I. INTRODUCTION

In Love, Truth, Peace, Freedom and Justice is this “*Emergency Request For Leave to Submit: Observations and Testimony of Interim Prime Minister Vogel Denise Newsome as amicus curiae on the appeal of Pre-Trial Chamber II’s “Decision pursuant to Article 15 of the Rome Statute on the Authorisation of an Investigation into the Situation in the Islamic Republic of Afghanistan” rendered April 12, 2019*” [“O&TofVDN”] being submitted in good faith. **Due to the extraordinary circumstances** (i.e. *my recent Kidnapping, False Imprisonment, Conspiracies to have me Murdered, threats on my life, murder of my Mother Pearl Leo Torrey/Tory Newsome, etc. from which I continue to heal from as I am also a Victim* of the USA’s Officials’ War Crimes, etc.) that are a direct result of the United States of America’s/United States’ Officials and their Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz (“Baker Donelson”) **efforts to escape Investigation(s) and Prosecution(s)** for War Crimes regarding the “*Situation in the Islamic Republic of Afghanistan,*” **I am asking for Leave of this Court** (i.e. if this submittal is deemed late and/or beyond the *page-limitation requirements*) **to accept my Amicus Curiae Brief at this stage** in the proceedings in the interest of Justice and this Court’s duty and obligation to **assure that “all” facts and evidence are before this Court to aid in the decisions made.** As a key/major Witness to the proceedings in which this *Amicus Curiae* has been drafted, the observations and testimonies contained herein will allow *for perpetrators of such hideous atrocities* in Afghanistan and abroad **to be brought to justice!** In further support of my observations and testimony, the following information is pertinent and relevant to my introduction, and, therefore, the following statements in support of my observations and testimonies are hereby made:

1. I, Vogel Denise Newsome, hereby express my interest to participate as *amicus curiae* in the proceedings of the appeal by the Prosecutor filed pursuant to article 82(1)(d) of the Rome Statute and in accordance with the invitation of the Appeals Chamber in its “*Corrigendum of Order scheduling a hearing before the Appeals*

Chamber and other related matters” of 27 September 2019 (ICC-02-17 OA OA2 OA3 OA4...).

Article 82 - Appeal against other decisions

1. Either party may appeal any of the following decisions in accordance with the Rules of Procedure and Evidence:
 - d. A decision that involves an issue that would significantly affect the fair and expeditious conduct of the proceedings or the outcome of the trial, and for which, in the opinion of the Pre-Trial or Trial Chamber, an immediate resolution by the Appeals Chamber may materially advance the proceedings.
2. I am the Interim Prime Minister of the Utica International Embassy (“UIE”), located within the Lands/Territories *presently* known as the United States of America (“USA”). The UIE is a lawfully formed *new* Government/Nation that has been established and may be available to those who have *no* Government/Nation – i.e. in that pursuant to the USA’s Supreme Court Decision in *Dred Scott v. Sandford*, the High Court deemed those *labeled Black*: (a) as being Slaves, (b) **not** Citizens, (c) *are not* included under the Constitution, and, therefore, the rights and privileges it confers upon American Citizens could **not** apply to them.

Dred Scott v. Sandford, 60 U.S. (19 How.) 393 (1857), was a landmark decision of the U.S. Supreme Court in which the Court held that the Constitution of the United States was not meant to include American citizenship for black people, regardless of whether they were enslaved or free, and therefore the rights and privileges it confers upon American citizens could not apply to them.

As of 11/19/19:

https://en.wikipedia.org/wiki/Dred_Scott_v._Sandford

To date (*November 2019*), said *Dred Scott* decision *has not* been overturned! While the *Dred Scott* decision is not applicable to me, it is important to note that I am *not* Black and neither a descendant of Slaves but of Native (i.e. which have been labeled *Indians*, etc.) descent, the following Birth/Citizenship documents of the USA will also reflect **no** such label as Black!

² Please note that documents referenced at LINKS are incorporated by reference as if set forth in full herein.

I have served in the position of *Interim Prime Minister* since March 2018 – i.e. *the inception* of our *new* Government/Nation. My legal background spanning over 15 Years, and, which, within such time I served as a Legal Assistant/Paralegal for Law Firms within the USA. Prior to such a *prestigious* and *historical* undertaking, I actively engaged in Community Activist work addressing Civil/Human Rights violations and other War Crimes being carried out by the USA's Officials and their *War Crimes... Enforcers!* My Curriculum Vitae reflecting my present status and that of the Utica International Embassy may be found at the following LINKS:

3. Due to the most recent Terrorist/Racist attacks leveled against me by the USA's Officials, their Legal Counsel Baker Donelson and their CO-Conspirators, we found that the November 15, 2019, "Observations by Professor Jennifer Trahan as *amicus curiae* on the appeal of Pre-Trial Chamber II's 'Decision Pursuant to Article 15 of the Rome Statute on the Authorisation of an Investigation into the Situation in the Islamic Republic of Afghanistan' of 12 April 2019," ["Trahan Observations"] of Professor Jennifer Trahan ("Trahan") to be sufficient to support many of our views that we need not rewrite; however have incorporated in this instant O&TofVDN for purposes of time constraints and giving credit to Trahan's work, etc. Therefore, in this instant O&TofVDN, by reference to "Trahan Observations," we incorporate said instrument by reference and/or as provided at the following links as if set forth in full herein.

4. I am the Author of "**COUNT 4: Conspiracy To Murder**" that is being drafted and was published on or about December 8, 2018, at www.SlideShare.net/VogelDenise, and sets forth *how Members/Groups* as the Confederate States of America/Ku Klux Klan/Zionists, etc. *went about infiltrating* the USA's Government by placing their Members/Representatives in key/top positions, *have managed to create a Despotism Empire*, and are now controlling and running said USA Despot! Through "**Count 4**," I am setting forth *how* said Members/Representatives of such Terrorist Groups carried out the assassinations of United States Presidents and prominent Civil Rights Leaders here within the Lands/Territories of the USA for purposes of furthering their Nazi/Zionist "**NEW**" *World Order* (i.e. coined by Adolf Hitler) to advance the Global WHITE Supremacy Agenda! In said, Count 4, I advise of the USA's Officials, its Legal Counsel Baker Donelson and their CO-Conspirators *conspiracies against me to have me murdered!*

The **Count 4: Conspiracy To Murder** may be found at the following LINKS:

5. On September 18, 2015, I provided Testimony in which the United States of America (*through a judicial proceeding in the Chapter 7 Bankruptcy matter brought by Ladye Margaret Townsend was brought in efforts of protecting her property from a lawful legal procedure brought by me from being seized*), was timely, properly and adequately notified that *we would be moving forward with our OWN Government!* Said notification

was in keeping with the January 10, 2012, service upon the United States President Barack Obama, United States Kentucky Senator Rand Paul and Joint Chief of Staff Michael Mullen advising of “INTERNATIONAL MILITARY INTERVENTION MAY BE NECESSARY” <https://www.slideshare.net/VogelDenise/022712-updated-links-for-obama- eviction-notice-011012final>. Said Court *was advised of its Legal Counsel’s Baker Donelson’s roles in the conspiracies launched against me!* To NO avail!

6. I am the Author of the October 27, 2015, Agenda that was published and distributed at a Public Meeting approved by the Mayor (Kenneth Broome) of the Town of Utica, Mississippi. It was at this meeting that the Town of Utica’s Officials were *timely, properly and adequately* notified of the War Crimes and other Criminal Acts being carried out and advised to clean up their government; otherwise, we will be moving forward to have it done legally/lawfully. It was also during this meeting that the Town of Utica’s Officials **were notified** of the USA’s Legal Counsel’s Baker Donelson’s and/or the Ku Klux Klan’s *plans to have the Junior College Campus (i.e. formerly known as Utica Junior College – a **Historically Black College/University stolen/taken over by a White Junior College [Hinds Community College]** turned into a “PRIVATE” Prison* as well as the fate of the Town and the People there. From my personal observations, Mayor Broome confirmed knowledge of the ill plans and his knowledge of the Ku Klux Klan’s involvement in the demise of the Town as well as the **Chief of Police Timothy Myles becoming agitated upon being advised of his and Law Enforcement’s engagement in criminal acts addressed in the Agenda!** *This document will further serve as evidence of how early, the Town of Utica, Mississippi Officials obtained knowledge of the United States of America’s Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz’ role in the War Crimes, etc. addressed in the Agenda!*

7. I am the person being interviewed by Dr. Eldridge Henderson of *Real News* wherein I advise of the ill plans for Utica, Mississippi as well as Dr. Henderson advising of the injuries/harms to be expected from the 1% (percent) in control! This interview was used to advise the Klan/Racist/White Supremacist that I am not afraid of them and **the consequences** to follow for such adverse attacks leveled against people they *have labeled*: Blacks, African-Americans, etc.

Henderson: “The History of America shows that when you take an adverse stand and go against the Human enemies of mankind and the 1% (percent) that control the distribution, exchange system and production, that you are not going to be given any positive light”

Newsome: “I’m not afraid of the Klan or any Racist/White Supremacist Group...”

8. I am one of the four being interviewed in September 2016, for the Florida A&M University Sports Hall of Fame Ceremony. This Interview Platform **was used to further expose the attacks of the United States of America’s Legal Baker Donelson’s attacks on my life, jobs and/or livelihood!** *This Interview was BLOCKED from airing because of said exposure.* Nevertheless, I was able to obtain a copy for my records.

11. In March 2018, we moved forward with initiating our “*New*” Government/Nation known as the Utica International Embassy. We did so ***rescinding*** the ***fraudulent*** Agreement(s)/Contract(s) - i.e. Driver’s License, Birth Certificates, Certificate of Citizenship, etc. - that the USA’s Despotism Government Officials ***went about creating for purposes of enslaving people!***

The opening of our Government has been done to provide myself (who have a USA Certificate of Citizenship; however, it has been **denounced/rescinded**, in that it is fraudulent, a sham, etc.) and other Citizens who **are not seen as Citizens of the USA's Government** since, according to the United States of America's Constitution, *if they are labeled and/or deemed Black, they are not Citizens and have no rights/privileges, etc.* I have done so with the support of other Citizens and/or Supporters using the nice Certificate of Citizenship issued to me in 1972! Thus, the USA Officials **cannot** say that I am Black (because I **am not**) and *that I was not deemed a Citizen prior to my revocation of such Contracts as Birth Certificate, Certificate of Citizenship, etc.* **because according USA records, I was deemed a Citizen of the United States of America through their fraudulent practices!**

- There is record evidence to support that the USA's Government Officials through their respective Branches of Government were notified as early as 2012 of our plans to move forward with a New Government. Moreover, on or about **January 10, 2012**, the United States President Barack Obama [EXECUTIVE Branch], United States Kentucky Senator Rand Paul [LEGISLATIVE Branch] and Joint Chief of Staff Michael Mullen [MILITARY Branch] were properly served with our:

13. **Seven (7) years later**, we are here and going strong as we continue to move forward as a ***“Beacon of Light”*** for other Government/Nations that have had enough of the White Man’s oppressive acts through their quest to implement their ***“New” World Order***. ***We want no part of such evils/wickedness!*** The USA’s Government records will reflect its Agencies/Officials/Lawyers, etc. receipt of my *Utica International Embassy Identification Card*.

