## U.S. Army battling racists within its own ranks

**ROBERT BALES SHOOTING (Afghanistan 2012)**  
This is the United States Army Soldier that **COMMANDER-IN-CHIEF President Barack Obama** and his **RACIST/WHITE SUPREMACIST** Legal Counsel Baker Donelson and the United States CONGRESS had **SNUCK out of Afghanistan** – i.e. shooting may have been carried out over a \$1.00 Bet:

(Reuters) - They call it "rahowa" - short for racial holy war - and they are preparing for it by joining the ranks of the world's fiercest fighting machine, the U.S. military.

White supremacists, neo-Nazis and skinhead groups encourage followers to enlist in the Army and Marine Corps to acquire the skills to overthrow what some call the ZOG - the Zionist Occupation Government. Get in, get trained and get out to brace for the coming race war.

If this scenario seems like fantasy or bluster, civil rights organizations take it as deadly serious, especially given recent events. Former U.S. Army soldier Wade Page opened fire with a 9mm handgun at a Sikh temple in Wisconsin on August 5, murdering six people and critically wounding three before killing himself during a shootout with police.

The U.S. Defense Department as well has stepped up efforts to purge violent racists from its ranks, earning praise from organizations such as the Southern Poverty Law Center, which has tracked and exposed hate groups since the 1970s.

Page, who was 40, was well known in the white supremacist music scene. In the early 2000s he told academic researcher Pete Simi that he became a neo-Nazi after joining the military in 1992. Fred Lucas, who served with him, said Page openly espoused his racist views until 1998, when he was demoted from sergeant to specialist, discharged and barred from re-enlistment.

While at Fort Bragg, in North Carolina, Page told Simi, he made the acquaintance of James Burmeister, a skinhead paratrooper who in 1995 killed a black Fayetteville couple in a racially motivated shooting. Burmeister was sentenced to life in prison and died in 2007.

No one knows how many white supremacists have served since then. A 2008 report commissioned by the Justice Department found half of all right-wing extremists in the United States had military experience.

"We don't really think this is a huge problem, at Bragg, and across the Army," said Colonel Kevin Arata, a spokesman for Fort Bragg.

"In my 26 years in the Army, I've never seen it," the former company commander said.

Experts have identified the presence of street gang members as a more widespread problem. Even so, the Pentagon has launched three major pushes in recent decades to crack down on racist extremists. The first directive was issued in 1986, when Defense Secretary Casper Weinberger ordered military personnel to reject supremacist organizations.

That failed to stop former Marine T.J. Leyden, with two-inch SS bolts tattooed above his collar, from serving from 1988 to 1991 while openly supporting neo-Nazi causes. A member of the Hammerskin Nation, a skinhead group, he said he hung a swastika from his locker, taking it down only when his commander politely asked him to ahead of inspections by the commanding general.

"I went into the Marine Corps for one specific reason: I would learn how shoot," Leyden told Reuters. "I also learned how to use C-4 (explosives), blow things up. I took all my military skills and said I could use these to train other people," said Leyden, 46, who has since renounced the white power movement and is a consultant for the anti-Nazi Simon Wiesenthal Center.

## RATTLED BY OKLAHOMA BLAST

In 1995, eight months before the Fort Bragg murders, two former Army soldiers bombed the Oklahoma City federal building, killing 168 people. With a growing awareness of the spreading militia movement, the Pentagon in 1996 banned military personnel from participating in supremacist causes and authorized commanders to cashier personnel for rallying, recruiting or training racists.

"What's scary about Page is that he served in the 1990s when putatively this was being treated quite seriously by the military. There's plenty of other Pages who served during the war on terror, and we don't know what they're going to be doing over the next decade or so," said Matt Kennard, author of the forthcoming book "Irregular Army: How the U.S. Military Recruited Neo-Nazis, Gang Members and Criminals to Fight the War on Terror."

Kennard argues the U.S. military was so desperate for troops while fighting simultaneous wars in Iraq and [Afghanistan](#) that it allowed extremists, felons and gang members into the armed forces.

The military can grant a "moral waiver" to allow a convicted criminal or otherwise ineligible person into the armed forces, and the percentage of recruits granted such waivers grew from 16.7 percent in 2003 to 19.6 percent in 2006, according to Pentagon data obtained by the Palm Center in a 2007 Freedom of Information Act request. But the Pentagon says no waiver exists for participation in extremist organizations.

