention Center,” and/or “Greenville Jail” which are used to disguise such hideous Kidnapping and Hostage/Enslavement practices!

On 10/19/17, after paying the Ransom – masked as a Bond – when I was leaving the Washington County Correctional Facility, I was approached by Evans and asked, “Are you going to help me get ‘G’?” When I told him “No,” this is when he told me to keep my hands to myself and don’t touch my Grandfather anymore! I had no idea what he was talking about; however, took it as an implication that should I not help them “get ‘G’” they would attempt to bring additional false criminal charges against me. Evans then provided me with his Business Card, turned it over and placed his number on the back and told me to give him a call when I was ready to turn “G” in.

- (1) On or about 10/31/17, “G” and I were going to the Parts House (AutoZone) when we noticed Rimmage following us. So, we pulled into Scott’s Gas Station at Main Extended and Reed Road.

Rimmage followed us into the Gas Station; however, he went to the Drive-Up Window to make it appear he was making a purchase while just staring at “G” and I.

“G” put gas in our truck and then we pulled out heading down Extended heading to 82 when we see Rimmage placing himself approximately two cars behind us.

“G’s” truck (at the time) did not have good breaks so we were going to have them worked on.

We then see Rimmage – after the cars behind us turned off - pull up on us at a very DANGEROUS rate of SPEED as we were approaching a Traffic Light. *In fear of our safety, lives and wellbeing, etc.* and to avoid what appeared to “G” and I efforts to cause an accident and throw us into the Intersection, “G” was forced by the **THREATENING, HOSTILE** and very **INTIMIDATING** actions of Rimmage to proceed through the Intersection at which time the light had then turned Red.

Rimmage, then himself proceeds through the Red Light himself jumps out of his Patrol Car and says, “Got your ass now!”

“G” puts his hands up and opens the door.

Rimmage with a very HOSTILE and THREATENING voice is also ARMED with DEADLY Weapons – i.e. gun, etc.” tells “G” to “Shut the hell up” and that he was “Tired of his Bullsh*t” and accused “G” of having stolen property in his truck!

Rimmage proceeded to use EXCESSIVE force in the Kidnapping of “G” and disguised in a Law Enforcement Officer’s Uniform and IMPERSONATING an Officer of the Law. “G” was taken away without being told of the Miranda Rights!

I was in fear of my life and that of “G.”

I was overcome emotionally with anxiety, fearful, intimidated, etc.

Rimmage than began laughing and dancing around as though he had “Won the Lottery!” This is when approximately five (5) more Kidnappers disguised as Officers and wearing Washington County Sheriff Department Uniforms arrived and created a more

HOSTILE, THREATENING and INTIMIDATING atmosphere, leaving me to FEAR for my Safety, Life and Wellbeing, etc.

While Evans did arrive, he remained at the Red Light and observed; however, authorizing the Criminal Kidnapping and Hostile and Hostage taking of "G."

(m) I was present during his arrest on Halloween – October 31, 2017.

- 5) I am competent to testify ONLY to the information and/or matters set forth in this Affidavit.
- 6) My Affidavit is being provided in good faith and is **NOT** provided for ill purposes of delay, harassment, hindering proceedings, embarrassment, obstructing the administration of justice, vexatious litigation, increasing the cost of litigation, etc. and is provided to protect and preserve the legal and/or lawful rights of the Accused (Eugene Sanders Jr.) that has been KIDNAPPED – i.e. masked as an arrest – and is presently being held HOSTAGE at the Washington County, Mississippi Correctional Facility.
- 7) I reserve the right to Amend this Affidavit.