On or about July 23, 2018, when the USA’s Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz, had one of the USA’s Agencies (*Town of Utica, Mississippi*) Official steal my UIE Identification Card, with their knowledge, they did so knowing and/or should have known that said theft of my Identification Card would be ***used as evidence in legal/lawful matters pending!***

15. On September 7, 2018, I Authored the following document entitled, “NOTICE OF THE AUGUST 28, 2018 KIDNAPPING and OTHER WAR CRIMES/CRIMINAL ACTS AGAINST UTICA INTERNATIONAL EMBASSY’S INTERIM PRIME MINISTER VOGEL DENISE NEWSOME; NOTICE OF INTENT TO FILE CRIMINAL CHARGES THROUGH THE INTERNATIONAL CRIMINAL COURT; REQUEST FOR REFERENCE NUMBER REGARDING THIS MATTER; and REQUEST FOR INJUNCTION/PROTECTIVE ORDER/RESTRAINING ORDER...” provided at the following links <https://www.slideshare.net/VogelDenise/090718-notice-of-the-august-28-2018-kidnapping-request-for-icc-reference-number>

In said submittal, I advised of my possession of a *nice Certificate of Citizenship*.

Such critical/crucial information is important because not only do I have a *Certificate of Citizenship*, I am actually of Native (i.e. the White Man called Indian) descent on both my Mother and Father’s side of the family! Thus, shutting down the USA’s Officials’ implementation of the “**Black Code**” Laws that were created to mask the “*Slave*” Laws and/or *Jim Crow practices* in their quest to mislabel people as BLACK for purposes of attempting to Legalize Slavery (i.e. under Legislation as the 13th Amendment of the U.S. Constitution, etc.) *which is prohibited* under National and International Laws!

Upon my revealing/showing evidence of my possession of a Certificate of Citizenship as well as the USA Officials’ knowledge of my interest in being a Witness in the Situation in the Islamic Republic of Afghanistan, the USA’s President Donald Trump and his Administration retaliated and issued threats of Sanctions, etc. to the International Criminal Court and its Officials/Prosecutors as memorialized in the following Articles:

20. In World News, there were reports of the USA's moving forward to invade the Sovereign Nation of the *Bolivarian Republic of Venezuela* ("BROV"). The USA having Juan Guaido swear himself in as the Interim President over the lawful President Nicolas Maduro. Said acts of the USA's Officials are in violation of its National Laws as well as International Laws!

What is disturbing about this is that the International Criminal Court, United Nations as well as other Foreign Nations knew that the USA's Official were engaging in War Crimes and did nothing to deter and/or punish (Sanction, etc.) the USA for violations under International Laws. In fact, sitting on their hands, as the USA's **Nazis/Zionists** sought to unlawfully invade a Nation-Of-Color for purposes of taking control of their People and Resources, etc.

It is our duty and obligation to report said War Crimes!

The New York Times

Pence Tells Venezuelans That U.S. Backs Efforts to Oust Maduro

By Edward Wong

Jan. 22, 2019

WASHINGTON — Vice President Mike Pence on Tuesday declared the United States' "unwavering support" for planned mass protests in Venezuela against President Nicolás Maduro, the most explicit backing yet by the Trump administration as opposition leaders try to unseat Mr. Maduro.

It is through the unlawful actions being taken by the USA, that through my Leadership (i.e. and the lengthy years of obsession USA's Legal Counsel Baker Donelson have with me) as the Interim Prime Minister of the Utica International Embassy, that Venezuela's President Nicolas Maduro and the World were advised that we would assist in shutting down the USA's Terrorist Acts and War Crimes, etc. and will seek bringing their Nazi/Zionists Leaders/Military/Counsel, etc. to justice!

It is the Utica International Embassy's **bold stance** and **public defiance** of the USA's War Crimes and "New" World Order Agenda, etc. that has gone unchecked and unpunished that resulted in the BROV's crisis claiming our attention along with the Situation in Afghanistan, etc. Upon our going public and Tweeting about bringing the USA to justice as well as the USA's fear of the International Criminal Court, etc. that led to SUSPENSION of the UIE's Twitter Account which is controlled and operated by the Jews/Zionists having an interest with the Nazis in seizing control of the BROV's Resources and People! Therefore, upon our going public and performing our duty to notify the BROV's Government Officials and Citizens of the true identity of the culprits (i.e. USA's Nazis/Zionists, etc.) behind the scenes seeking to overthrow President Maduro and seize control of their Government, it resulted in the UIE's Twitter Account being suspended! Nevertheless, our **unrelenting tenacity** to protect other Nations-Of-Color from the War Crimes and Global atrocities of the USA's Nazis/Zionists were those in which we here at the UIE refused to remain silent on! *Showing through evidence, that it is not about money, but it is through sharing the "Truth" and "Power of Knowledge" that has brought down the World's No. 1 Terrorist Empire – United States of America!*

21. I believe that a reasonable may conclude, that the USA's Officials **took the lawful acts** of the Utica International Embassy **in the opening of a "NEW" Government under a Despotism** Government run Empire and **tried taking our idea to Venezuela** (i.e. which is deemed to be a **Socialist** Government), where the USA and its Legal Counsel Baker Donelson had Juan Guaido swear himself in over the lawful BROV President Nicolas Maduro! RE: Solicitud de permiso para asistir a la República BOLIVARIANA DE VENEZUELA

Estimado Presidente Maduro:

Te traemos los saludos y las buenas noticias de la Embajada Internacional de Utica!

Such notification of the UIE's assistance resulted in the USA's Nazis/Zionists moving *immediately* to have our Twitter Account **SUSPENDED** in efforts of keeping the Public/World from seeing *the shellacking* of the USA play out live as advised on our website at:

<http://uticainternationalembassy.website/index.php/home/uie-services>

24. I am the Author of the *February 25, 2019, Notification* submitted to the USA's **Agencies'** (Town of Utica, Mississippi and Hinds County, Mississippi) Officials advising of the legal/lawful actions to be brought against their Officials for War Crimes as well as advised of the Utica International Embassy's involvement in the Venezuela matter – i.e. where the USA's Officials are wanting to unlawfully invade Venezuela, etc. Record evidence will support that USA's Agency Officials were timely served and notified of legal/lawful action to be brought against them for War Crimes and other Criminal Acts.

25. About February 28, 2019, my Mother (Pearl Leo Torrey/Tory Newsome) ["Mother Pearl"] exhibited signs of health issues that required my attention. A health issue which ultimately led to her having to have a Heart procedure done.
26. In March 2019, my Mother Pearl had four stints placed in her heart which would require around-the-clock care and attention **from those who truly loved her and had the time to care and nurture her without hectic work/church obligations and/or work schedules, etc. and not place her in the care of Nursing Home(s) or other STATE Services!** *My father and I had discussed this matter prior to the USA sending in their Government Agents (i.e. my Siblings: Joe Lee Newsome [employed with the United States Department of Defense], Cloteal Newsome Turner [employed with the United States Department of Justice] and Harvellia Newsome Thomas [employed with the United States Department of Defense], etc.). My Mother Pearl **being a Witness in such matters. Therefore, this being the reason and/or motive to have her Murdered!***
27. **On March 25, 2019**, the USA's President Donald Trump, Congressional Members, with their Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz **conspired with CO-Conspirators** (i.e. Officials employed by their Agencies in the Town of Utica, Mississippi and Hinds County, Mississippi as well as my Siblings and others) to have me Kidnapped **with orders to have me Murdered!** **Unbeknownst to my Siblings and Father (my Mother Pearl knew), the Town of Utica and Hinds County, Mississippi Officials were served with notification of legal/lawful matters to be brought against them!** *Said ignorance and/or lack of knowledge by my Siblings of legal matters pending, **afforded** the USA's President*

Donald Trump, United States Congressional Members, Town of Utica MS Officials, Hinds County MS Officials and their Legal Counsel Baker Donelson to conspire with my Siblings and others to have me Kidnapped and set me up to be Murdered – i.e. in keeping with the August 28, 2018, threats issued by the Town of Utica, MS’ Chief of Police Timothy Myles who stated, **“We got something for you....They’re going to do it right this time...!”** Threats which were manifested on March 25, 2019, as their wheels of War Crimes and Criminality continued to spin and/or spiral out of control! While the USA Officials and their Legal Counsel Baker Donelson were conspiring to have me Kidnapped and Murdered during such critical times in my attending to my Mother Pearl, I took the time to notify via Social Forums as Twitter of the conspiracies that had been launched of the attacks to undermine her recovery as well as notify others of the attacks on leveled against me by my Siblings!