"Our standards have not changed; participation in extremist activities has never been tolerated and is punishable under the Uniformed Code of Military Justice," said Eileen Lainez, a Defense Department spokeswoman.

The Pentagon's third directive against white supremacists was issued in 2009 after a Department of Homeland Security report expressed concern that right-wing extremists were recruiting veterans returning from wars overseas.

The Pentagon's 2009 instruction, updated in February 2012, directs commanders to remain alert for signs of racist activity and to intervene when they see it. It bans soldiers from blogging or chatting on racist websites while on duty.

"This is the best we've ever seen," said Heidi Beirich, leader of the Southern Poverty Law Center's intelligence project, referring to the Pentagon's attitude. "It was really disheartening under the Bush administration how lightly they took it, so this is a major advance."

Her group monitors online chatter among self-described active-duty warriors serving overseas and reports it to military officials. It also receives regular calls from military investigators asking about racists in the service.

The Southern Poverty Law Center and the Anti-Defamation League (ADL), another civil rights monitor, have helped train officers on how to spot extremists, although Mark Pitcavage, director of investigative research at the ADL, says the military lacks comprehensive training for recruiters and commanders. He called the military's reaction when alerted to white supremacists "patchy."

"We've discovered a great range of response, from getting a phone call the next day saying, 'He's already out,' to not doing anything at all," Pitcavage said.

THE TATTOO MATRIX

The Army showed Reuters a one-hour presentation it says was designed to educate soldiers and Army leaders about its extremism policy and how to respond, including to white supremacy groups. Penalties for extremist ideology may include being removed from the military, having security clearances yanked or being demoted.

"The standard hateful message has not been replaced, just packaged differently with issues like freedom of speech, anti-gun control themes, tax reform and oppression," the presentation says, noting that recruitment may be difficult to detect, occurring quietly "in bars and break areas" on bases.

The presentation instructs Army leaders to look out for tattooed symbols of lightning bolts, skulls, swastikas, eagles and Nordic warriors. Skinheads may have tattoos showing barbed wire, hobnailed boots and hammers.

In a detailed flowchart called a "Tattoo Decision Support Matrix," Army leaders are shown how to respond to various tattoos. At the time of publication, the Army was unable to identify the locations where this course was being taught.

SCREENING OUT ROGUES

"We're very strict on the tattoo policy here within this recruiting station," said Sergeant Aaron Iskenderian, head of the Army recruiting office in Fayetteville, the Army town next to Fort Bragg.

With the United States withdrawn from Iraq, winding down from Afghanistan and unemployment stuck above 8 percent, recruiters can be choosy again.

Iskenderian cited the example of a young man who came in recently with a tattoo of the Confederate flag.

"We're in the South here. It's considered Southern heritage. It's on the General Lee," Iskenderian said, referring to the car from the television show "The Dukes of Hazzard."

"Is it racist? I asked him, 'What does it mean to you?' and he said, 'Southern pride.'"

The potential recruit also told Iskenderian he had a black girlfriend. Iskenderian sent the issue up the chain of command, and the young man was rejected.

Academics who study white supremacists say proponents of the "infiltration strategy" of joining the U.S. military have adapted, telling skinheads to deceive military recruiters by letting their hair grow, avoiding or covering tattoos, and suppressing their racist views.

"You have to differentiate between some of the grandiose fantasies of some of the leaders of the movement and what actually is going on," cautioned the ADL's Pitcavage.

For neo-Nazis who get past the screeners, as with the gang members, the military needs a comprehensive strategy, said Carter F. Smith, a former military investigator who is now a professor of criminal justice at Austin Peay State University in Tennessee.

"They are some of the most disciplined soldiers we have. They really want to learn to shoot those weapons," Smith said. "The problem wasn't just that we were opening the floodgates to let them in. We let them out after prosecution or when their time was up and we didn't let the police know."

FROM GEORGE ZIMMERMAN

OPERATOR            Sanford Police Department. This line is being recorded this is Sean(?)