28. For those who follow the Utica International Embassy’s work and/or my work, it is known that our documents *are regularly published in our SlideShare Forum and/or on the Utica International Embassy’s Website.* Taking advantage of my lack of filing the “NOTIFICATION” of legal matters to be brought in our Social Forums (due to attending to my Mother Pearl’s Health matters), the March 25, 2019, Kidnapping, False Imprisonment, **Conspiracy to Murder,** and other War Crimes, etc. were carried out with intent to have me Murdered in hopes that the Public/World would never know of the legal/lawful notification that had been served! Thus, it was critical that I was not to ever surface and/or be released ALIVE out of fear of those engaging in such War Crimes and other Criminal Acts would be investigated and duly prosecuted under National and/or International Laws! Moreover, the USA’s Officials and their Legal Counsel Baker Donelson *having knowledge that I would seek prosecution through International Tribunals as the International Criminal Court!*

Google: <https://drive.google.com/open?id=1OoPFMrV-XqMq9UaJNEtpG0ZUVPLovc7>

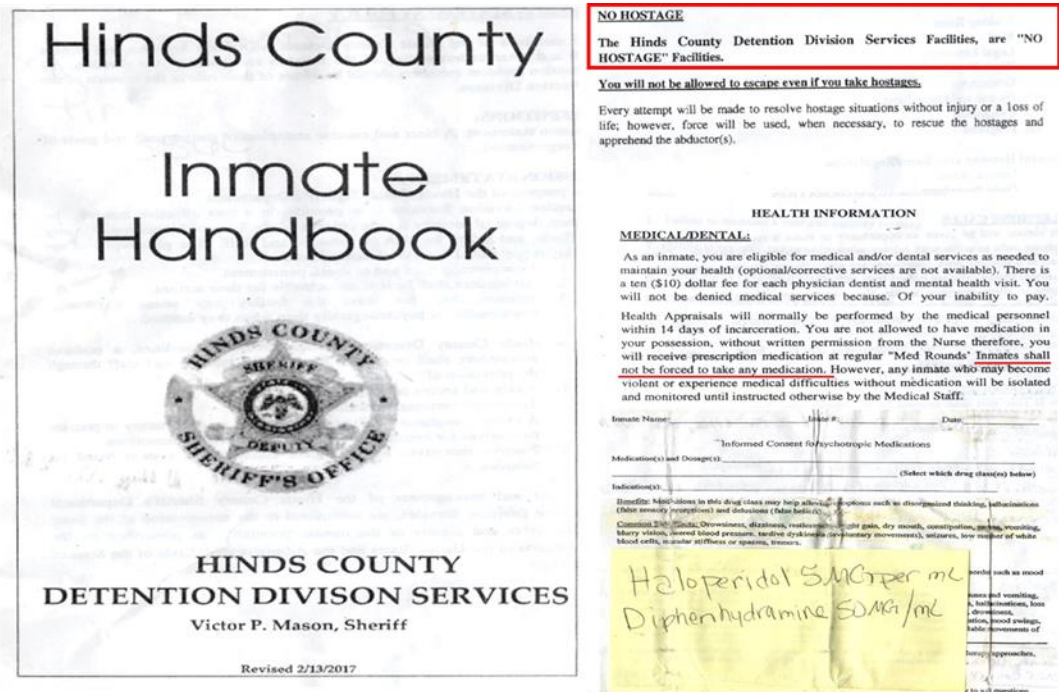

31. I was advised by my Kidnappers that I would be held for **55 Days** or to pay the Ransom Demand (i.e. masked as fines for “*unpaid tickets*”). I was ***not*** given a Ransom Demand masked as a Bond! **55 Days from** March 25, 2019, is about **May 20 or May 21, 2019!** (EMPHASIS Added) According to the “Hinds County Inmate Handbook,” it states in part:

NO HOSTAGE

The Hinds County Detention Division Services Facilities are “NO HOSTAGE” Facilities.

You will not be allowed to escape even if you take hostages.

Every attempt will be made to resolve hostage situation without injury or a loss of life; however, force will be used, when necessary, to rescue the hostages and apprehend the abductor(s).

The Hinds County Officials were verbally *notified by me* as well as in writing that there are legal matters pending and that they are obstructing the administration of justice. *To no avail!* Instead, they elected to hold me down and inject me with drugs and/or medications over my objections and in violation of their “HEALTH INFORMATION” “MEDICAL/DENTAL” policy and/or procedure which states in part:

...*Inmates shall not be forced to take any medication.* ..

Upon being held down and shot up with drugs/medications, I requested to be provided with what was alleged to have been injected in me and was provided with the information as noted in the above picture. I issued a **“CEASE and DESIST”** to the Hinds County Officials, etc. The War Crimes committed against me were for purposes to **destroy my mind**, *experiments*, and *other reasons known to my Kidnappers* and their CO-Conspirators as the USA’s Legal Counsel Baker Donelson, Town of Utica Mississippi Officials, and my Siblings! I believe that a reasonable mind may conclude that said War Crimes were also committed against me as the USA’s Officials and its Legal Counsel Baker Donelson were attempting to reduce me (*the Interim Prime Minister of the Utica International Embassy*) **into a SLAVE**, which I objected to and **am not!** The record evidence will also support that, **in writing on paperwork**, Hinds County Officials/Employees were timely notified *from the onset of holding me hostage*, that I advised of my being Kidnapped and **paperwork will reflect notification** on documents advising of my Kidnapping and my position (as the Interim Prime Minister) held with the Utica International Embassy! Thus, a reasonable mind may conclude, **that had the** USA’s President Donald Trump, United States *Congressional Members*, their Agency Officials at the Town of Utica Mississippi and Hinds County Mississippi with their Legal Counsel Baker Donelson **been successful in having me Murdered**, the records of the Hinds County Detention Division Services *would have been compromised (if not already) to reflect something differently as they now continue to struggle in the cover up* of such War Crimes and other Criminal Acts as they see the *inevitable Investigation wheels* of the International Criminal Court fast approaching!

32. **On April 4, 2019** (i.e. approximately 10 days **after** my Kidnapping, False Imprisonment, Murder Conspiracies, etc.), it appears from my research, that the United States of America’s President Donald Trump, his Administration, the United States Congressional Members with their Legal Counsel Baker Donelson **conspired** (upon receiving information/knowledge of my being Kidnapped and confirmation that I would **no longer** be a problem for the USA **nor a Witness** in the *Situation in the Islamic Republic of Afghanistan*) with the International Criminal Court’s Mark Dillon to draft a letter to the Utica International Embassy (i.e. recognizing our lawfully formed Government) advising of our options to bring matter to international authorities attention. See snapshot of excerpt of said letter.

Dear Sir, Madam

On behalf of the Prosecutor, I thank you for your communication received on 09/08/2018, as well as any subsequent related information.

I hope you will appreciate that with the defined jurisdiction of the Court, many serious allegations will be beyond the reach of this institution to address. I note in this regard that the ICC is designed to complement, not replace national jurisdictions. Thus, if you wish to pursue this matter further, you may consider raising it with appropriate national or international authorities.

I am grateful for your interest in the ICC. If you would like to learn more about the work of the ICC, I invite you to visit our website at www.icc-cpi.int.

Yours sincerely,

Utica International Embassy

Why is the April 4, 2019, date so important? Because, according to News Reports, on this same date, the USA Officials *revoke the entry VISA of the ICC's Prosecutor regarding the Afghanistan Investigation.*

U.S. revokes ICC prosecutor's entry visa over Afghanistan investigation

THE HAGUE (Reuters) - The United States has revoked the entry visa of the prosecutor of the International Criminal Court, Fatou Bensouda, her office said on Thursday, a response to her inquiry into possible war crimes by U.S. forces in Afghanistan.

Further supporting that the Kidnapping, False Imprisonment, Conspiracy to Murder of me and other War Crimes and Criminal Acts carried out against me were done to:

- (a) Obstruction Justice
- (b) Intimidate Witness(es)
- (c) Tamper with Evidence
- (d) Deprivation of Protected Rights
- (e) Infringe upon protection of Diplomatic Immunity
- (f) Murder, etc.

for purposes of keeping the USA's Officials/Representatives/Military/Legal Counsel and their CO-Conspirators **from being Investigated and Prosecuted** regarding War Crimes and other Atrocities related to the:

- i) *Situation in the Islamic Republic of Afghanistan*
- ii) USA Officials/Military and Lawyers and their CO-Conspirators *wanting to **unlawfully invade Venezuela***
- iii) ***Situation in the United States of America** which the ICC was advised the Utica International Embassy **is initiating to see that** USA Officials, their Lawyers/Attorneys, etc. are brought to Justice for their War Crimes, etc. committed here in what is presently known on USA soil!*

Important, because, as recent as about November 15, 2019, USA's President Donald Trump ("Trump") during an interview regarding his Impeachment Hearings confirmed that the acts taken against me are criminal and/or War Crimes!

Trump stating that:

During my kidnapping; **I was deprived access** to do Legal Research as well as prepare the applicable documentation for International Tribunals to obtain my release!

33. **On April 9, 2019 (unbeknownst to me since I am being held hostage at the Jackson Hinds County Detention Center),** I followed up (with the assistance of another person), by reaching out from the Hinds County Detention Center to a Lawyer/Attorney by the name of Jody Owens (“Jody”) employed at the Southern Poverty Law Center (i.e. a Jewish/Zionist controlled organization), asking him to report the Crimes of the Law Firm of Baker Donelson Bearman Caldwell & Berkowitz. It is important to note, that Jody mentioned *his connections with the “U.S. Navy”* during the previous phone call of a Conflict-Of-Interest *upon my mentioning the Law Firm of Baker Donelson.*

Nevertheless, it is important to note that once War Crimes and/or Criminal Acts were reported to Jody, it was his duty and/or obligation pursuant to the Mississippi Rules of Professional Conduct, Rule 8.3 to report these Crimes to the appropriate professional authority; however, it appears, that rather than report the Crimes as I requested on April 9, 2019, Jody **made a willful and conscious decision to become complicit** in said crimes for purposes of obtaining the seat of District Attorney for the State of Mississippi **being promised to him!**

- 34. **On April 12, 2019** (approximately three [3] days **after** communication with Jody), it appears that the USA's President Donald Trump and his Administration conspired with the Judges of the International Criminal Court to obstruct the administration of justice in their quest to cover up the War Crimes of the USA's Officials/Representatives/Military Members, their Legal Counsel Baker Donelson

and their CO-Conspirators in Afghanistan! I believe that a reasonable mind given all of the facts surrounding my 03/25/19 Kidnapping, False Imprisonment, etc. may conclude **that a nexus can be established** with said USA War Crimes, etc. and the ICC's Judges' decision as well as Dillon's 04/04/19, letter issued in efforts to aid and abet the USA's President Donald Trump, United States Congress, their Legal Counsel Baker Donelson and CO-Conspirators in the cover-up of War Crimes and other Criminal Acts being carried out in Afghanistan! Furthermore, a reasonable mind may conclude that due to such evidence as provided herein and the USA's Officials/Lawyers fear of the damaging testimony of the Utica International Embassy's Interim Prime Minister Vogel Denise Newsome, is sufficient information to support efforts to have me murdered in their quest to obstruct the Investigation(s) and Prosecution(s) in the *Situation in the Islamic Republic of Afghanistan* matter!

ICC judges reject opening of an investigation regarding Afghanistan situation

ICC-CPI-20190412-PR1448

Today, 12 April 2019, Pre-Trial Chamber II of the International Criminal Court (ICC) rejected unanimously the request of the Prosecutor to proceed with an investigation for alleged crimes against humanity and war crimes, on the territory of in the Islamic Republic of Afghanistan. The judges decided that an investigation into the situation in

35. **On May 6, 2019** (i.e. approximately **20 Days AFTER** the ICC Judges' Decision), a Hearing was held without prior notice to me and/or service upon me advising me of a Court matter. I was taken to court chained and shackled like an animal and through the use of deadly force (i.e. *guns, weapons, etc.* present). This Court Hearing being the result of having failed to obtain my Murder while holding me Hostage at the Jackson Hinds County Detention Center ("JHCDC"), Baker Donelson, Sheriff Victor Mason and JHCDC Officials then turned to my Siblings

again (i.e. **calling on Joe Lee Newsome** to be a Witness for the STATE OF MISSISSIPPI) and solicited the aid of Judge Trent Walker... to hold a **Competency Hearing** in efforts to **challenge** my Mental State and to place our “NEW” Government of the Utica International Embassy, its Website and I (as the Interim Prime Minister) under attack! **The Court was advised that I have done nothing like Venezuela’s Juan Guaido** – i.e. IMPORTANT TO NOTE: A **person the USA’s Legal Counsel Baker Donelson recruited to use as a front in their failed “Overthrow” of the BROV’s President Nicolas Maduro!**

The Court matter being “**STATE OF MISSISSIPPI vs. VOGEL DENISE NEWSOME**” and was held in the Hinds County (Mississippi) Chancery Court in Jackson, Mississippi. The **Judge being Trent Walker (BLACK)** – i.e. assigned by Baker Donelson for purposes of fulfilling the next role *in the conspiracies to have me Murdered!*

What do I and/or the UIE have to do with the Afghanistan matter? As a *NEW Lawfully-Formed Government*, I (presently serving as the Interim Prime Minister) have made known our interest in assisting the ICC regarding the “*Situation In Afghanistan*” and “*Situation in Venezuela,*” etc. – i.e. as of March 25, 2019, this information was still being published on the UIE’s Website! *Our Website that came under ATTACK at the May 6, 2019, Court Hearing in Joe Lee Newsome’s Testimony...*

Thus, providing further *evidence and motive* for the United States of America/United States’ President, Congressional Members, State of Mississippi, Hinds County, Town of Utica and their Legal Counsel Baker Donelson, etc. to want to have me Murdered for purposes of silencing my Testimonies... To accomplish this, these Conspirators turned to my Siblings who are all seen as BLACK/Slaves (Joe Lee Newsome [US Department of Defense], Cloteal Newsome Turner [US Department of Justice], Harvellia Newsome Thomas [US Department of Defense], Geneva Newsome Mosley, Maureen Newsome Williams...) to aid and abet in such

War Crimes/Terrorist/Racist and Discriminatory Acts against me. Siblings all **TOO EAGER** to oblige!

What I *gleamed* from the May 6, 2019, Court Hearing, was **confirmation** that the United States of America, its Government Officials and Legal Counsel having knowledge that we here at the UIE have **“PULLED OFF ONE OF THE MOST SUCCESSFUL FEATS”** against the United States, **using the Laws** to move out with our **own** **“NEW”** Government – i.e. as EVIDENCED in the **“Democracy” tactics** Baker Donelson attempted to use on what they call a **“SOCIALIST”** Government **and failed!**

We believe that WHEN the Records are checked at the JHCDC as well as the Mississippi State Hospital, that there are **NO** documents from me authorizing my Kidnappers to **“hold me Hostage;”** moreover, I **never** agreed to be Admitted and/or Treated at the Mississippi State Hospital... and the **WHOLE** Time of being held Hostage, **REPEATEDLY** demanded my **FREEDOM...!**

During the **May 6, 2019**, Court Hearing, I was accused of the following (i.e. however, not limited to same):

ELDERLY ABUSE on my Parents which Joe Lee represented through his Testimony that my Parents were suffering from **“Stockholm Syndrome!”**

FORGERY – i.e. wherein we have found from Research Baker Donelson represents that Bank Joe Newsome attempts to raise such **FRIVOLOUS** Claims

Keep in mind **frivolous charges** *that my Mother Pearl would have been able to contest had she not been Murdered* and these were acts for purposes of **attempting to Blackmail me (through offering to present me with documents for signature or threats of bringing frivolous criminal charges against me in efforts of attempting to force me to sign papers, etc.) while being held HOSTAGE!** Criminal acts by Joe Lee Newsome and my Siblings in furtherance of the War Crimes being carried out against me for purposes of **ENSLAVEMENT** – i.e. attempts to make me a Slave through the USA’s **13th Amendment Scams** with knowledge **that their Dred Scott Decision is not applicable to me in that I am of Native Descent and have that nice Certificate of Citizenship that was issued to me to support that I am not a Slave!**

36. **On or about July 11, 2019**, I was able to obtain leave from my Kidnappers for the day (i.e. on a Day Pass). This time was used to Publish my Testimony regarding the 03/25/19 Kidnapping and other War Crimes, etc. leveled against me by USA’s Officials/Representatives, their Legal Counsel Baker Donelson and their CO-Conspirators.

Said Curriculum provide clickable links of projects that I have worked that may serve as further evidence needed by the ICC to prosecute the USA’s Officials/Representatives/Military Members, their Legal Counsel’s Lawyers at Baker Donelson Bearman Caldwell & Berkowitz and/or CO-Conspirators for role(s) carried out in the “*Situation in the Islamic Republic of Afghanistan*” matter.

that the USA's President Donald Trump, United States Congressional Members and their Legal Counsel Baker Donelson with their CO-Conspirators (Town of Utica Mississippi Officials, Hinds County Mississippi Officials, State of Mississippi Officials, etc.) were hoping would never get published as they conspired and sought vehemently to have me Murdered to silence my voice and to eliminate the Utica International Embassy and its Website at:

<https://uticainternationalembassy.website>

Now suppose the announcements warning of the attacks planned on my life were not published nor **"COUNT 4: Conspiracy To Murder"** published? Evidence which is sufficient and now merely needs to be amended to reflect the recent Kidnapping, False Imprisonment, Murder attempts and/or Murder (as that of my Mother Pearl Leo Torrey/Tory Newsome). The publishing of documents such as this instant O&TofVDN also serves as sufficient evidence as it contains my personal observations, research materials, and testimonies, etc. to support information provided herein that is critical and pertinent/relevant to the *"Situation in the Islamic Republic of Afghanistan!"*

39. **On August 26, 2019**, a copy of the International Criminal Court’s September 2003, **“Paper on some policy issues before the Office of the Prosecutor”** was published in our SlideShare Forum; wherein, we have highlighted key points in this document (i.e. although the entire document has proven to be very informative and educational). **Said Paper which I believe support Investigation(s) and Prosecution(s) of USA’s Officials not only in matters** regarding the **“Situation in the Islamic Republic of Afghanistan”** but the **“Situation in the United States of America”** which previous postings and our Embassy Website supports notification to the ICC of our wanting to open a Case/Situation regarding the War Crimes, Criminal Acts and/or Atrocities being carried out here within the *Lands/Territories presently known as the United States of America* by the USA’s Despotism Government Regime’s Nazis/Zionists!

Information we believe to be pertinent/relevant in Investigation(s) and Prosecution of USA Officials/Military Members/Legal Counsel Baker Donelson and/or their CO-Conspirators in that clearly not only is there sufficient evidence to support their War Crimes and other Criminal Acts in the **“Situation in the Islamic Republic of Afghanistan”** but **well established, pattern of practices, failure to act** to stop and/or prevent the USA’s Nazis/Terrorists from engaging in such atrocities, etc. worldwide are clearly present!

42. **On September 17, 2019**, the *International Criminal Court's Pre-Trial Chamber II* authorizes the Prosecutor to Appeal the Decision refusing Investigation. We here at the UIE believe that said decision *is just and fair* and will be even more relieved in the ICC's granting of Investigation(s) and Prosecution(s) of the USA's Officials/Representatives/Employees/Military Members, their Legal Counsel Baker Donelson and their CO-Conspirators for the War Crimes and/or atrocities carried out in the "*Situation in the Islamic Republic of Afghanistan*" as the records of this Court will reflect **an appearance of bias** in this Court's prosecution of War Crimes, etc. against those of Nations-Of-Color vs. that of what are deemed European/White Nations! **No Nation's Leaders, Military, Lawyers, etc. should be above the laws and should not be allowed to influence the ICC's Decision** as it appears the USA's President Donald Trump and his Administration **did in April 2019**, to get the Judges to refuse Investigations under the guise and/or pretense that *I would not be available as a Witness in such matters!*

44. On September 21, 2019, my Mother Pearl calls me (by phone) and advises she has just been served her Breakfast and advised feeling fine. The next thing I know, I am receiving a call advising me that she had passed! It is my belief that in retaliation to the UIE's SUCCESS in shutting down the Venezuela Invasion, and the push for GLOBAL UNIFICATION and advising,

*As the Era of USA dominance has come to an end, let us take this time to reflect on the events that led to such a **HISTORICAL** undertaking, LEARN from our errors/mistakes of past, and make the necessary corrections as we move forward!*

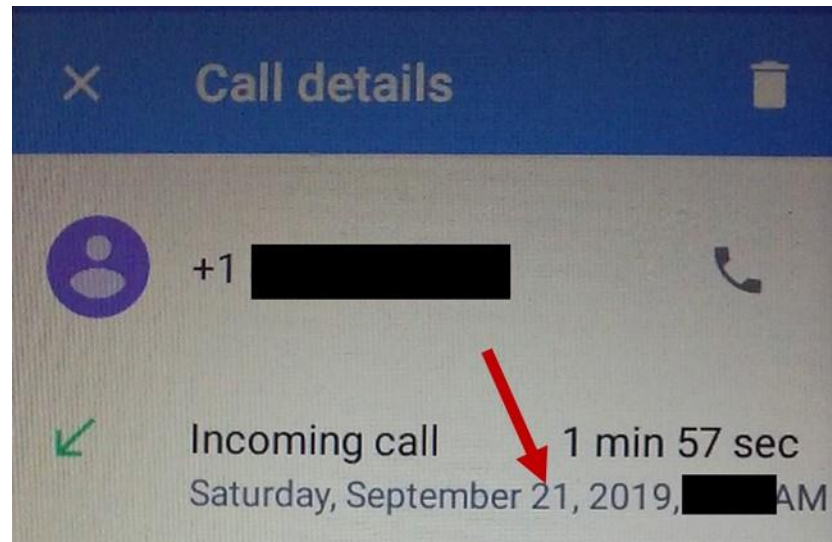

that the United States' Legal Counsel Baker Donelson and its Nazis/Zionists **took advantage of** my Siblings' hatred/envy... towards me and holding *my Parents Hostage* (i.e. **BLOCKING Phone Calls/Communications, PROHIBITING** the making of Phone Calls from my Parents to me as well as **PROHIBITING Visits from me**, advising that I am **NOT** allowed to visit my Parents in Utica etc.) *that such opportunities were used to bring about the Assassination and Murder* of my Mother Pearl Leo Torrey Newsome! These *Hostage-Taking tactics* were issued with *the consensus* of my Siblings – i.e. according to their Spokesperson/Representative *Joe Lee Newsome* (*Baker Donelson's and the State of Mississippi's STAR/KEY Witness*)! Siblings too busy to attend to my Mother Pearl; therefore, turned her over and/or entrusted her life to the STATE (i.e. for care, food, etc.) and depriving her the *in-home attention and care provided by me!* Conspiring with the USA's Legal Counsel Baker Donelson (i.e. who my Mother Pearl **knew to be the enemy** as she was *with us* during the **May 9, 2018** visit to the Jackson Office of Baker Donelson)!