ZIMMERMAN        :04        Hey, we just had some break-ins in my neighborhood and there's a real suspicious guy. Ah, it's Retreat View Circle. Um the best address I can give you is 111 Retreat View Circle. This guy looks like he's up to no good or he's on drugs or something. It's raining and he's just walking around looking about.

OPERATOR            Okay, and is this guy White, Black or Hispanic?

ZIMMERMAN        :28        He looks Black.

OPERATOR            Did you see what he was wearing?

ZIMMERMAN        :32        Yeah. A dark hoodie like a gray hoodie and either jeans or sweat pants and white tennis shoes. He's here now. He was just staring.

OPERATOR            Oh, he's just walking around the area . . .

NEWSOME'S COMMENTS.

1) Zimmerman it appears is *playing to the 911 Operator* and continuing to "SET THE STAGE" by stating alleged suspect/Trayvon Martin is "Looking at ALL the houses" –i.e. again to IMPLY that Martin is *casing the neighborhood for purposes of committing crimes.*

2) Again, Zimmerman appears to be "SETTING THE STAGE" for *PREMEDITATION for Murder* and a *CONFRONTATION* with alleged suspect/Trayvon Martin to use his *PREMEDITATED "Stand-Your-Ground" Defense* by stating, "Now he's just *STARING at me.*" . . . "Now he's coming *TOWARDS me*" . . . "He's got his hand in his waistband and he's a BLACK male" –

		(interrupted by Zimmerman)	i.e. attempting to <b>NOW</b> make it <b>appear</b> that suspect/Trayvon Martin may be <b>“PACKING/TOTING/CARRYING a concealed weapon/gun within his pants and approaching him.” DELIBERATELY,</b> attempting to paint a <b>GANGSTER</b> -Style <b>image</b> of alleged suspect/Trayvon Martin and <b>Re-EMPHASIZING</b> race as <b>BLACK!</b>
ZIMMERMAN	:45	Looking at <i>all</i> the houses.	
OPERATOR		Okay.	
ZIMMERMAN		Now he’s <b>just staring</b> at me.	
OPERATOR		Okay. Is this 1111 Retreat View or 111?	
ZIMMERMAN		That’s the. . . That’s the Clubhouse.	
OPERATOR		That’s the Clubhouse? . . . (interrupted by Zimmerman)	
ZIMMERMAN		(inaudible ? That’s what I’m telling you)	
OPERATOR		He’s near the Clubhouse right now?	
ZIMMERMAN	:58	Yeah, and <i>now he’s coming towards me.</i>	3) <b>PREMEDITATION:</b> From the <b>sound effects</b> in the <b>background</b> while Zimmerman is talking, it appears that he may be <i>getting out his gun and preparing to use it!</i>
OPERATOR		Okay.	
ZIMMERMAN	1:03	<i>He’s got his hand in his waistband and he’s a Black male.</i>	

OPERATOR		Okay. How old would you say he is? . . . (interrupted by Zimmerman)	
ZIMMERMAN		He’s got a button on his shirt. Late teens.	<b>NEWSOME’S COMMENTS:</b>  1) Zimmerman (i.e. <b>Criminal Justice MAJOR</b> ) it appears is playing to the 911 Operator and continuing to <b>“SET THE STAGE”</b> by stating, <i>“Something’s wrong with him.</i> . He’s coming to <b>CHECK ME</b>

OUT. *He's got SOMETHING in his hand . ."* for the PREMEDITATED "Stand-Your-Ground" Defense. (Dahh – Going to a STRANGER'S – i.e. who could be a CHILD MOLESTER/MURDERER [i.e. *which the latter appears to be the case* – a MURDERER] vehicle to CONFRONT him?)

2) Zimmerman for the cover-up of PREMEDITATED Murder and *to play to the "Stand-Your-Ground" Defense* that he feared for his life interjects, "can you get an Officer over here?" while preparing to use his gun – i.e. FAILING to advise the Operator that *he had a GUN!*

3) Zimmerman's obscenity and statement claiming, *"they ALWAYS get away"* ESTABLISHES AN ADMISSION OF A PATTERN-OF-PRACTICE WITH HIM ("Crying WOLF") and PREMEDITATION that alleged suspect/Trayvon Martin WILL NOT get away! The Operator clearly wanted to be advised if suspect/Trayvon Martin did anything else. Zimmerman disappointed the Operator did not seem to be handling the call the way he wanted him to.