So, on **September 21, 2019**, this would be the **LAST** Day that MY Mother Pearl Leo Torrey Newsome would give me a Phone Call “**SECRETLY**” out of **FEAR** of what may happen to her should my Siblings know she was Communicating with me!

So, **NO!** The first thing that will be tried is attacking my Mother Pearl’s age in attempts to make it appear that at 89 Years Young that she was feeble, on a cain/walker, barely making it, etc. *when she was not!*

MY Mother (Pearl Leo Torrey Newsome), a God-Loving... Woman, FULL OF LIFE that was ABRUPTLY TAKEN!

It was brought to my attention that my Mother Pearl was taken back to “Clinton Healthcare, LLC” (“CHL”) *when she had advised of not wanting to be returned there.* A reasonable mind would ask, “WHY” she would be returned to a facility that *was rebuked in writing on concerns* – i.e. concerns of inappropriate conduct/behavior from the CHL Staff and my Siblings, etc.! It is a good thing my Mother Pearl’s concerns and mine regarding the inadequate care, etc. of CHL was memorialized in writing! Thus, a reasonable mind may conclude *that with knowledge that my Mother Pearl was a Witness to the War Crimes and other Criminal Acts leveled against me,* that the USA’s Officials/Representatives/Employees (i.e. as my Siblings who has an allegiance to their Employers/Masters and Government with no regard for the wellbeing of my Mother) and their Legal Counsel Baker Donelson and their CO-Conspirators had **no regard** for my Mother Pearl’s life! Thus, **in retaliation** and for purposes of hurting me, my Mother Pearl was **MURDERED!**

ON 03/21/19:

Arrived at Clinton Healthcare, LLC (Located at 1251 Pinehaven Drive, Clinton, MS 39056) at approximately 9:30 a.m. to visit Mother (hereinafter, Pearl Newsome) [03-02-30] and was advised that she was in Rehab. Went to Rehab and saw that she was with Jessica (Therapist). Jessica brought to my attention concerns of my Mother **not KNOWING** the Year. Advised that on YESTERDAY (03-20-19) she knew the Year as well as the DATE (03/20); however, in a **24-Hour** Period that her condition could DETERIORATE so **DRASTICALLY** when she was **SINGING, LAUGHING and TALKING** with Family & Friends that came in to visit on the day before (03/20/19) evening. Advised **HOW WELL** she did in Therapy at St. Dominic (on 03/20/19) – i.e. ability to do 1 Lap with walker, rest and then do ½ Lap with walker, Cognitive Testing, Exercises, etc. based on the instructions being given. Based on such assessment we believe St. Dominic’s Staff believed Pearl Newsome [03/02/30] was ready and okay to be TRANSPORTED to **In-House** Rehabilitation Facility and that the *use* of FAMILY/Personal Transportation.

NEVERTHELESS, Brown came into my Mother's Room (101) with Cloteal to get a VERBAL approval which CLEARLY showed my **MOTHER'S RELUCTANCE!** It was during this time that I ADVISED Ms. Brown of **the FALSE Statement** made to Cloteal; wherein, Brown advised that I had INDEED provided her with my Siblings Names, etc. I believe the SCENE was UNCALLED for and was handled in **a VERY UNPROFESSIONAL Manner**, given the **LENGHTY Conversation I had with Jennifer Brown on 03/20/30, during ADMISSION!**

Ms. Brown and Cloteal **sought to get PERMISSION** for the PROVIDING of INFORMATION regarding my Mother (Pearl Newsome [03/02/30]) upon PLACING my Mother **under PRESSURE and DURESS** – which is **UNACCEPTABLE!** Advised that **NO other** Children are to address DECISIONS; again, the proper documentation to be provided to Clinton Healthcare, LLC.

Ms. Brown on 03/02/30, was advised of the information provided to St. Dominic's Medical Staff of my (Denise Newsome) being the **ONLY** person NAMED out of her EIGHT (8) Children Pearl Newsome advised to be approached that she is COMFORTABLE with making DECISION(S) regarding her HEALTH! Ms. Brown proceeded to provide me with the Clinton Healthcare, LLC's **"On Your Behalf"** Handbook; therefore, a REASONABLE mind may also conclude that she was **TIMELY, PROPERLY and ADEQUATELY** advised of our Family Matter; furthermore, CONFIRMED her UNDERSTANDING. Nevertheless, my Mother was EXPOSED and SUBJECTED to UNWARRANTED and UNDUE DURESS/PRESSURE, etc.

With that being said, **PLEASE BE ADVISED,** we are requesting that this FACSIMILE be placed in Pearl Newsome's (03/02/30) Clinton Healthcare, LLC's File. Moreover, "ALL" documents requesting Pearl Newsome's APPROVAL be brought to MY (Denise Newsome's) ATTENTION!

WE ASK THAT THIS INFORMATION BE TAKEN AS **"HIGH PRIORITY"** and UNDERSTAND the CRITICAL NATURE of the Situations that have been CREATED *as a direct and proximate result* of Clinton Healthcare, LLC's and/or its Staff/Employees FAILURE to COMPLY with our request that we were ASSURED was being handled.

WE FURTHER ASK THAT **"NO"** RETALIATION MEASURES BE TAKEN AGAINST PEARL NEWSOME (03/02/30) and MYSELF AS A DIRECT AND PROXIMATE RESULT OF MY and MY MOTHER HAVING TO SUBMIT THIS FACSIMILE FOR IMPLEMENTATION!

We look forward to receiving the information requested **MOST URGENTLY!** Should either of you have further questions, concerns and/or comments, please do NOT hesitate to contact me (Denise Newsome) DIRECTLY at (601) 896-5741 and/or Post Office Box 415, Utica, Mississippi 39175!

With Warmest Regards,

Denise Newsome

We here at the UIE have Photographs of the **full** Life my Mother was living **BEFORE** the procedure and **only** have the **Testimonies** of others I would talk to, of the PROGRESS she made (i.e. another person saying she was, *"like a 'NEW' Person and you would not have known she had went through what she did!"*)

While I had a **Cardiologist** (*who formerly worked at St. Dominic*) who advised of his willingness to handle my Mother's Follow-Up Care and advised what would be needed, my Sibling Cloteal Newsome Turner (i.e. employed at the **US Department of Justice** and, oh, she **was just boasting** about a possible promotion awaiting her) advised me she did **NOT** *want to hear it!* Cloteal is the **same** person who advised me that should something as this arose, that *she would hope that my Mother would be the FIRST to go!* On **September 21, 2019**, Cloteal **received just what she had HOPED!** Why is this information important; because, when the News was released regarding the **death** of Jeffrey Epstein, **I knew that the USA's Legal Counsel Baker Donelson was involved in his MURDER!** Baker Donelson is Legal Counsel for the US Department of Justice!

45. **On September 25, 2019**, it is the work done by us here at the Utica International Embassy that shut down the USA's invasion of Venezuela. Preservation of such evidence in that once powerful information such as this is shared, the goal of the USA's Despotism Government's Nazis/Zionists that control and run the Social Media Forums move to have accounts suspended/shut down for purposes of TAMPERING with evidence, etc. Therefore, we use screen shots as evidence to support our statements and claims!

IF it was wrong for the Nazis' Adolf Hitler and his followers to engage and be prosecuted for their War Crimes, it is wrong for his followers – i.e. the USA's Nazis/Zionists who have implemented Hitler's World Order Agenda – now called the "NEW" World Order – as they implement it across the World specifically targeting Nations-Of-Color resulting in such War Crimes as we are address in the "*Situation in the Islamic Republic of Afghanistan!*"

46. On September 27, 2019, the Appeals Chamber of the International Criminal scheduled a hearing to receive oral arguments in the appeals of victims and of the Prosecutor against Pre-Trial Chamber II's "Decision Pursuant to Article 15 of the Rome Statute on the Authorisation of an Investigation into the Situation in the Islamic Republic of Afghanistan"

<https://www.icc-cpi.int/Pages/item.aspx?name=ma244>

47. On September 27, 2019, I submitted my request to have the Court "unseal" the "STATE OF MISSISSIPPI vs. VOGEL DENISE NEWSOME" matter which has been sealed for purposes of covering up the War Crimes/Criminal Acts of the USA's Despotism Government Regime's Officials/Representatives/Employees and their Legal Counsel Baker Donelson's and their CO-Conspirators' (i.e. State of Mississippi Officials/Hinds County Officials/Town of Utica Mississippi Officials, my Siblings, etc.) who on March 25, 2019, had me Kidnapped, Falsely Imprisoned as they conspired to have me MURDERED as well as my Mother Pearl!

<https://www.slideshare.net/VogelDenise/092719-letteremailfax-to-judge-denise-owens>

48. I bring to this issue (as a Witness) my personal knowledge, experiences and testimonies of the direct attacks of War Crimes and other Criminal Acts that have been launched against me by the USA's Officials/Representatives/Employees and their Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz as well as their CO-Conspirators with the Rules of Procedure and Evidence, the Elements of Crimes and *30+ Years of expertise on the methods, means and practices*, etc. in matters involving the USA's Despotism Government Empire Officials, their Legal Counsel Baker Donelson and their CO-Conspirators as this instant "*Situation in the Islamic Republic of Afghanistan*" and how the USA's Nazis/Zionists went about engaging in War Crimes and other atrocities to get the April 2019, Decision that we are appealing before this Court today!