4) Zimmerman has a CREDIBILITY issue as well. Under OATH at a hearing on Court on this matter, he states:

*I wanted to say that I am sorry for the loss of your son. I did not know how old he was. I thought he was a little bit younger than I am. .*

Of course testimony that President Barack Obama and his Legal Counsel would love to keep the PUBLIC/WORLD from hearing and/or seeing.

OPERATOR Late teens. Okay.

ZIMMERMAN 1:17 Um hum. **Something's wrong with him.** Yep, *he's coming to check me out.* He's got something in his hand. I don't know what his deal is.

OPERATOR		Okay, just let me know . . . (interrupted by Zimmerman)	
ZIMMERMAN		. . . can you get an Officer over here?	
OPERATOR		if he does anything okay. . . Yeah we got them on the way. Just let me know if this guy does anything else.	
ZIMMERMAN	1:35	Okay. <b>God (?) these a@@holes, they always get away.</b> Yep. When you come to the Clubhouse, you come straight in and make a left. Actually, you would go past the Clubhouse.	
OPERATOR		Okay. You say it’s on the left-hand side from the Clubhouse?	
ZIMMERMAN	1:57	No, you go in straight through the entrance and then you’d make a left. Ah yeah. You go straight in, don’t turn and make a left. <b>Sh@t he’s running!</b> (sound in background as if car chime – door opening & being slammed shut/closed – sound of wind gush)	<div>NEWSOME’S COMMENTS:</div> <div>1) Zimmerman using obscenity <i>claims that suspect/Trayvon Martin is RUNNING!</i> Sounds as though <i>Zimmerman RUSHES to get out of vehicle</i> because one can hear chime and door opening and being <b>SLAMMED shut then wind GUSHING!</b> Zimmerman telling Operator that suspect/Trayvon Martin is RUNNING!</div>
OPERATOR		He’s running? Which way is he running? ( <i>sound of wind gush still going in background</i> )	
ZIMMERMAN		Uh, down towards the ah other entrance of the neighborhood.	
OPERATOR		Okay. Which entrance is that, that he’s heading towards? ( <i>sound of wind gush still going in background</i> )	
ZIMMERMAN	2:17	The back entrance. <b>These Fu@ @king Coons!</b> ( <i>sound of wind gush still going in background</i> )	<div>2) <b>PREMEDITATED MURDER – “HATE CRIME.”</b> Zimmerman calls allege suspect/Trayvon Martin a <b>RACIST</b> slur <b>“Fu@@king COONS!”</b> This <b>RACIST</b> alleged to be <b>WHITE</b>–Hispanic!</div>
OPERATOR	2:22	<b>Are you following him?</b> ( <i>sound of wind gush still going in background</i> )	
ZIMMERMAN	2:25	<b>Yeah.</b> ( <i>sound of wind gush still going in background</i> )	<div>3) Zimmerman was asked by the Operator, <b>“Are you following him?”</b> Zimmerman Answering, <b>“Yeah.”</b> Operator advised Zimmerman <b>“we don’t need you to do that.”</b> Nevertheless, Zimmerman after <b>AGREEING</b>, <b>“Okay,”</b> <b>DISOBEYS</b> the Operator’s advice and <b>CONTINUES PURSUIT “ARMED”</b> with a <b>“DEADLY WEAPON – a Gun!”</b></div>
OPERATOR	2:25	<b>Okay, we don’t need you to do that.</b> ( <i>sound of wind gush still going in background</i> )	
ZIMMERMAN	2:27	<b>Okay.</b>  ( <i>sound of wind gush still going in background</i> )	<div>NEWSOME’S COMMENTS:</div> <div>1) Zimmerman was asked by the Operator, <b>“Are you following him?”</b> Zimmerman Answering, <b>“Yeah.”</b></div>

		<p>Operator advised Zimmerman “we don’t need you to do that.” Nevertheless, Zimmerman after AGREEING, “Okay,” DISOBEYS the Operator’s advice and CONTINUES PURSUIT “ARMED” with a “DEADLY WEAPON – a Gun!”</p> <p>2) Zimmerman appears to be an UNKNOWN and STRANGER to suspect/Trayvon Martin; therefore, could have been perceived as a “CHILD MOLESTER,” “KIDNAPPER,” or “MURDER,” etc. – i.e. <i>It is known that children are TAUGHT to run away from what they believe is DANGER/STRANGERS!</i> So you have a GROWN man in a neighborhood “SITTING in a VEHICLE” and when a <i>child is approaching he gets out</i> and PURSUES HIM with a GUN . . . with CRIMINAL intent which appears to have <i>resulted in MURDER!</i></p>
OPERATOR	Okay sir, what is your name? <i>(sound of wind gush still going in background)</i>	
ZIMMERMAN	George. He ran. <i>(sound of wind gush still going in background)</i>	
OPERATOR	Alright George, what’s your last name? <i>(sound of wind gush still going in background)</i>	<div>NEWSOME’S COMMENTS.</div> <p>1) Zimmerman is alleged to be the NEIGHBORHOOD Watch person; however, <i>could NOT provide the Operator with the address where he was parked</i> Apparently, a LIE and clearly FAILURE supports that he WAS NOT at/in his VEHICLE (i.e. but in HOT PURSUIT with a GUN) when giving this information. How difficult would it be to look at the address had he OBEYED instructions NOT to follow alleged suspect/Trayvon Martin?</p>
ZIMMERMAN	Zimmerman. <i>(sound of wind gush still going in background – Zimmer sounding winded/breathing heavily from pursuit)</i>	
OPERATOR	And George, what’s the phone number you’re calling from?	
ZIMMERMAN	(407) 435-2400.	

OPERATOR		Alright George, we do have them on the way. Do you want to meet with the Officers when they get out there?
ZIMMERMAN		Yeah.
OPERATOR		Alright, where are you going to meet with them at?
ZIMMERMAN		Um, if they come in through the um gate, tell them to go straight past the clubhouse, and ah straight past the Clubhouse and make a left and then they go past the mailboxes. They'll see my truck.
OPERATOR	3:18	Okay, (interrupted by Zimmerman which is inaudible) <b>what what address are you parked in front of?</b>
ZIMMERMAN	3:22	Um, I don't know. It's a cut-through so I don't know the address.
OPERATOR		Okay, do you live in the area?
ZIMMERMAN		Yeah, yeah. I . . . (interrupted by operator)
OPERATOR		What's your, what's your apartment number?
ZIMMERMAN	3:31	It's a home. It's 1950 – oh Cr@p I don't want to give that all out. I don't know where this kid is.
OPERATOR	3:39	<b>Okay, do you just want to be with them by the mailboxes then?</b>
ZIMMERMAN		Yeah, that's fine.
OPERATOR	3:45	<b>Alright George, I'll let them know to meet you. We'll be out there. Okay?</b>
ZIMMERMAN	3:47	<b>Actually, could you. . .could you have him call me and I'll tell</b>

NEWSOME'S COMMENTS:	
1) Zimmerman is alleged to be the <i>NEIGHBORHOOD Watch person</i> ; however, <i>could NOT provide the Operator with the address where he was parked</i> . Apparently, a <b>LIE</b> and clearly <b>FAILURE</b> supports that he <b>WAS NOT at/in his VEHICLE (i.e. but in HOT PURSUIT with a GUN)</b> when giving this information. How difficult would it be to look at the address had he <b>OBEYED instructions NOT to follow</b> alleged suspect/Trayvon Martin?	
NEWSOME'S COMMENTS:	
1) Zimmerman's statement <b>CLEARLY</b> supports, again, <i>his KNOWLEDGE of being RECORDED!</i> Furthermore, <b>ACKNOWLEDGING/ALLEGING</b> that he had <b>LOST</b> suspect/Trayvon Martin when he may not have. <b>PREMEDITATED</b> – i.e. <i>Thinking ahead that once he "BRUTALLY Murdered"</i> suspect/Trayvon Martin, he did <b>not</b> want <i>information available on the 911 Tape</i> – so he could <b>not</b> be found!	
2) Zimmerman <b>agrees</b> to <b>MEET the police by the mailboxes</b> . Then Zimmerman <b>CHANGES</b> his mind because of <i>his OBSESSION/DETERMINATION</i> to <i>"HUNT DOWN" and CONFRONT</i> what he called a <i>Fu"@@ king Coon"</i> and <b>MURDER</b> suspect/Trayvon Martin	