I have in good faith through this instant O&TofVDN not only described and presented evidence of the Conspiracies launched against me to obtain the Decision in the International Criminal Court's April 2019, ***Decision Refusing Investigation*** in the "*Situation in the Islamic Republic of Afghanistan*," but have presented my personal knowledge, observations and testimonies of "**how**" the USA went about getting said April 2019 Decision and then "**prematurely**" *celebrated* and used their Zionist-Controlled Mainstream Media to boast and/or bolster their victory that was obtained through criminal acts and further War Crimes, etc. *Premature celebrations* directly resulting from the USA's Officials' and their Legal Counsel's knowledge of the War Crimes being carried out against me and *the assurances* given to Mark Dillon and the ICC Judges, *that I would **no longer** be a problem nor a Witness* to such proceedings!

II. SUBMISSIONS

We are here today because of what appears to be a "***Secret Pact***" which one may deem with the Darkness and/or Evils of this World! Here because the United States of America/United States with its CO-Conspirators have elected to *pick up the mantle* of Nazi Leader Adolf Hitler and implement his "World Order" *through what is currently known as the "NEW" World Order* wherein **the object** of said Order and/or Agenda *is Global White Supremacy* – i.e. to make the White Race supreme *over "ALL" other Races and Nations-Of-Color!* Not only an act contrary to National and International Laws, but the Laws of our "Creator!"

We are here today, because after the Nuremberg Trials that put Nazi Leader Adolf Hitler and his followers on Trial for War Crimes, *the World said, "NEVER Again!"* Nevertheless, here we are in the **21st Century** and Adolf Hitler's followers *have managed to infiltrate the United*

States of America's Government, **create a Corporate Empire**, draft Legislation/Laws for purposes of enslaving people against their will, *efforts of legalizing* slavery, building **concentration camps** (i.e. as in the Abu Ghraib scandal...) around the World, and covering up their War Crimes and other atrocities, etc.

When the World said, “**NEVER Again,**” we meant that! Here we are in the midst of **one of the most Historical undertakings** and the USA’s Nazis/Zionists are doing their best to write History based on the lies they want told! In the USA, under their Despotism Empire, they are doing their best to spin the News around their President Donald Trump’s Impeachment Hearings! However, this Court as well as other World Leaders and Nations know that the truth is that the USA’s Despotism Government Empire **has fallen** and the rise of NEW Governments/Nations as **the Utica International Embassy and others** are now emerging here within the Lands/Territories presently known as the United States of America that have been stolen by the White Man/Great

Britain/England! The *fraudulent* Treaties **have expired** and we want our Lands/Territories back!

In further support of this submission, I do hereby further state:

49. This *amicus* brief is submitted in regards to the Appeal of the Pre-Trial Chamber II's ("PTC") Decision pursuant to Article 15 of the Rome Statute on the Authorization of an Investigation into the "*Situation In The Islamic Republic of Afghanistan*" on April 12, 2019. This brief will support that the PTC Judges appear have engaged in unethical conduct and have deliberately engaged in criminal acts for purposes of aiding and abetting the USA's *President Donald Trump*, his Administration and the United States *Congressional Members* in the cover up of War Crimes; moreover, said State's (USA) Officials/Military, etc. *voluntary*, *willful* and *malicious* actions and roles in the War Crimes and other atrocities being

carried out in Afghanistan for Racist/Discriminatory purposes under Adolf Hitler's "World Order" Agenda is worth noting. Thus, the PTC incorrectly engaged in a review of whether it is in "*the interests of justice*" to proceed with the Afghanistan Investigation. Even if such a review were to be applied (*when it should not*), the PTC did not engage in a review of the Prosecutor's determination, but appears, made its own *de novo* assessment – i.e. **pulling a play/move right out of the Playbook of the USA's Legal Counsel Baker Donelson** – of the "*interests of justice*." It is to be made very clear, that the ICC is not to be an International Court **used as a puppet** and to *cave into the whims and decisions* of the USA's President(s), Congressional Members, their Legal Counsel who engage in *further Criminal Acts, War Crimes, Bribery, Threats, Coercion, and Intimidation, etc. against Judges of the ICC (as done with the Judges/Justice in the USA) for purposes of escaping prosecution and justice! While the PTC's Decision is to be reversed on such grounds, if the Appeals Chamber considers the substance of the PTC's Decision, it should be found that the criteria utilized to evaluate the "interests of justice" is **not** within the ordinary meaning of this phrase and has set an impracticable/unusable standard – *shysterly crafted* by the USA – **for future ICC situations!***

50. **We are here** before the International Criminal Court and/or other Tribunals addressing the "*Situation In The Islamic Republic of Afghanistan*" **because the USA's Government Officials have failed to act** on the War Crimes and other atrocities reported to their Officials. We are here today ***because of decades of planning in pushing forward Adolf Hitler's "World Order" Agenda!*** The USA's Nazis/Zionists' Terrorist and Racist attacks **have become continued threats to the Global safety, peace and wellbeing for People-Of-Color and Nations-Of-Color Worldwide!** Failure of the International Governments and/or Foreign Nations to respond to the USA's Domestic Terrorist Attacks that were *planned, orchestrated and carried out* by the USA's Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz, **led the way for these Nazi/Zionist Members to continue on the destructive course they are on that has led to their inevitable demise!** WHY? It is because of our **Public exposure** as is required under National and International Laws to inform the People! *When the White and/or European Governments failed to notify and/or inform us of the conspiracies that are being leveled against us through the USA's/Great Britain's... "NEW" World Order Agenda, then it was our duty and obligation to get the word out by whatever means necessary!* We **are not** allowing those who engage in such atrocities to rest! We are **no longer allowing the rich to hurt and continue on a course of genocide against the poor or what are known as Third-World Nations, etc.!**

U.S. v. Jimenez Recio, 123 S.Ct. 819 (2003) - Essence of a conspiracy is an agreement to commit an unlawful act.

Agreement to commit an unlawful act, which constitutes the essence of a conspiracy, ***is a distinct evil*** that may exist and be punished whether or not the substantive crime ensues. *Id.*

Conspiracy poses a threat to the public over and above the threat of the commission of the relevant substantive crime, both because the combination in crime makes more likely the commission of other crimes and because it **decreases the probability** that the individuals involved will depart from their path of criminality. *Id.*

Enforcement Act of 1870

Section 5 of the **Enforcement Act of 1870:**

“...if **any** person” to “prevent, hinder, control or intimidate” or “to prevent, hinder, control, or intimidate, any person **from exercising** or in exercising the right of suffrage is secured or guaranteed by the **fifteenth amendment** to the Constitution of the United States, by means of bribery, threats, or threats of **depriving such person of employment or occupation**, or of **ejecting such person from rented house, lands, or other property**, or by **threats of refusing to renew leases or contracts for labor** or by threats of violence to himself...”

FAILURE TO ACT ON THE COMPLAINTS TIMELY FILED WITH THE USA’S DESPOTISM GOVERNMENT AGENCIES LED TO MORE WAR CRIMES and ATROCITIES CARRIED OUT BY THE USA’S NAZIS/ZIONISTS! For instance, Investigations into the USA’s Despotism Government Empire will yield the following:

- a) It is a fraudulent Government;
- b) It is controlled/run by the Nazis/Zionists;
- c) Has been set up to **enslave people** – i.e. specifically targeting People-Of-Color and Nations-Of-Color
- d) **The voting system** (i.e. Electoral College, etc.) is a fraud and is designed to adversely impact People-Of-Color and *is a controlled system meant to deceive*;

<https://www.slideshare.net/VogelDenise/november-2010-elections-for-slideshare>

<https://www.slideshare.net/VogelDenise/obamafraudgate-2012-presidential-election-scam>

- e) **Corrupt Judicial System** where the Judges/Justices receive bribes, kickbacks, etc. to render adverse decisions in favor of the USA’s Legal Counsel Baker Donelson and their CO-Conspirators – i.e. in the **November 1998 Equal Employment Opportunity Charge [“EEOC”]** filed by me (*Vogel Denise Newsome vs. Entergy New Orleans, Inc.*)

<https://www.slideshare.net/VogelDenise/020900-complaint-entergy>

a reasonable mind may conclude **that the September 11, 2001, Domestic Terrorist Attacks (“9/11”)** carried out on the World Trade Center Towers and other alleged targets ***could have been avoided*** had an Investigation of individuals engaging in such War Crimes and Criminal Acts been initiated and prosecution of those engaging in wrongdoing been prosecuted. Moreover, had the EEOC informed the Public of the Civil/Criminal wrongs being carried out by Entergy and its Legal Counsel Baker Donelson and their CO-Conspirators, the 9/11 Domestic Terrorist Attacks could have been prevented. Nevertheless, said Domestic Terrorist Attacks were carried out approximately **Three (3) Years later!**

When the matter was taken before the Court(s), the USA’s Legal Counsel Baker Donelson ***assured that one of their tainted and corrupt Judges*** (Morey L. Sear and G. Thomas Porteous) ***were assigned the Case:***

In the case (*Lagies v. Copley*, 110 Cal App 3d 958, 16 Cal Rptr 368), the plaintiff, . . . alleged that officials and managerial employees of his corporate employer abused their positions of authority over him by conduct including demotions, discriminatory treatment, denial of long-accepted avenues of advancement, and defamation of his reputation to his coworkers, . . . and to the public generally, apparently in retaliation for a story which offended the chairperson of the board. The complaint further charged that the individual defendants conspired to get plaintiff to quit, tarnish his reputation, and blackball him by preventing his being hired . . . ; that they published his confidential sources thus destroying his credibility . . . ; that they virtually isolated plaintiff in his place of employment rendering him a de facto pariah, . . . , assigning him to more and more degrading tasks Reversing a dismissal of the complaint, the court held the plaintiff alleged facts and circumstances which reasonably could lead trier of fact to conclude that defendants' conduct was extreme and outrageous. The court noted that according to the pleadings, defendants intentionally humiliated plaintiff, . . . singled him out for denial of merit raises, . . . , blackballed him, thus precluding other employment, . . . thus destroying his credibility . . . , all without just cause or provocation. The court concluded that the pleadings charged more than insult and more than mere direction of job activities.

Hundley v. Louisville & N.R. Co., 48 S.W. 429 (Ky.) - A conspiracy between defendant railroad company and other . . . companies **to prevent discharged employees from obtaining employment**, if unlawful, does not give an employee who has been discharged by defendant a right of action, **unless the conspiracy has been carried out by the refusal to give him employment. . .**

. . . that while engaged in the discharge of his duties he **was wrongfully, unlawfully, and maliciously discharged** by it; that it **wrongfully, unlawfully, and maliciously blacklisted him**; that he was blacklisted wrongfully, unlawfully, maliciously, and falsely by its placing upon its records a pretended cause of discharge, to wit, neglect of duty, with a view of injuring and **preventing him from entering its employment** or that of other . . . companies; that it **had entered into a conspiracy and combination with other . . . companies** by which its employes discharged for cause will not be given employment by other . . . companies; that, on account of its false and malicious acts and its conspiracy with other . . . companies, he **has been deprived of the right to again engage in the**

employment of the defendant or other . . . companies; that **the wrongful acts mentioned were committed for the purpose of making, and had made, it impossible for him to ever again get employment** from the defendant on any of its lines, or from other . . . companies in the United States; . . .

It is the part of every man's civil rights to enter into any lawful business, and to assume business relations with any person who is capable of making a contract. It is likewise a part of such rights to refuse to enter into business relations, whether such refusal be the result of reason, or of whim, caprice, prejudice, or malice. **If he is wrongfully deprived of these rights, he is entitled to redress.** Every person sui juris is **entitled to pursue any lawful trade, occupation, or calling.** It is part of his civil rights to do so. He is as much entitled to pursue his trade, occupation, or calling, **and be protected in it, as is the citizen in his life, liberty, and property. Whoever wrongfully prevents him from doing so inflicts an actionable injury.** For **every injury suffered by reason of a violent or malicious act done to a man's occupation, profession, or way of getting a livelihood, an action lies.** Such an act is an invasion of legal rights. A man's trade, occupation, or profession may be injured to such an extent, by reason of a violent or malicious act, as **would prevent him from making a livelihood.** One who has followed a certain trade or calling for years may be almost unfitted for any other business. To deprive him of his trade or calling is to condemn, not only him, but perchance a wife and children, to penury and want. **Public interests, humanity, and individual rights, alike, demand the redress of a wrong which is followed by such lamentable consequences.** A . . . company has the right to engage in its service whomsoever it pleases, and, as part of its right to conduct its business, is the right to discharge any one from its service, **unless to do so would be in violation of contractual relations with the employé.** It is the duty of a . . . company to keep in its service persons who are capable of discharging their important duties in a careful and skillful manner. **The public interest, as well as the vast property interests of the company, require that none other should be employed by it. Its duty in this regard and its right to discharge an employé does not imply the right to be guilty of a violent or malicious act, which results in the injury of the discharged employé's calling.** The company has the right to keep a record of the causes for which it discharges an employé, but in the exercise of this right **the duty is imposed to make a truthful statement of the cause of the discharge.** If, by an arrangement among the . . . companies of the country, a record is to be kept by

them of the causes of the discharge of their employés, and when they are discharged for certain causes the others will not employ them, it becomes important that **the record kept should contain a true statement of the cause of an employé's discharge. A false entry on the record may utterly destroy and prevent him from making a livelihood at his chosen business. Such false entry must be regarded as intended to injure the discharged employé; therefore a malicious act. . . .“A tort may be dependent upon, or independent of, contract. If a contract imposes a legal duty upon a person, the neglect of that duty is a tort founded on contract; so that an action ex contractu for the breach of contract, or **an action ex delicto for the breach of duty, may be brought, at the option of the plaintiff.**” It was one of the purposes of the common law to protect every person against the wrongful acts of every other person, and it did not matter whether they were committed by one person or by a combination of persons, and under it an action was maintainable for injuries done by disturbing a person in the enjoyment of any right or privilege which he had. It is said in Cooley, Torts, 278: “Thus, if one is prevented, by the wrongful act of a third party, from securing some employment he has sought, he suffers a legal wrong, provided he can show that the failure to employ him was the direct and natural consequences of the wrongful act.” It is said in 1 Add. Torts, 14: “**When a violent or malicious act is done to a man's occupation, profession, or way of getting a livelihood, there an action lies in all cases.**” The plaintiff does not seek to recover because he was discharged in violation of a contract which he had with the defendant. He does not allege that he had a contract with it to perform services for it for a given length of time. **He seeks to recover damages for its alleged wrongful act in making the false entry upon its record against him, to prevent him from pursuing his calling by rendering it impossible for him to get employment from other . . .companies.****

..

The liability is damages for doing, not for conspiracy. The charge of conspiracy does not change the nature of the act. **In an action for damages, there must be some overt act, consequent upon the agreement to do a wrong, to give the plaintiff a standing in a court of law.** Jag. Torts, 638; Cooley, Torts, 279

THE GANG THAT KILLED ABRAHAM LINCOLN

A Kidnap Conspiracy That Turned Into Murder

By Hoag Levins

CAMDEN, N.J. -- In the century and a half since it happened, populist history has largely boiled down the assassination of Abraham Lincoln to the story of a single perpetrator: John Wilkes Booth. But in his appearance at the Camden County Historical Society, Lincoln scholar Hugh Boyle made clear that the *real* story is a sprawling epic.

Photo: National Archives

Four of the eight convicted for participating in the conspiracy to assassinate Lincoln in April of 1865 died on the gallows three months later. [Larger photo.](#)

It involves a gang of Confederate operatives and sympathizers that first plotted to kidnap the President and, when that failed, decided to murder not only him, but the Vice President and Secretary of State as well. Their goal was to decapitate and destabilize the federal government in hopes of forcing a settlement to the war that would avoid the South's total defeat. In the end, they managed to kill Lincoln and seriously injure Secretary of State William Seward.

We got something for you!

They're going to do it right this time!

51. We are here today before the International Criminal Court in the “*Situation In The Islamic Republic of Afghanistan*” because the USA’s Despotism Government Officials, their Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz and their CO-Conspirators ***failed to Investigate and Prosecute*** those under their Government for the *War Crimes, Torture, Atrocities*, reported regarding said Situation. Instead, the USA’s Nazis/Zionists **allowed for their Legal Counsel Baker Donelson to make a mockery** of the Legislative/Tribunal processes *for purposes of covering up their War Crimes and other criminal acts* as I have noted from the following excerpt of Videos of the proceedings that are a matter of Public Record and information that is critical as well as relevant/pertinent to this instant matter before the ICC!

52. I find it disturbing that many other groups – i.e. as the Jews/Zionist – have been given Reparations and/or Restitution as survivors of the War Crimes and atrocities leveled against them; however, to date, I as well as others have failed to receive Reparations and/or Restitution for the War Crimes and atrocities, etc. that we suffer from the direct attacks of the USA’s Despotism Government Officials and their Nazis/Zionists that control and run their Despot!

Now the USA’s Nazis/Zionists are using their Despotism Government, Legal Counsel Baker Donelson and other CO-Conspirators (i.e. Banks as J.P. Morgan Chase Bank, Bank of America, etc.) to steal property/lands through fraudulent evictions/foreclosures that specifically target People-Of-Color/Nations-Of-Color and are clearly War Crimes, Apartheid, Crimes Against Humanity, etc.

Civil/Human Rights Litigation

In re Holocaust Victim Assets Litigation: Through membership on the executive committee in cases brought by Holocaust survivors against the three largest Switzerland-based banks, this litigation was settled for \$1.25 billion. (105 F. Supp.2d 139 (E.D.N.Y. 2000)).

In re Nazi Era Cases Against German Defendants Litigation: Through the firm's co-lead counsel role, cases against German industry and banks for the use of slave and forced labor during the Nazi era were ultimately settled in the context of international negotiations which created a fund for victims of \$4.5 billion. (198 F.R.D. 429 (D.N.J. 2000)).

Consumer Litigation

Countrywide Predatory Lending Enforcement Action: Berger & Montague advised the Ohio Attorney General (and several other state attorneys general) regarding predatory lending in a landmark law enforcement proceeding against Countrywide (and its parent, Bank of America) culminating in 2008 in mortgage-related modifications and other relief for borrowers across the country valued at some \$8.6 billion.

- 53. In support of this instant O&TofVDN, I incorporate ***In Re Nortel Networks Corp. "ERISA" Litigation*** because it provides supporting information of how past legal matters addressing such wrongs before us today are documented in court records. Nevertheless, you have the USA's Officials/Representative/Military and their Legal Counsel *out here running rogue and/or rampant in carrying out such atrocities in their quest for a "NEW" World Order* with the support of their Allies because for some delusional purposes they thought they were above the laws and could not be prosecuted (when indeed they can)! ***In Re Nortel*** states in part:

"We must be frank. It was the American lawyers, through the lawsuits they brought in U.S. courts, who placed the long-forgotten wrongs by German companies during the Nazi era on the international agenda. It was their research

and their work which highlighted these old injustices and forced us to confront them. Without question, we would not be here without them....For this dedication and commitment to the victims, we should always be grateful to these lawyers.”

Not only do you have the USA’s Nazis/Zionists *engaging in Domestic Terrorist Acts* here within the Lands/Territories presently known as the United States of America, you have what are known as the World Leaders remaining silent as such War Crimes are being carried out by Nazis/Zionists and framing other Faith/Religious Groups’ (i.e. as Islam and/or Muslims, etc.) Members *and having them Kidnapped and Falsely Imprisoned*, etc. **for crimes they did not commit!** !This is unacceptable and must stop. Failure to act when the USA’s Nazis/Zionists carried out Domestic Terrorist Attacks in the:

have led the Nazis/Zionists to believe that they could continue to engage in such War Crimes and invade Afghanistan without consequences (i.e. which they are wrong and can be prosecuted for War Crimes involving the “*Situation In The Islamic Republic of Afghanistan!*”

I am the Author of the October 18, 2019 document submitted to the ICC and others setting forth evidence *of how* the United States of America’s Legal Counsel Baker Donelson went about placing its Attorneys/Lawyers *in key/top* positions in the USA’s Government to carry out the 9/11 World Trade Center Domestic Terrorist Attacks and other alleged War Crimes, etc. and incorporate said evidence provided at the following links as if set forth in full herein:

54. **On May 16, 2019**, my Kidnappers had me taken to the *Mississippi State Hospital to have me Murdered, I was not expected to come out alive!* While it was supposed to be an “all-women’s” facility, on my first night there, they had a man come in to be sure that I was FORCED to take a pill that was to bring about my death in my sleep! He advised that if it was not taken orally, they *would have me INJECTED!* Over my objections and threat on my life the dissolvable pill was given to me; after which the man asked to check my mouth and under my tongue (*i.e. thinking that I had swallowed it (when I did not).*) Placing what I could back in the cup he so eagerly disposed of in his obsession on focusing on checking my mouth). So **no**, I was not supposed to come out and **the dissolvable pill was designed to kill/murder me while I slept!** Had the USA’s Officials and their

Legal Counsel Baker Donelson been successful in bringing about my death/murder, they would have created a lie to cover up their Client's (Mississippi State Hospital) War Crimes and reported my death as *natural causes* – i.e. as was done with my Mother Pearl Leo Torrey/Tory Newsome!