him where I’m at?		when <b>he</b> asked the Operator to have the police <b>call</b> him so <b>he</b> could tell them <b>where he is at</b> (i.e. <i>rather than meet at a <b>designated</b> location</i> – by the mailboxes)
OPERATOR	Okay. Yeah, that’s no problem.	
ZIMMERMAN	You want me to give you my number or you got it?	
OPERATOR	Yeah I got it. (407) 435-2400.	
ZIMMERMAN	Yeah, you got it.	
OPERATOR	Okay, no problem. I’ll let them know to call you when they’re in the area.	
ZIMMERMAN	Thanks.	
OPERATOR	You’re welcome.

## UNITED STATES OF AMERICA PRESIDENT BARACK OBAMA'S TRAYVON MARTIN SPEECH

<http://youtu.be/Ky11T5janno> or <https://www.filesanywhere.com/fs/v.aspx?v=8a71698e5d5e6e76a1>

U.S. PRESIDENT BARACK OBAMA: Well **I'm the head of the Executive Branch and the Attorney General** reports to me so ***I've gotta be careful about my statements to make sure that we're not impairing any investigations that's taking place right now.*** But obviously, this is a tragedy. I can only imagine what these parents are going through. And when I think about this boy, I think about my own kids and I think every parent in America should be able to understand why it is absolutely imperative that we investigate every aspect of this and that everybody pulls together – federal, state and local – to figure out exactly how this tragedy happened. So I'm glad that not only is the Justice Department looking into it, **I understand now that the Governor of the State of Florida has formed a Task Force to investigate what's taking place.** I think all of us have to do some soul searching to figure out how does something like this happen. And that means that we examine the laws and the context for what happened as well as the specifics of the incident. But my main message is. . .is to the parents of Trayvon Martin. You know **if I had a son, he would look like Trayvon** and you know, I think they are right to expect that all of us, as Americans, are going to take this with the seriousness that it deserves and that we are going to get to the bottom of what exactly happened. Alright.

Thank You!

From Baker Donelson’s HISTORY and REPUTATION, it is information such as this that is relied upon for CONTROL through BLACKMAIL, BRIBES, EXTORTION, etc. Now the Public may see for themselves why nothing came of the FBI investigations:

In Florida’s Republican gubernatorial primary, **Tea Party-backed** candidate Rick Scott has pulled ahead of state Attorney General Bill McCollum in recent polling. **Scott’s got plenty of lucre to spend after receiving \$10 million in severance and \$300 million in stock options** following his dismissal by the board of the hospital conglomerate he founded, Columbia/HCA. Nothing wrong with entrepreneurs making a fortune in America, but **Scott and Co. parted ways amid an FBI probe that ultimately uncovered the largest Medicaid fraud in the nation’s history, totaling \$1.7 billion in civil and criminal penalties.**

THIS IS HOW SUCH WHITE SUPREMACIST/RACIST REGIMES OPERATE AND COMPROMISE INVESTIGATIONS TO COVER-UP CRIMINAL ACTS MOTIVATED BY RACIAL HATRED.

NOW IT APPEARS UNITED STATES SECRETARY OF STATE HILLARY CLINTON / BAKER DONELSON ARE OVER IN LIBYA ATTEMPTING TO COVER-UP THEIR ROLE IN THE KILLING/MURDER OF UNITED STATES AMBASSADOR to Libya CHRISTOPHER STEVENS - i.e. in which acts as the UNITED STATES’ promotion of the “MUHAMMAD MOVIE” it appears was for purposes of DAMAGE CONTROL of the Hillary Clinton Interview: <http://www.slideshare.net/VogelDenise/082112-hillary-clinton-dealing-with-the-united-states-of-americas-stingers>

GET THE UNITED STATES OF AMERICA’S GOVERNMENT OUT OF INVESTIGATIONS IN THE MIDDLE EAST and/or FOREIGN INVESTIGATIONS - - WHY? IT APPEARS THE UNITED STATES MERELY USES INVESTIGATIONS FOR PURPOSES OF COVERING UP ITS ROLE AND TERRORIST/WHITE SUPREMACIST INTERESTS?