IT's what the United States is PUTTING in the NEEDLES that it DOESN'T want YOU to KNOW!

The faces Baker Donelson's HEALTH CARE PLAN: The GOVERNOR of the United States GENOCIDE Practices. Baker Donelson FAILED under White Presidents, so they used BARACK OBAMA and "Played the RACE CARD in its BEHIND-The GOOD DEALS"

Baker Donelson Bearman Caldwell & Berkowitz

From about May 17 to June 10, 2019, my Kidnappers then began calling in the Police to witness my being injected **twice (2 Times) a day** with drugs/medications alleged to be Olazapine/Zyprexa! Doing so twice a day in my right buttock as they continued to watch and observe for signs of the drugs/medications impact on me. Later, requesting to allow them to administer in the left since they were not getting the results they were looking for. I continued to object and the Police were repeatedly called in to witness “all” injections and complete Police Reports for such calls!

About **June 10, 2019**, I was advised that if there was any hope for my obtaining my Freedom that I *would have to take their drugs/medications orally*. Based on such threats, information and working to obtain my freedom *in that the USA failed in getting me to sign documents agreeing to being admitted to the Mississippi State Hospital as well as failed to get me to agree to Treatment!* Time was spent on trying to get me to allow myself to be enslaved and to become a “Ward of the State of Mississippi” which I refused! Nevertheless, staying focused on securing my safety, sanity and wellbeing given the duress, unlawful and criminal circumstances, etc. I had been placed under! **IMPORTANT TO NOTE:** It was a Nurse Practitioner (Laura Johnson) **that was making such misdiagnosis** for purposes of *experimental* testing of **new** drugs/medications *on humans* and engaging in criminal acts that (according to Dr. Maxie Gordon) *have been going on for quite some time with knowledge of wrongdoing*; however, **procedures that** the State of Mississippi and its Mississippi State Hospital *have been using for years!*

55. I am confident that the Investigations and Prosecutions of individuals involved in these War Crimes and atrocities carried out against me will attempt to deny that they labeled me “BLACK” and proceeded to violate my Human Rights and/or Protected Rights alleging that I am a Slave (when I am not) with “no” rights under the United States of America’s/United States Constitution in efforts of applying the “Dred Scott” Decision which is not applicable to me! Neither am I a descendant of Slaves but am of Native descent (i.e. the White man has labeled as “Indians”)! If anything, I am going to refer to that nice Certificate of Citizenship that the USA issued to me in 1972, verifying allege Citizenship under their Constitution and/or Laws! A Certificate of Citizenship that sparked retaliatory acts and threats leveled against myself as well as the International Criminal Court upon my revealing said evidence through my September 7, 2018, correspondence that is referenced in ICC’s Mark P. Dillon’s letter of April 4, 2019! (EMPHASIS Added)

56. Since my research into the handling of our International Criminal Court matter, and concerns from the *News Articles* that ran shortly after my March 25, 2019, Kidnapping, False Imprisonment, Conspiracies to have me Murdered, etc., I believe a reasonable mind may conclude that the War Crimes and other atrocities leveled against me **were in retaliation** of my being a *key/viable* Witness in the ICC's matter involving the *Situation in the Islamic Republic of Afghanistan!* Therefore, on November 9, 2019, through the Utica International Embassy, we released a Public/Worldwide Announcement regarding:

**PUBLIC/WORLDWIDE ANNOUNCEMENT

57. I have observed lately the Public Announcements assuring that Heads of States are not above the laws! We look forward to challenging such announcements (through the *“Situation in the United States of America,”* etc.) as we will seek extensive investigations as to what (*if anything*) the Queen of England Elizabeth II and Pope Francis know about the War Crimes and other atrocities being carried out by the USA's Despotism Government Officials, their Legal Counsel Baker Donelson *around the World* and whether or not the Queen and/or the Pope are financially benefiting from said War Crimes and atrocities! Talking about *Spiritual*

Wickedness in high places! I believe the World deserves to know what roles (*if any*) **Queen Elizabeth and/or the Royal Family** as well as Pope Francis and/or the Vatican are playing in such fraudulent scams that seek to enslave the People through such the enforcement of such War Crimes and other Criminal Acts! I believe that if the Queen/Buckingham Palace and/or the Pope/Vatican are enriching themselves on the sufferings of People-Of-Color/Nations-Of-Color, then the Public/World has the right to know and we here at the Utica International Embassy have a duty and obligation to expose said War Crimes, etc. ***Fear is not an option!***

Further evidence we will use to support our request for Investigations and Prosecutions not only in the *“Situation in the Islamic Republic of Afghanistan”* but the *“Situation in the United States of America”* which we have already advised the ICC we are wanting to bring as out the UIE Website reflects! Evidence to support that on May 6, 2019, during that *“STATE OF MISSISSIPPI vs VOGEL DENISE NEWSOME”* my Kidnapping was done for purposes of maliciously shutting down my accounts affiliated with such matters for purposes of harassment, threats, intimidation and coercion, etc. to force me into contracts which we have lawfully/legally rescinded that sought to enslave me as well as other Citizens of the Utica International Embassy!

Enough of the GAMES!

The Account Holder/Owner is **NOT** Pearl Newsome (Deceased)
 The Account Holder/**Owner IS Vogel Denise Newsome** and is set up under MY Name and EMAIL!

To the DISAPPOINTMENT of USA President Donald Trump and his Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz, I am VERY MUCH ALIVE!

The DOMAIN Name is – VOGEL DENISE NEWSOME - - - **vogeldenisenewsome.com**

We are in GOOD FAITH demanding that Griotsite provide me with the EVIDENCE to support that Pearl Newsome "IS" the Account Holder and NOT Vogel Denise Newsome! LOL!

We are so glad that Griotsites does NOT have the "uticainternationalembassy.website" domain! If necessary, we will roll other ways and get "ALL" future Domains up under the "SAME" umbrella "BEFORE" the EXPIRATION Dates to "PROTECT" that Domain in which on 03/25/19, Baker Donelson had me KIDNAPPED over! As shown through the attached photo, we at least TRIED to in good faith go and talk to USA's Legal Counsel on May 9, 2018, to NO AVAIL! Attorney Scott Pedigo (Managing Partner at Baker Donelson) HID and they had my NAME at the TOP of the List on the Receptionist's (Dawn Warrington) notepad! LOL!

Keeping in mind that under the United States President Barack Obama's Administration, their Legal Counsel Baker Donelson came after my accounts with OneWebHosting and BlueHost during his RE-ELECTION Campaign which advised the Public to report Websites such as mine! *So this is NOT the first time the USA's President and Legal Counsel have sought to gain access of "vogeldenisenewsome.com" through criminal acts!* Evidence we look forward to showing supports the USA's **Racketeering Empire** and the War Crimes carried out through such matters as the "*Situation in the Islamic Republic of Afghanistan!*" Under "**Despotism**" Empires, the Nazis/Zionists have to control information released to the Public/World! *We encourage the ICC Officials to read the following documents to understand such malicious attacks not only on my life but that on my freedom of speech and other protected rights that have resulted in our rescinding contracts and lawfully moving out with "New" Governments that will afford us to not be oppressed and/or enslaved under Despotism Government Empires as the United States of America!*

While the USA's BLACKS/Slaves *were entertaining the White Woman's* son (Barack Obama), **the groundwork was being laid** for us to move out with Government(s) that will benefit us. According to a television interview given by Barack Obama in 2012, he advised that Washington *can only be changed from the "OUTSIDE!"* So Barack Obama spoke, **so said CHANGE is coming** – i.e. from the OUTSIDE!

RE: **UPDATE AND URGENT REQUEST REGARDING: Emergency Complaint and Request for Legislature/Congress Intervention; Also Request for Investigations, Hearings and Finding**

Dear President-Elect/Senator Obama:

CONGRATULATIONS on your November 4, 2008 **PRESIDENTIAL** Victory!!!! Truly history was made on this date and America spoke for CHANGE. Congratulations to you, Michelle, Joe Biden, Jill, your family, friends and the many supporters and citizens (as me) who voted for you and for CHANGE! I pray that you remain *HUMBLE* and seek God for direction in all that you do.

I take the fight for Civil Rights and many other protected rights very seriously and believe you will find from the documentation provided you and/or sent you that this is true. Not only that that I was fighting for such causes during the times you were working in the communities – just in different states. I am still fighting and will continue to fight; however, like you advised you are going to need us working with you as President in our communities. I am going to need you working for me as well as those on whose behalf I am fighting for while you are our President and believe this can be done (YES, WE CAN!!!). Therefore, please take the time to review the attached documents as well as the July 13, 2008 Complaint sent to your attention and advise or have your Aid(s) contact me regarding the status.

If you don't hear our RATTLE, then feel the BITE!!

In conclusion, I, Vogel Denise Newsome, have submitted this instant Amicus Curiae on the appeal of Pre-Trial Chamber II's "*Decision pursuant to Article 15 of the Rome Statute on the Authorisation of an Investigation into the Situation in the Islamic Republic of Afghanistan*" rendered April 12, 2019" in good faith and request "**Emergency Leave To Submit**" it should it be deemed out of time considering the unique and ordinary circumstances that have resulted in the

attacks on my life, liberties, freedoms, human rights, and other protected rights secured to me under International Laws governing said matters for purposes of tampering with me as a Witness and to obstruct the submittal of such Testimonies critical this this matter!

As mentioned above, I incorporate by reference (as if set forth in full herein) the Trahan Observations.

This instant O&TofVDN has not been provided for purposes of delay, harassment, obstruction of justice, intimidation, threats, to increase cost of litigation, etc. but is submitted in the interest of justice and out of my duty and obligation to inform this Court as well as the Public/World of the evidence relevant to the appeal in this matter that the United States of America's Officials/Representatives and their Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz has not made known to said Court and/or the Public!

I am legally and/or lawfully authorized to submit on behalf of myself as well as the Utica International Embassy this instant O&TofVDN, which is based on our Research, Information, Investigations, Personal Knowledge and/or Beliefs, etc.

As the Interim Prime Minister as well as in my Personal capacity, I am competent to testify to the matters set forth in this instant O&TofVDN and, thus, ask that the ICC accept this at my testimony to be presented in this matter.

I reserve the right to amend this O&TofVDN should it be deemed necessary.

Thus submitting in good faith my *Amicus Curiae* Brief which contains my observations and testimonies, etc.
